Fire! Fire!!

About 11 o'clock last night a fire broke out in the house occupied by Mr. John Coo',in St. Ele mors, and was completely destroyed The night was very calm; had the wind blown strong we believe it would have been a very destructive fire, as there were several other buildings in close proximity to it; as it was, however, the fire was confined to the one build n; by the lively exertions of the people, who turned out well. Several large trees immediately in front of the burning house tended very much, we noticed, to check the flames. The building was owned by John Haszard, Esq., and is insured in the Mutual Office. We believe th t Mr. Cook saved his furniture. The origin of the fire is not known, but it is believed to have originated from a bad chimney. One of Woodburn's L'Extincteur's would have extinguished it at first in five minutes.

PETER SCHURMAN.—We were presented the other day with a photograph of Mr. Peter Schurman, of Bede ue, an old gentleman now in his one hundredth year. We are told that he is quite hearty and able to move round. The picture was executed by Mr. Johnson. Photograph Artist, and is very creditable. The old gentleman presents a very venerable appearance with his long white locks, leaning on his staff. Any person desiring to see the picture can do so by calling at our Book Store.

☞ A quantity of Apples was sold by Mr. Beairsto, on Tuesday last, and went as high as 28s per barrel. Pretty good price that.

☞ The weather during the past week has been very favorable for shippers, but very unfavorable for pedestrians. The road on the wharf is almost impassable, We need side walks of some kind very much, and we must agitate! agitate! agitate! until we get them.

☞ THE Rev. James McColl, will conduct public worship at Wilmot Creek Church, on Sabbath first, (D. V.,) at the usual hour.

☞ WE learn that the Schr. *Isabel*, which sailed from this port on the 19th, for Boston, with produce and poultry, has become a total wreck.

☞ THAT enemy of mankind, Consumption, *can* be cured, but it is far better to prevent the cruel disease from fastening itself on the system, by the timely use of a remedy, such as Dr. Wistar's Balsam of Wild Cherry.

Mrs. A. Allen's Worlds Hair Restorer and Zylobalsalum or Worlds Hair Dressing are unequalled, and so acknowledged by all who use them for restoring, invigorating andressing the hair, rendering it soft, silky and glossy,and disposing it to remain in any desid red position; quickly cleansing the scalp, arresting the fall and imparting a healthy and natural color to the hair. They never fail to restore grey hair to its original youthful color. They act directly upon the roots of the hair giving the natural nourishment required. No lady's toilet is complete without the Zylobalsamum or hair dressing. It cleanses the hair and imparts to it a most delightful fragrance, and is suited to both young and old.

The Restorer Reproduces. The Hair Dressing cultivates and beautifies.

If your hair is thin try it, if scurfy try it, if harsh try it, if lustreless try it, if none of these try it, for all who use it will preserve their hair through life. For sale by all Druggists.

GRACE'S CELEBRATED SALVE.
AMESBURY, MASS, OCT 13, '63

Mr. Grace—Dear Sir:—Having been afflicted grievously for several weeks with a severe abscess upon my side, I used several remedies for its eradication without receiving any relief, until I applied your Salve, which effected a speedy and permanent cure. I therefore feel happy to certify my confidence in its virtues.

Yours with respect,
JAMES DEAN.

I certify to the above statement.

Prepared by SETH W. FOWLE & SON. 18 Tremont Boston, and for sale by Druggists generally. W. R. Watson General Agent for P. E. Island [Oct 24

From L. J. Racine, Esq.

of *La Minerre*, Montreal. "Having experienced the most gratifying results from the use of Dr Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I hads also used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence*.'
