A PRINTER'S ILLS.
A Bradford Compositor has Diabetea—He
Drops 40 pounds in weight in a short
time—How he was Cured.
BRANTFORD, Oct. 15.—Thomas Hazel-
hurst, a compositor in the Courier office
in this city, has seen some ups and downs
in health within the past few months.
Last spring he found himself suffering
from diabetea in a very severe form. In a
few weeks, he lost forty pounds in weight.
His system kept on running down and Mr.
Hazelhurst was very naturally alarmed.
After trying many remedies without benefit,
he began using Dodd's Kidney Pills.
Three boxes made a big change in his con-
dition, and six bottles worked a complete
cure. Mr. Hazelhurst is to-day a letter
than he has been for years. Add one
more to the list of diabetea cases cured by
Dodd's Kidney Pills.

Weariness—How would you like to
be disposed of when you are dead?
Hungry Hagins—Generally I would
prefer being pickled in alcohol, but I am so
hungry to-day that I would just as soon be
stuffed.

Some surprising effects have been re-
corded from the use of Miller's Emulsion
of Cod Liver Oil in the most desperate
cases of consumption. Miller's Emulsion
is "the kind that cures" colds, coughs,
bronchitis and lung diseases generally.
Every bottle waters a child, a soldier, a
soldier, a sailor, a fisherman, a miner,
and others. In big bottles, 50c. and \$1.00, at
druggists.

Mr. Huggins—What do you think of the
latest medical dictum that kissing is un-
healthy?
Mr. Hunker—It is quite true. Mr.
Munn happened to catch me kissing
his daughter and I was laid up a whole
week.

Genes Evening Wear.
The latest fashion notes state that genes
vests or blouses with two pockets for
handkerchiefs; this is very convenient in
these days when "cold in the head" is so
prevalent. But better still is to cure that
disagreeable cold in the head by the use
of Hawker's Catarrh cure. It is safe,
sure and effective and its application pleas-
ant and agreeable. Only 25 cents, sold by
all druggists.

In olden times few could write and
nearly everyone made his mark. Now-
adays all can write, and few make their
marks.

Have you ever stopped to think how per-
fectly needless it is that one out of a hun-
dred of those who die in early life as a
result of lung troubles, should do so? If,
when first threatened with weak lungs,
a few bottles of PETER'S EMULSION OF
COD LIVER OIL WITH PANCREATIN AND
HYPOPHOSPHITES OF LIME AND SODA, were
judiciously administered to the invalid, in
some cases of this, an early and permanent
restoration to health and vigor would re-
sult.

A good woman is the loveliest flower
that blooms under heaven; and we look
with love and wonder upon its silent grace,
its pure fragrance, its delicate bloom of
beauty.

Not Crude Material.
Scott's Emulsion is Cod Liver Oil per-
fected and is prepared upon the principal
of its digestion and assimilation in the
human system; hence it is given without
disturbing the stomach.
