A LITTLE GIRL picked up a set of artificial teeth—lower jaw—on Government House shore last Saturday. THERE was quite a "boom" in business at the Stipendiary Magistrate's Court this forenoon. A young woman charged with abandoning her child was sentenced to jail until the next session of the Supreme Court. The revolver was confiscated and the "monstrosity" discharged on condition that he get something to work at. The case of the four men for assaulting a Lower Spring Park shop-keeper was adjourned till to-morrow owing to the absence of the prosecutor. Two young men for being drunk and fighting on Pownal Street on Sunday night, 23rd, were each fined $30 or 30 days. THE summer train arrangement on the Island Railway goes into effect to-morrow. The rolling stock was never in better condition than at present. During the past winter forty box and ten flat cars were constructed and the work is still going on. The passenger cars have all been beautifully painted and thoroughly renovated, the palaces, "Charlottetown" and "Summerside" looking particularly handsome. Among the improvements effected in the passenger coaches is the setting apart of a portion of the second class baggage car as a smoking apartment and a better system of ventilation has been adopted. The locomotives have also been painted and renovated. Taken for all in all it may be safely said that a better looking and more serviceable series of trains than those which leave here to-morrow would be difficult to find in Canada.

ABSOLUTE PURITY.

THE following ananlyses (made by the Dominion Analyst) of three BAKING POWDERS sold in this market should put a stop to the unjust efforts of the Royal to mislead the public as to its being the only pure Powder. These impartial tests show that other Powders are as pure and wholesome:

W. SAUNDERS, Dom. Analyt, St. John, N. B. reports:

Royal—Contains Alkaline Carbonates—a mixture consisting mainly of Bi-Carbonate of Soda and Cream of Tartar—adulterated with about 20 per cent. of Starch.

W. F. BEST. Dom. Analyst, St. John, N. B., reports:

Pure Gold—Contains Cream of Tartar, Carbonate of Soda—fresh and pure.

WOODILL'S { Nov. 10, 1882—Not adulterated; same as usual. / April 7, 1883—Not adulterated; same as usual. / June 4, 1884—Fresh and pure; same composition as usual.

MAYNARD BOWMAN, Dom. Analyst. Halifax, N. S., reports:

WOODILL'S { Of good quality; contains nothing injurious.

Woodill's German Baking Powder has held a reputation for purity and wholesomeness now nearly 30 years.
