S. of T.—Orient Division will meet this evening at 8 o'clock in Wright's hall, for temperance work.

SUDDEN DEATH.—Mrs. Logan, wife of H. J. Logan, M. P., was found dead in bed on Wednesday morning, at Amherst. She was but twenty-six years of age.

FATALLY BURNED.—Mrs. Sylvester Anderson, in trying to rescue a child whose clothes were on fire, had all her own clothes burned off, near Sussex, N. B., on Wednesday. Neither are expected to recover.

ORWELL CHEESE FACTORY.—Last season the Orwell cheese factory made cheese to the value of \$43,500. The number of patrons was less than 200, many of whom make from \$260 to \$400 by the season's work.

FOOTBALL.—S. D. College will send some two hundred students to the football match on Monday. They have prepared several new college yells which will no doubt put terror into the hearts of the "Abbies." Admirers of the champions should turn out in force and give them some encouragement.

BURGLARY.—On Wednesday night the 8th inst. the house of Mr. Jas. Leonard, Fairview, West River, was entered by some unknown person and the sum of \$12.50 taken. Mr. Leonard was absent at the time. There is no clue yet to the identity of thief or thieves, but it is to be hoped that they will be brought to justice as Fairview has always been an honest settlement.

SOCIAL HALL.—The social ball for young men on Grafton Street had a very successful opening. The musical and literary entertainment was thoroughly enjoyed by the goodly number of young men and boys present. Luncheon was also served. Boys under 16 will be admitted on Monday and Friday nights. Other evenings are especially for young men. Good reading and games will be provided, and there will be music in abundance. Contributions of magazines or cash will be thankfully received by the Treasurer, Mr. J. K. Ross.

TOOK THE VEIL.—A very impressive ceremony was performed at Chatham, N. B., on Wednesday morning last when the black veil of the Hotel Dieu Order of Nuns was conferred upon the Misses Lynch, recently of Charlottetown, by His Lordship Right Rev. James Rogers, D. D., Bishop of Chatham, in the chapel of the Hotel Dieu Hospital of Chatham, N. B. His Lordship was assisted by Father Walsh, and Father Jayner of the Cathedral. A very eloquent and instructive discourse was pronounced by Rev. Dr. Morrison, of Charlottetown, on the duties and consequent reward of those who sacrifice their lives to assist the poor and distressed. In the sanctuary, besides the officiating clergymen, were Rev. Henry Morley, Very Rev. Father Barry, Vicar General of the Diocese of Chatham, and several others. Sister St. Bridget, Congregation de Notre Dame, Picton, who is a sister of the Misses Lynch, went to Chatham for the ceremony.

WORDS IN SEASON.—An Ilander residing in the Kootenay District, B. C., writes THE EXAMINER a most interesting letter in which he remarks: "I have received so many inquiries lately from eastern men who are anxious to come west that I desire through the medium of your valuable paper to give a brief outline of the prevailing conditions in the Kootenay, especially regarding the labor market. I am in a position to state that the supply of unskilled labor exceeds the demand. All mines in the Rossland and Nelson districts are working full-handed and in some instances reducing their staff for winter months. The miners in the Slokan country are out on strike. The dispute is wages. Men are requested to keep away from the Slokan until the question is settled. Construction work on most of the railways is stopped for the winter, consequently idle railways are numerous. On the whole the prospects for the worker are not bright. Those who wish to come west will do well to wait until the spring."

FORESTIC NOTES.

The Foresters of Court Dunda, No. 2547, held an entertainment, basket and pie social on the 6th inst. in the spacious hall at Bridgetown. There was quite a nice programme which was well rendered, Miss Burdett presiding at the organ. Miss Lillian Burdett sang a beautiful piece, which was well received by the audience. The programme was brought to a close by singing the Foresters' anthem, after which quite a number of well filled baskets were sold at good prices by Mr. Cassius Clay, who was a very competent salesman. This ended a pleasant night with quite a sumptuous repast of which all freely partook and returned well pleased to their homes in the wee sma hours of the morning.
