

LOCAL AND OTHER ITEMS.

BEAR BROS "21" Sale now on. A. O. H.—Regular meeting to-night at 7 o'clock. A full attendance requested.

NOT BEFORE TIME.—The fence surrounding King Square has been whitewashed.

GOVE DAVIS.—Andrew Doyle, Jr., has gone to jail for two months, to serve out a Scott Act fine.

A GOOD LIKENESS.—A very good likeness of Rev. William Hamlyn, president of the Christian Endeavor Society of P. E. Island, appears in the Montreal Star of Wednesday.

MESSRS SAUNDERS & NEWSOM had for sale in the market to-day two fine steers which tipped the scales at 1367. They were fed by Charles M. Leard and John N. Leard, of Tryon, and made choice beef.

HE MADE A DISTURBANCE.—A drunken man entered a house on Upper Hillsborough Street last evening and made himself decidedly obnoxious to the inmates. He will probably be asked to explain his conduct at the police court.

CONCERT APPRECIATED.—The B. I. Society desire to express their appreciation of the excellence of the concert given in Lyceum last night, and to return their thanks to the ladies and gentlemen who performed their different parts.

GOING TO DORCHESTER.—James McIntyre, recently sentenced to two years in Dorchester penitentiary for stabbing a man named McKinnon, was taken to that institution yesterday. Sheriff Robertson and constable Reardon accompanied him.

BOYLE RACE.—The local flyers are talking of having a one mile and five mile bicycle race within the next two days, to be held in the evening at 7 o'clock, on the Charlotteville Driving Park. Gold and silver medals for 1st and 2nd in each event.

GOOD NEWS.—Late advice from St. John convey the pleasing intelligence that the fisheries are the best in thirty years. Quantities of cod on the coast are enormous. Every boat and man are at work night and day. Great quantities have been taken off St. John's.

REPORTED DROWNING.—It is reported about town to-day that Bonnie Byers (colored) has been drowned. It is said that he left a lobster factory at Squaw Bay yesterday with a boat load of traps, and has not been heard from since. His brother has gone over to the factory to investigate.

MERRY GO ROUND.—Mr. J. H. Kitchen, of Main-street, here last night with a riding gallery which he will have in full play within a day or two. This wonderful machine has twenty-four horses and four chariots, capacity for 60 persons; music by steam. This is a new thing here, and will doubtless draw crowds.

WHIST BROKEN.—We regret to hear that Master Earle Johnston had his whist broken to-day. He was standing in Mr. W. Clarke's express wagon when the horse suddenly started, throwing him out on the street. Master Johnston is a son of Dr. David Johnston, of Chatham, N. B., and is visiting at Mr. Clarke's.

EXCURSION PARTY.—The steamship Orinoco is expected here to-morrow with a large party of excursionists. She will remain in port a day or two. The Orinoco is at Boston, Bar Harbor, Portland, St. John, Yarmouth and Halifax. After leaving Charlotteville she will call at Dalhousie, Gaspe, and Saguenay, terminating at Quebec.

FEW FLAG POLE.—A very imposing flagpole has been placed on the lawn in front of St. Dunstan's College. Being of great height, about 100 feet over ground, its foundation may be seen from all advantageous points in the city. This pole will greatly enhance the beauty of the college grounds. The woodwork and rigging were executed respectively by Messrs Cameron and Sweeney, of Charlotteville.

AT GEORGETOWN.—Stipendiary Magistrate Blanchard held court at Georgetown yesterday. Walter Jenkins and Robert Seaton, were each fined \$50 or two months imprisonment for violating the Canada Temperance Act. The summonses against Mr. Ledwell was dismissed. Mrs. Oronoco, fined the previous week for violating the Canada Temperance Act, was yesterday put down to jail for one month in default of payment.

AUGUST MEET POSTPONED.—Owing to the Maritime Cold States being trotted on August 21st and 22nd, the committee of the Ch'own Cycle Club have decided to change the date of the bicycle meet from August 22nd to September 2nd. As this latter date is Labor Day and a public holiday, and as the program of sports is a grand one, the meet should be a very successful one. Look out for the ad. with his sign of the wheel.

AT THE OPERA HOUSE.—If the reports of the various newspapers published in the towns that the Neville-Darley Company have already visited are to be believed, there is a great theatrical treat in store for our play-going public, for the unanimous opinion of those critics is that this organization is the best that has ever been seen in this section of the country. The company will appear at the Opera House for four nights, beginning next Monday, 22nd inst. Their opening bill will be Tom Taylor's beautiful drama, "Still Waters," and they will change their bill nightly thereafter. The price of seats will be only 10c and 35c, with the reach of every seat, and this should ensure excellent attendance.

THE LYCEUM.—There was not a very large audience at the Lyceum last evening, but those who were present evidently appreciated the manner in which the programme was presented. Applause was generously bestowed, and most of the numbers were encored. Vocal solos were given by Miss Smith and by Messrs. Bell, Dawson, Dixon, Whitlock, McQuaid and Trainer. Miss Flo McKenzie contributed a recitation; Miss May Carroll a piano solo; Misses Sweeney and Thorne, a piano duet; Miss Smith, McEwen and Goady a mandolin trio; Miss Goady a violin solo. The accompanists were Mr. Dixon, Miss Goady, Miss Carroll and Mr. Richard Johnson. The performance closed with a farce "The Masquerade Ball," which afforded considerable amusement.

PROFESSOR ROBERTSON'S MOVEMENTS.

Professor Robertson with Alexander McLaren, of Stratford, Ontario, and Mr. Dillon, visited the cheese factory at Emerald yesterday, and were highly pleased with the work done there. They say that the cheese made there is of a very high order. The cheese-maker at Emerald is Mr. J. F. Williams of Ingersoll, Ontario, who has had twenty years experience in the business.

Professor Robertson delivered an address at Tryon last evening and came to Charlotteville to-day.

He will lecture at Cardigan this evening.

Who Was He?—An unknown man tried to effect an entrance into the residence of Mrs. Stair, Bayfield Street, about two o'clock this morning, but was frightened off. When discovered by Mrs. Stair the man was in the act of getting into her bedroom through the open window. She gave the alarm, and made a plucky effort to hold on to the stranger in order that he might be arrested, but he made his escape. Mrs. Stair's servant, a woman named Garmun, started after the stranger with a gun, but by the time he got out on the main floor, he was beyond his reach. Mrs. Stair's bedroom is on the second floor, and the stranger reached it with the aid of a ladder that he brought with him. He left the ladder behind when he decamped. The police have been made acquainted with the facts.

MEETING OF GRAND DIVISION.

The quarterly session of the Grand Division S. of T. of P. E. Island at Irish-town, on the 15th inst., was a grand gathering of temperance workers who came from near and far to be present on that occasion. They came from Charlotteville, Cornwall, Wiltshire, Tryon, Searletown, Frestown, Belknap, Ellerslie, Port Hill, Lot 16, Traveller's Rest, Kensington, Margate, Hamilton, Darnley, Spring Valley, Park Corner, Long River, Cavendish, Otonabee, Graham's Road and Granville, and the session was one of the most interesting and perhaps the most important ever held in the province.

The morning session was fully occupied with all reading of reports and the initiation of new members, of whom there were a goodly number.

The reports of the G. W. Patriarch and G. Scribe were referred to the committee on the state of the Order, consisting of R. ps, A. S. Wright, Wm. Ramsay and S. Bernard, while that of the G. Treasurer was referred to the Finance Committee, consisting of Heps. Wm. Simpson, D. Rogers and D. Arling.

All the reports showed the order to be in very flourishing condition, the G. Scribe reporting 46 divisions with a membership of some 2,400, while the G. Treasurer reported amount on hand over \$200.

Both the G. W. Patriarch and G. Scribe referred to length to the present grave crisis in the temperance reform, the indifference of the Government to public temperance sentiment and their defiance of temperance workers by the re-appointment of C. B. Saunders as vendor in Summerside.

This feature of the question was also referred to by the committee on the state of the order, and the discussion was, indeed, occupying most of the afternoon, was interesting and at times quite animated, and ended by the unanimous adoption of the following resolution:

That the Local Government, having appointed C. B. Saunders, vendor in Summerside, against the protests of this Grand Division, the Prince County Temperance League, the petition of twelve hundred temperance workers from all parts of the Province, we pledge ourselves to oppose by our votes and influence every member and supporter of the Peters Government who comes before us for re-election.

The usual votes of thanks were tendered the railway authorities for courtesies received, and the members of North Star Division for their kindness and hospitality to the visiting brethren.

A evening public meeting was held in the evening, the hall, a large one, being crowded to the doors, while large numbers were unable to gain admittance.

The chair was occupied by Jessie S. Burns, while beside him on the platform were seated many of the most prominent temperance workers in the province. The meeting was opened with prayer by D. Rogers, the Grand Chaplain pro tem, after which stirring addresses were given by James Carruthers, Wm. Simpson, D. Rogers, A. Simpson, and D. Arling. Excellent recitations were given by the Messrs Brown and Woodside, while the beautiful music furnished by the Division choir was rapturously applauded, and the choir afterwards received a hearty vote of thanks which was moved by James Carruthers and seconded by A. S. Wright.

Dr. Martin, of Montague, who occupied a seat on the platform, being called for responded in a few well chosen remarks, expressing the pleasure he gave him to be present on such an interesting occasion.

A most enjoyable (can't speak for those who had to stand through it all) and successful meeting was brought to a close, by the whole audience rising and singing "God be with you till we meet again."
