MONTREAL, September 18th - Right now - from Canada's most fertile farmlands - comes a special crop of the finest tomatoes you've ever tasted. They're filled with health-giving vitamins and minerals - they're utterly delicious - they're the tomatoes that are fresh-packed for your eating pleasure in Heinz famous tomato "four-some"...

You'll Thank Your Lucky Stars for DOMOLITE when Fall housecleaning time comes around. You see, this famous vinylite plastic cleans so easily. Just wipe with a damp cloth. No ironing, of course. And Domolite (made by Dominion Oilcloth and Linoleum Company) is easy to sew. Make kitchen and bathroom curtains, aprons and drapes with it! It wears and wears - repels moisture, oil and dirt - and its price is a pleasant surprise. See the beautiful colours and patterns at your department or variety store. And write to me - Barbara Brent, 1411 Crescent St., Montreal, P.Q. - for free, illustrated literature showing what you can make with Domolite.

"I've Never Seen A Better Designed Stove" - I know you'll say it, too, when you see the new GURNEY Gas Range. Its designers have thought of everything for your convenience! Cooking and baking are made so much easier with the special GURNEY automatic clock control - interior oven light... and, above all, the special GURNEY "Even-Heat" oven that keeps the temperature exactly right - automatically - on the sides, the top, the bottom and even in the corners. But you'll want to see the new GURNEY features for yourself. Ask your dealer to show you the new GURNEY Gas Ranges - all of them "kitchen-tested" for all-free cooking.

"Laugh And The World Laughs With You" - Cry and you cry alone! It's an old, old saying - but never truer! So, next time you're feeling bluer than a rainy day, you should (and can!) do something about it. A glass of sparkling SAL HEPATICA taken before breakfast will make you feel like a new woman. And when hubby or son isn't feeling just right, either, suggest they try Sal Hepatica, too. Did you know that it's been a faithful family laxative for over sixty years? Umhmm. And another beauty about Sal Hepatica is that you can use it safely merely as a "refresher" in the morning - or at night when your system feels the need of a more thorough regimen. Next time you see your druggist, ask him for Sal Hepatica.

Even Small Bears have big appetites, but nothing compared to your school-agers when they come home for lunch. That's why it's a good idea to have yummy KRAFT DINNER always handy. Next time you buy it - look for it in the brand new package. It's the same delicious "Kraft Dinner" you've always liked, but the package has a new, eye-catching design that speeds up your shopping because it's so easy to find. You'll be shopping with a wealth of good eating in that new red-and-yellow package! By itself or with other foods, "Kraft Dinner" makes a wonderfully appetizing dish. It's ready-to-cook macaroni-and-cheese at its best, and it cooks in only 7 minutes! - a wholesome main dish for 4 that costs less than 6 cents a serving!

I've Learned My Lesson! ... after "gapisis" trouble with an ordinary "slipping zipper", I'll never again buy anything but LIGHTNING SLIDE FASTENERS. You see, Lightning are the fasteners that with famous Automatic Lock. They slide at a touch, yet lock by themselves - no tab to press down - no prong to snag material. They were the first slide fasteners in Canada and now I've convinced myself - they're still the best. When you buy Lightning, you get flexibility, durability, washability - a wide range of sizes and colours to choose from - PLUS the exclusive Automatic Lock and the perfection of expert workmanship. Yet they cost no more than an ordinary zipper. So insist on Lightning Slide Fasteners in the familiar red and black package.
