Meyer Appeals For Clemency

OTTAWA, Jan. 30 — (CP)—Maj.-Gen. Kurt Meyer, former German S.S. (Schutzstaffel) commander sentenced to life imprisonment for war crimes involving the shooting of Canadian prisoners of war, has appealed to the Canadian Government for clemency.

An army spokesman said today the appeal from the 38-year-old German, now working as a librarian in New Brunswick's Dorchester Penitentiary, has been placed in the hands of the Justice Department.

It was understood the appeal has not yet reached Justice Minister Goyon but is being studied by Justice Department officers.

"No indication has as yet been given as to what, if any, action the Government intends to take on the petition," the army spokesman said.

Some months ago it was reported that Meyer, who was posted in the penitentiary library after a period of isolation, was making considerable strides in his mastery of the English language. His assignment was made after a study of his talents and inclinations and the nature of his sentence.

Meyer originally was sentenced to be shot but this later was commuted to life imprisonment. He was convicted in December, 1945, of responsibility for the deaths of 18 Canadian prisoners-of-war at his headquarters in Normandy in June, 1944.

Ayrshire Club Semi-Annual Meeting held

More than twenty red and white sires have been graded in the Province by the Ayrshire bull grading committee it was reported yesterday by Mr. R. C. Parent, Superintendent of the Experimental Farm to members attending the semi-annual meeting of the Prince Edward Island Ayrshire Club.

The meeting was held in the Provincial Department of Agriculture offices and was largely attended. The President, Mr. Howard MacLeod, Bridgetown was in the chair.

The bull grading committee is composed of Messrs. R. C. Parent, S. C. Wright of the Provincial Department of Agriculture and Mr. Fred MacRae, Central Royalty.

Mr. Parent reported that the committee had inspected a number of outstanding sires which were graded double X. The majority of the sires inspected were Grade X while a small number did not come up to the standards required.

A bonus policy for the top-notch sires has been drafted which provides for the payment of \$40 a year to the owners of Grade XX sires and \$25 per annum for Grade X bulls.

Purpose of the bull bonus policy is to improve the Ayrshire herd. It provides the Association with the knowledge of where the leading sires are located and make it possible for them to determine the real value of the bulls before they are shipped to packing plants or out of the Province.

Mr. Parent expressed hope that the animals that did not grade up to requirements would be replaced as soon as possible. He also commented on the lack of safety precautions taken by some owners in handling their sires.

Judges Selected Mr. Gilbert MacMillan of Huntlington, Quebec, was selected as first choice judge for the Ayrshire grading contest at the Charlottetown Exhibition next summer. Reserve selection is Mr. Carlyle Watt, Lancaster, Ontario.

Transportation assistance will be provided for showmen entering Ayrshires at the Charlottetown, Alberton and Souris Exhibitions. This assistance has been offered to entrants at the Charlottetown and Alberton Exhibitions but never before to Souris exhibitors.

Two dollars per head will be paid for animals transported more than ten miles and one dollar for each animal inside the ten mile limit.

The local club decided to send a recommendation to the annual meeting of the Association in Montreal asking that the production qualifications in the Ayrshire classes at the Royal Winter Fair be re-instated. These qualifications were dropped several years ago.

Calf clubs will be supported again this year by the Club. Seventy-five dollars was voted available for this work.

Minister Speaks Hon. C. C. Baker, Provincial Minister of Agriculture was present and spoke briefly to the meeting. A vote of thanks was extended to Mr. Baker and his Department for the assistance extended to the Club.

A sum of money was voted to pay part expenses of members wishing to attend the annual meeting of the Canadian Ayrshire Breeders Association in Montreal on Feb. 9.

A committee composing Mr. Gavan Read, Montague; Mr. Lloyd MacLeod, Dundas and Mr. LeLacheur of Murray Harbour was appointed to make arrangements for the Red and White show at Dundas.

Another committee was also appointed to prepare for an Ayrshire Field Day somewhat along the lines of the one held last July at the Experimental Farm. This committee is composed of Messrs. R. C. Parent, Major MacRae and Col. F. I. Andrew.

Mrs. Sullivan To Stand Trial

OTTAWA, Jan. 30 — (CP)—Mrs. Marion Sullivan, 48-year-old Toronto mother of two children, will stand trial tomorrow on a charge of manslaughter, arising out of the death of her lawyer husband.

Her case is expected to come before Chief Justice J. C. McEwen at the winter sittings of the Ontario Supreme Court.

Decision to bring her to trial was taken today by a 13-man grand jury, considering Crown allegations that Mrs. Sullivan "did unlawfully kill and slay" her husband, Francis J. Sullivan, 52.

The nude body of the former chief solicitor for the Ontario Department of Lands and Forests was discovered in a bedroom of the downtown Chateau Laurier Hotel about 3 a.m. Nov. 18.

Alleging that Mr. Sullivan was beaten about the head before he died, the Crown arrested Mrs. Sullivan 24 hours later on a charge of murder.

At liberty on bail, Mrs. Sullivan was not in court today when the jury brought in a "true bill," deciding there was sufficient evidence to warrant a trial. The jury heard front of the Crown's witnesses before reaching the decision.

Threatened by the flames was the house of Mayor Eugene La-Flamme, owner of the plant which provides work for about 100 men.
