Dr. A. JOHNSON'S AMERICAN ANODYNE LINIMENT.

FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma Pain in the Sides or Chest, Rheumatism, Cramp in the Stomach, Spitting of Blood and all Lung Complaints.—Manufactured by I. S. JOHNSON, Bangor, Maine.

Dr. JOHNSON'S AMERICAN ANODYNE LINIMENT, an entirely vegetable preparation, prepared and intended for Internal and External application.

The inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and offer it with full confidence to the afflicted, as the result of his long experience, and best efforts.

This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical Faculty, wherever it has been introduced.

With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public; not doubting that it will sustain the high reputation it has already acquired. We do not affirm that this article is a cure for the ten thousand ills humanity is heir to, but let those who are afflicted with the following diseases, try it, and we can assure them they will find relief.

Inflammation of the Bronchia or Bronchitis, Rose Cold Catarrh, Hard dry cough, whooping Cough, Hoarseness and common cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma and Influenza, for Sore Throat and weak Lungs, for Chronic Diarrhea caused by Rheumatism in the bowels, for Cramp in the Stomach, for Strangury, Gravel and Stone, Blind Piles, &c.

Externally it will have the most happy effects, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chillsains, Chapped Hands, and sore Lips; it is a sovereign remedy for the bites of flies, and other insects. There is nothing of equal efficacy to this for Horses and Oxen where they are coked, cut, bruised, strained or chafed by the harness, and it possesses more than double the power of any other Liniment.

Inflammation of the Bronchia or Bronchitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq. (No. 10 Court Street Boston) who had a case of three years standing, has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose Cold. This cold comes on when the flowers

blow in the Spring, and continues till the leaves fall in Autumn—if this disease is not attended to in season it ends in consumption. Take of the Liniment according to directions a cure will result.

Catarrh, and noise of confusion in the head may be cured by a faithful trial of this Liniment, drop one or two into each ear at night before going to bed, and take it internally according to directions.

In all coughs, the Anodyne Liniment is a well known remedy, particularly for whooping cough. The first symptom should be checked, and not the least difficulty will occur in the cure of this complaint. For children half a teaspoonful Liniment night and morning.

This Anodyne Liniment for sore throat and weak lungs, is a complaint so common in all countries, especially in this island, stands unrivalled and in every case, a complete trial will be marked by the most complete success.

The Blind Piles, The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Liniment internally external application should be made.

The sale of this invaluable medicine is rapidly increasing and the Proprietor can say with confidence that he has the favored instrument of giving relief to thousands of afflicted and suffering. The following certificates are given, and he earnestly solicits all who may be afflicted, to give Anodyne Liniment a fair trial, satisfied that if taken with full determination to test its ability they will find relief.

Dr. A. JOHNSON'S Jaundice and Dyspeptic Bitters.

PREPARED BY I. S. JOHNSON, BANGOR, MAINE. STEEP a paper of these Bitters in one quart of W. I. L. wine or Gin; take about a third of a wineglass full three times a day before eating. They will bear filling up several times.

These Bitters are not recommended to raise the heat, perform any such miracles, but as a moderate Cathartic, a first rate article where a Bitter is needed. They give an appetite, cure Jaundice and all Bilious affections,—open the Liver and Kidneys, and assisting nature in her efforts to purify the blood, and keep the human system in order.

Each Label will bear the signature of the inventor, I. S. JOHNSON. For sale at the Apothecaries' Hall, and at the Drug Stores W. R. Watson and M. W. Skinner, and sold at all the Stores throughout the Island. Persons wishing supplies of the Medicine can be furnished at proprietor's prices at the Drug Store of M. W. SKINNER, January 22, 1855. 1y. FRIEND OF THE CANADIAN!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF ASTHMA OF AN OLD LADY SEVENTY-FIVE YEARS OF AGE.

Copy of a letter from Mr Thos Weston, (Bookstore), Toronto dated the 7th October, 1854.

To Professor Holloway— Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from your Pills. My mother was afflicted for upwards of four or five years with asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; although I paid a large sum for medicine and advice, it was to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did: the result was marvellous; by slow degrees my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old.

I remain, sir, your obliged, (Signed) THOMAS WESTON.

REMARKABLE CURE OF DROPSY AFTER BEING TAPPED THREE TIMES.

Copy of a letter from Anthony Smith, Esquire, Halifax, Nova Scotia, dated the 25th August, 1854.

To Professor Holloway— Sir,—I desire to add my testimony to the value of your Pills in cases of dropsy. For nine months I suffered the great torture with this distressing complaint; was tapped three times and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills and immediately sent for a quantity, and commenced the use of them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better and by persevering with them, at the expiration of two months I was completely cured. I have since enjoyed the best health.

I am, sir, yours sincerely, (Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a letter from Willm Reeves, of Charlottetown, Prince Edward Island, dated 17th November, 1854.

To Professor Holloway— Sir,—I am happy to say that your Pills have restored my health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions seven weeks, I was cured, after every other means failed, and astonishment of my neighbours, acquaintances and friends, shall ever feel grateful to you for this astonishing restoration of health, and will recommend your Pills to all sufferers, feeling my duty to do so. I remain, sir, your humble servant, (Signed) WILLIAM REEVES.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Table with 4 columns: Ague, Asthma, Bilious Complaints, Blisters on the skin, Bowel Complaints, Colics, Constipation of the bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Head-ache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula, or King's Evil, Sore Throats, Stone & Gravel, Secondary symptoms, Tic-Douloureux, Tumours, Ulcers, Venereal affections, Worms of all kinds, Weakness from whatever cause, &c. &c.
