

OMBUDSMAN

The article entitled Ombudsman in the last Cadre and which appears to be written by me, was not. Rather the article was written by Ron Kelly from information gleaned from notes which I left in the office to facilitate writing of an article concerning the mixup in the Student Judicial Committee. The article as it was presented creates almost as much confusion as existed before

its writing and therefore I would like to take this opportunity to clear up the matter once and for all. The S.J.C. was indeed operating in such a manner which did not comply with the Student Union Constitution and the committee is presently in the process of revamping itself. As of this Sunday when the Student Union appoints new members to fill vacancies on the committee, the S.J.C. will comply with the constitution and will therefore protect the interests of the stu-

dents. I have also received word that the Senate appeals committee has ruled the S.J.C. to be acting in such a manner as to be procedurally invalid; therefore supporting my position. In conclusion I would like to add that the stand I took was to protect the interests of you, the students, and show that indeed, I am not only working for the Student Union but also for you, as students. If you have any questions in regard to this matter, feel free to con-

tact me at the Student Union office or at home at any time.
