

Enterprise in Business.

At no time in the history of the world has the spirit of enterprise been so indispensable an element in business as at the present day.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites is prescribed by the medical profession because it is not a secret remedy.

The German Physicians' union has issued a paper advising young men against entering the medical profession.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth.

KNOW THYSELF.

A Great Medical Work on Manhood.

Exhausted Vitality, Nervous and Physical Debility, Premature Decline in Man, Errors of Youth, and the untold miseries resulting from indigestion or excesses. A book for every man, young, middle-aged and old. It contains 125 prescriptions for all acute and chronic diseases, each prescription for all acute and chronic diseases, each of which is invaluable. So found by the Author, whose experience for 25 years is such as probably never before fell to the lot of any physician. 300 pages, bound in beautiful French muslin, embossed covers, full gilt, guaranteed to be a finer work in every sense than any other work sold in this country for \$2.50, or the money will be refunded in every instance. Price only \$1 by mail, post-paid. Illustrative sample free to any body. Send now! Gold medal awarded the author by the National Medical Association, the President of which, the Hon. P. A. Bissell and associate officers of the Board, the reader's respectfully invited.

The Science of Life is worth more to the young and middle-aged men of this generation than all the gold mines of California and the silver mines of Nevada combined. S. J. Crovick.

The Science of Life points out the rocks and quicksands on which the constitution and hopes of many a young man have been fatally wrecked. Manchester Mirror.

The Science of Life is of greater value than all the medical works published in this country for the past fifty years. Atlantic Constitution.

The Science of Life is a superb and masterly treatise on nervous and physical debility. Detroit Free Press.

There is no member of society to whom the Science of Life will not be useful, whether youth, parent, guardian, instructor or clergyman.—Argosy.
