Panthers leave tough weekend behind

By Darrell Cole, Sports Editor

The UPEI Hockey Panthers had a tough weekend last week as they travelled to Nova Scotia to play two of the toughest teams in the AUSA. On Saturday the Panthers met up with the Dalhousie Tigers, who wished to seek revenge for their playoff loss last year to the Panthers. The Tigers exploded for three unanswered third period goals to snap a 4-4 tie en route to a 7-4 victory. Scoring for the Panthers were Jerry Fleming and Greg Gravel with two goals apiece.

On Sunday the Panthers travelled to Wolfville, Nova Scotia where it used to be a

sure two points against Acadia in hockey. Such is not the case anymore as the Axemen are a contender this year and presently lead the MacAdam division of the AUSA. In the game the Panther fought back from a 2-1 deficit in the second period to gain a 3-3 tie with the Axemen. Rich Little, Greg Gravel, and Jeff Steffen scored for the Panthers.

The Panthers return home this weekend to the friendly Charlottetown Forum for a pair of games on Saturday and Sunday against the upset-minded University of Cape Breton Capers and the Acadia Axemen.

Volleyball Panthers play good but come up short

By Darrell Cole, Sports Editor

The UPEI Women's Volleyball Panthers started of their season on the weekend with a pair of games at the Alumni Gym against the powerful Universite de Moncton Blue Eagles. The girls played strong volleyball but fell short of Moncton losing both matches in three straight games.

I think that volleyball will be a bright spot here at UPEI as this years team looks much improved over last year's. Last year many on the team were rookies and now that they have one season under their belt they could be a strong team in the AUSA this season.

AS PEI prepares for the 1991 Winter Games, it also prepares to enter the history books. For the first time ever, women will be competing in hockey at Games.

Ottawa announced last week what events will be conducted on PEI in 1991 as part the Games. Jack Kane, a member of PEI's Host Society for the Games, feels this is a key decision. "You have to know what games you're playing before you can really start to plan."

In addition to women's hockey, there are a few other surprises. PEI scores a hat-trick by hosting all three of men's hockey, women's hockey and ringette. We rally for two points with both squash and racquetball (we were expecting only one). Also, we hit the mark by hosting the biathlon in spite of having no expertise in the sport.

No decision has been made yet regarding where

each sport will be played. However, such events as gymnastics, which require a large floor space, will likely be held in UPEI's fieldhouse complex. Naturally, outdoor

events like cross-country skiing and the biathlon will be held outside the city.

Here are the events for the 1991 Canada Winter Games:
