HOW YOUR LIVER BILE BREAKS DOWN FAT

Laboratory tests have now proved that liver bile emulsifies fat . . . actually breaks it down. It is an established medical fact that when liver bile is added to fatty solids, the fat is broken down and forms a smooth, easy-flowing mix.

In your body, precious liver bile helps break down fat the same way. Many foods reach the digestive tract as undigested fatty solids. Your golden liver bile helps break down this fat . . . unlocks it . . . for easier and more complete digestion.

Carter's Little Liver Pills exclusive formula of natural, vegetable ingredients relieves irregularly gently and effectively. At the same time, it actually improves the flow of liver bile needed to break down fat in your body.

So when you feel sluggish, headachy, nervous and need a laxative, get Carter's Little Liver Pills. Remember, Carter's not only relieves irregularly, but actually improves the flow of liver bile needed to break down fat.

W. I. District Convention Held At Wheatley Rive

The 2nd. annual convention of the North Shore Queens No. 1 composed of Avonlea, Rennie's Road, Anglo-Rustico, St. Ann's, Wheatley River, Parkside, Bayview, New Glasgow, Oyster Bed Bridge, St. Ignatius, Sterling, Mayfield, and Ebenezer Women's Institutes was held at Wheatley River Hall on Wednesday, June 10th, 1959.

The convention was in charge of Ebenezer Women's Institute and the District president for 1959 was Mrs. Norman MacRae, and Mrs. Hubert Oatway as secretary.

The meeting opened with O Canada and the Mary Stewart Collect, and in the opening remarks the president complimented the members of Wheatley River Women's Institute on the newly decorated hall, which added so greatly to the convention. The new Institute, Parkside, was welcomed and then the origin of the Mary

Stewart Collect was briefly explained by the president.

Mrs. Dan MacLeod very graciously welcomed the members and visitors and this was responded to by Mrs. David Axworthy of Oyster Bed Bidge. Roll call was answered by seventy-six members, and several visitors were present.

Mrs. Eric Bell gave a short report on the Scholarship Fund. The secretaries of the branch institutes gave very encouraging re-

ports of much work done during the year.

A reading by Mrs. Leonard Ling of Wheatley River entitled "The Duties of a Delegate" was very appropriate and much enjoyed.

Miss Irene Mountain Supervisor from the W.I. Office gave a very interesting talk on theme "Home, Community and the Women's Institute". A reading "Something Good About You" was given by Mrs. Harold Chandler of Wheatley River and was heartily applauded.

Mrs. Aubred Cutcliffe from the Provincial Board in her interesting talk stressed the importance of 4-H Clubs. Miss Marilyn Stevenson of Anglo Rustico then entertained the meeting with a lovely solo.

Major O.R. Simons, M.B.E., C. D., Provincial Civil Defence Co-ordinator for P.E.I. gave a most interesting talk on Civil Defence. He spoke of the evacuation of strategic cities and the use of shelters for protection against radio active fall-out dust. He suggested that the W.I. members back the organizations trained in this line.

Following Major Simons talk a very comical monologue was given by Miss Brenda Stevenson, which was heartily applauded.

At this point Mrs. Harland Hill was called to the platform and after a short speech by Mrs. Elmer Fyfe, thanking her for the hospitality of her home each year for the executive meetings, she was presented with an oil painting by Mrs. John Craswell on behalf of, and with the thanks of all members of North Shore Queens No. 1.

A short recess was much enjoyed as was also the very generous donation of ice cream drinks from Messrs. J. and T. Morris Ltd. The recess ended with a sing-song led by Mrs. Ken MacRae of Ebenezer and with Mrs. Philip Matheson as organist.

Mrs. Doyle of North Rustico gave a wonderful talk on "The Home", saying that the home was the vital point of today's society, when it is made up of a solid background of God fearing parents who make use of best of the old and the best in the new. Her talk was greatly enjoyed by all present.

From Parkside Institute a reading was given by Mrs. Roy Woolner entitled, "The Friend who just stands by".

A demonstration and talk by a Home Economics Scholarship winner, Miss Margaret Jean MacDonald on the uses and care of

different textiles and fabrics gave all present some worthwhile ideas on buying and caring for these materials.

Wheatley River will be the entertaining Institute for the 1960 Convention. The officers will be President, Mrs. Harold Chandler; vice-president, Mrs. Walter Ling; and secretary, Mrs. Leonard Ling.

The display for the convention was made up by articles of knitting, quilting, crocheting, made by members of the different Institutes.

The meeting closed with "God Save the Queen" after which a delicious buffet supper was greatly enjoyed.

No. 1 Plywood Place Charlottetown, P.E.I.

BRISTOL

Recent visitors to the city on business in their line of work included Wentzel Baker, Sydney Anderson and son, and Arthur Baxland and John B. O'Brien. A number of friends here of Rev. John Cass, S.J., will attend the silver jubilee of his ordination to the priesthood in Charlottetown next Sunday August 2nd.

Quite a few from this vicinity motored to Lennox Island on Sunday for the celebration of St. Anne's. The parish priest there, Rev. Emmett McInnis comes from this vicinity.
