Georgetown and Vicinity

Mr. Gordon Kerr, Provincial Boy Scout Commissioner, was a business visitor to Georgetown on Tuesday, April 23rd.

Friends in Georgetown and throughout the Province will be interested to hear that Mr. Glen Wight of the Royal Trust Company of Montreal, has recently been transferred to his company's office in Calgary, Alberta.

Mr. John Batchelder left a few days ago for Pictou, N. S., where he will join his ship, the Charles A. Dunning.

Mr. and Mrs. Peardon Hamilton and son Everett, of Charlottetown, were recent visitors to Georgetown where they were guests at the home of Mr. and Mrs. George White.

Sparks from a flue ignited the dry shingles on the north roof of the Georgetown High School on Tuesday, April 22nd at about 4:00 p.m. The alarm was quickly sounded and a large crowd of citizens gathered. Several men ascended the roof and the blaze was quickly extinguished with buckets of water. The fire fighting equipment was quickly on the scene and the hose was used to saturate the roof to prevent further outbreaks. This is the third time that this section of the roof has caught. As the wooden shingles are old and very dry, no doubt steps will be taken soon to avert further outbreaks by covering the roof with asphalt shingles.

Island Priest Dies In Sask.

The sad news has been received here of the sudden death in Regina of Rev. Joseph Walsh, formerly of P. E. I., who has spent a number of years in the west.

Father Walsh was born in Elliotdale, P. E. I., a son of the late Mr. and Mrs. John Joseph Walsh, and attended St. Dunstan's University and St. Augustine Seminary in Guelph, and was ordained in May, 1931.

He served in parishes in Manor and Dysart, Sask., and for the last 11 years had been a parish priest of Sacred Heart Church, Regina.

Pontifical High Mass will be celebrated by the Archbishop of Regina on Saturday morning, April 26 in Regina, and the remains will be transferred to the old home- stead in Elliotdale, now occupied by Father Walsh's brother, Gerald, whence the funeral will be held. The funeral notice will be published at a later date.

Geo'town Can. Legion Monthly Meeting

The monthly meeting of the Georgetown Branch No. 16, Canadian Legion, B.E.S.L., was held in the Legion Hall on Monday, April 21st, with Branch President Rev. W. A. Paterson in the chair.

The first order of business was the reading of the minutes of the last meeting by the secretary Frank Lavandier, following which they were moved adopted. Comrade Raymond Lavandier was admitted to membership in the Georgetown Branch in an impressive ceremony, conducted by the president, W. A. Paterson, zone chairman J. W. Lavers, Sgt.-at-arms Lawrence Batchelder, and executive committee member W. J. Fitzgerald.

Correspondence was then read and dealt with, and it was decided to call a special meeting of the branch on Thursday, May 8th, at which it is expected that several members of the Provincial Command will be in attendance. Treasurer J. B. Scully presented the financial report, which was moved adopted. A lengthy discussion then took place on the question of operating the motion picture machine. It was finally decided that pictures would be run for a two month trial period.

A committee of five were appointed to make the necessary arrangements regarding the operating of the picture shows. A committee was appointed to attend the monthly meeting of the Ladies Auxiliary in connection with a supper for the members of the school girls and Boy Scout hockey teams.

IF YOU'RE GOING TO BUILD YOU CAN'T AFFORD TO BE WITHOUT TEN-TEST INSULATING SHEATHING. THE "SENSIBLE" INSULATION FOR ANY EXTERIOR FINISH BRICK • STUCCO • SIDING. It's good sense to use TEN/TEST Insulating Sheathing — Asphalt Coated both sides and edges to prevent moisture penetration — insulates efficiently and strengthens the walls in one application. 1. Save as much as one-third on application. Speedy installation lowers labor costs. 2. Save on waste by using all cut-off pieces with this modern sheathing! Large 4' x 8' and 4' x 9' panels are economical, easy to handle. 3. Save on fuel through strong, draft-free construction. 1" of TEN/TEST is equal to 3" of solid lumber in fuel-saving value. 4. Save valuable time! All panels are white-ruled at 16" nailing centres, to go up fast in any kind of weather. Ask your lumber and building supply dealer for samples and literature or write Dept.
