HOW THE OTHER HALF LIVES

It's a camera trick, of course, Steelers-Redskins pro grid game but it looks like the referee is in Washington. The pass was in- catching a pass thrown during tending for Steeler Jimmy Orr, on his knees at left as he is hit by Redskin defender.

Dale Long Rejects Offer To Peruse Cubs' Expenses

CHICAGO (AP) — Dale Long, who made baseball history with his bat in 1956, passed up a chance to make some more Monday.

He rejected Chicago Cubs' offer to peruse their operational expenses. For a player to have access to such figures is believed to be unprecedented in baseball.

The Cubs wanted to show Long, the club's player representative, that since 1925 salaries never have been below 20 per cent of the gross income and in many instances were more.

The bookkeeping department spent a week preparing an analysis five or six pages long of the breakdown in income and expenses over the last 33 seasons.

This was made, Vice-President John Holland explained, so the club itself could determine the percentage of the gross for players' paychecks. It was the result of major league players, through

Writers Salute Archie Moore

NEW YORK (AP) — Archie Moore yesterday felt like the guy who finally told off his boss.

The ageless light-heavyweight champion got it off his chest at a boxing luncheon when several writers congratulated him on his electrifying comeback victory over Yvon Durelle, his birthdays 42, 45, 49 Saturday, and for giving boxing a "great lift."

"Most of my career, when things were tough and I was getting my lumps, I always dreamed of day when boxing would feed me," said Archie. I guess my time came. But I don't hold any grudges. Things are going along fine. I'm going on that South American tour and then I've got that return fight with Durelle in Montreal in July."

Juniors And Tars Playing Tonight

The action in the Charlotte-town and District Hockey League resumes tonight at the Forum with Frank Roper's Navy Tars tackling Orin Carver's Garrison Juniors.

Both the Juniors and Navy possess the same record. Each has played one game and hasn't won a show for it. Buck Whitlock's Parkdale Royals trimmed both these squads but the margins of victory were not at all similar.

Royals had a mighty tough time edging the Juniors in the league opener. The league leaders managed a 6-5 verdict but penalties played a big part in the Royals slim margin.

However, Royals really hung on the Sailors, overpowering them 11-3 last Thursday night. But the big score doesn't tell the whole story of that game. It was a bitter battle for two periods with Royals holding a slim 3-2 lead as the third period got underway. Condition caught up with the Tars in the final 20 minutes.

Frank Roper, the Navy coach, is full of optimism for tonight's

Shepherd and Gerry Norman drew assists on the play.

Fourteen seconds past the half-way mark of the final period, Bud Stuard shot the winning goal with passes coming from defence-man Bill Tysht and Gavvin. Yvon Bellanger and Fred MacKay scored for the losers.

Charlie MacTavish turned in a stellar performance between the Miramichi pipes, blocking 35 shots, 15 in the first period. Jacques Monette stopped 34 shots in t. Bathurst goal.

Wednesday's game here between Moncton and the Beavers has been postponed until Friday night.

Referees Haining and Richard whistled down only two penalties in the first stanza, one to each club. The official called a brace of infractions in the middle period, both to Bathurst.

MacKay, a veteran Bathurst sharp-shooter, got the scoring underway at 16:17 of the first period when he whistled one past Mac-

Tavish on an unassisted effort. MacKay picked up the puck at lower left corner of the mesh. Less than a minute later Bellanger put the Papermakers into a 2-0 lead when he belted home a loose puck from a scramble in front of the Miramichi net.
