# Rangers Edge Black Hawks Bruins Down Red Wings

CHICAGO (AP)—Harry Howell's goal midway in the final period gave New York's high-flying Rangers a 3-2 National Hockey League victory over the Chicago Black Hawks at Chicago Stadium Sunday night.

The goal, a long shot, scooted through a batch of players. The victory moved the Rangers to within a game of the idle league-leading Montreal Canadiens.

The loss was the Hawks first in five games and dropped them into third place, 2½ games behind the New Yorkers.

New York took two early leads during the hard-fought battle only to see the Hawks' scoring star Ed Litzenberger tie the score each time.

Ex-Black Hawk Red Sullivan opened the scoring in the second period when he tipped in a long shot by another ex- Chicagoan Bill Gadsby.

**IN UNDER THE BELL**

Litzenberger hit a tying goal with only eight seconds remaining in the period.

Parker MacDonald put the Rangers ahead early in the final period, but once again Litzenberger was on hand to even it up with a tip-in of a long shot.

The winning Ranger goal by Howell came only 36 seconds later.

Marcel Paille was far the more active goalie. The youngster, playing only his second big league game with Rangers, was called on for 39 saves.

Glenn Hall, Chicago netminder, was forced to make 27 saves.

BOSTON (AP)—Boston, incited by the first local appearance of Detroit's Terry Sawchuk since he quit the Bruins last year, defeated the Red Wings 4-0 Sunday night to end strings of six losses and 135 scoreless minutes. Sawchuck made 48 saves but could not fully avert the barrage in the National Hockey League game.

Don Simmons, minder of the Bruins' nets, collected his first shutout of the season on 26 stops. However, Sawchuk drew the heavier duty following Saturday night's 43 saves at Montreal.

The Bruins wrapped up the decision in the first period with two goals against Sawchuk, who left them in mid-season a year ago because of what he termed a bad case of nerves. In the off season Detroit picked him up and it was winger Johnny Bucyk, acquired in that deal, who notched two assists for the Bruins Sunday night.

Larry Regan dug out the puck from fallen defenceman Al Arbour and fired a 10-foot angled slap shot that scored at 2:49 of the first period.

Bronco Horvath got the second at 13:10 on a Bucyk pass, when he fired from just in front of the crease.

Sawchuk made a save a minute in that hectic session. Horvath scored again at 19:05 of the second period on a 25-footer and Jerry Toppazzini closed it out at 2:46 of the finale.

Toppazzini also got an assist while Fleming Mackell contributed a pair of assists.

**Summary**

**First period:** 1. Boston, Regan Mackell, Toppazzini) 2:49; 2. Boston, Horvath (Bucyk) 13:10. Penalty: Bionda 15:22.

## Ibbotson Finished Season As World's Problem Runner

LONDON (AP) — Derek Ibbotson, the world's fastest miler, finished the track and field season as the world's problem athlete—the runner whose famous finishing kick had disappeared.

Experts claimed he had run himself into the ground after competing in 55 races of a mile or more in a season. Some said he never again would be the force he was last July when he set the world's mile record of 3:57.2.

His last race of the season was over a mile. He finished third in that race with a time of 4:08.8. Soon afterwards Britain's track officials, fearing the 25-year-old Yorkshireman was doing too much running, banned Ibbotson from making a winter tour of South Africa.

They want him to be in peak form for the Empire Games next July at Cardiff, Wales, and the European games the following month in Stockholm.

**ENJOYS RUNNING**

"The trouble is that I enjoy race. "Every time I wanted to run, I ing," Ibbotson told reporters, did. But I must confess that the travelling involved was tiring. Toward the end my old finishing burst just wasn't there any more when I came to switch it on."

But Ibbotson is the last runner in the world to think that he is fading as a first-class competitor. Looking ahead to next year, he said:

"I think I'll concentrate on the three miles. I believe I could win the Empire mile in Cardiff but the European 1,500 metres at Stockholm looks very tough—and I fancy my chances more in the 5,000 metres."

The decision to ban Ibbotson's South Africa tour upset the runner.

"I think it is because they (the Amateur Athletic Association) think I have been having too many races and also because I am doing cross-country running," he said.

"If it is because they think I have been doing too much running, then I shall drastically cut down. That way I shall make sure that any future invitation will not be turned down on that account. I have already told the British board that I am not entering serious cross country races."

## Thinks Suit Is Rather Drastic

MONTREAL (CP)—A veteran member of Detroit Red Wings said Saturday he thinks "rather drastic" the $3,000,000 monopoly suit filed against NHL club owners by the National Hockey League Players Association.

At the same time the player, who asked that his name be withheld, said he favors the basic idea of having an association. He said as far as he knows this is the general attitude among Detroit players.

He had been asked to comment on a published report here in the Montreal Star which says several Detroit players felt the law suit is "too drastic" though they apparently aren't considering withdrawing from the players association.

## Has Quit Commission

NEW YORK (AP)—The state athletic commission Friday announced the resignation of Dr. Vincent J. Nardiello, for many years a member of the commission's medical staff.

Commissioner Chairman Julius Helfand said Dr. Nardiello, 69, was resigning because of his health and that he also was relinquishing his private practice.

Dr. Nardiello suffered a heart attack about a year ago.

In 1953, the Boxing Writers Association of New York awarded the physician its James J. Walker memorial plaque for long and meritorious service to boxing.

# Queen Charlotte Ruggers Win 3-0

Captain Billy MacMillan returned to action Saturday after a two-game layoff with a knee injury, and led Queen Charlotte High School to a 3-0 victory over Queen Square School in the fourth game of their best-of-five series for the City rugby championship.

Queen Charlotte now leads the series 2-1 with one game tied, and they can win the series by getting a tie in the fifth game, which will be played Wednesday. A win for Queen Square in the fifth game will necessitate a sixth encounter to get a winner.

**A MUDDY FIELD**

Saturday's game was played on a muddy field, dotted with puddles of water, which combined to make running and ballhandling quite difficult. In spite of the adverse circumstances, however, both teams showed flashes of fine offensive work.

The only score of the game midway through the first half. Two penalty kicks in quick succession carried the play into the Queen Square end of the field, and following a set scrum, Don Kelly took a MacMillan pass and drove to the Queen Square 10-yard stripe.

On the next play, a two-man scrum setup, David Rogers fed a short pass to flying-quarter MacMillan, and he knifed over the line on the left hand side for the only try of the game. Donnie MacAusland's convert attempt from a tough angle with a wet ball was short.

Defensively, Jack Ready's black and gold-clad team held their line firm for the fourth consecutive game. Only two points have been scored against the Q.C.H.S. team this season, and they have been counted on a penalty kick, which accounted for Queen Square's 2-0 win in the third game.

Play was about even on the whole, with both sides taking turns at pressing their opponents' goal line. The poor footing and wet ball made for many fumbles, and as a result, play ranged from end to end at a fast pace.

Queen Square came close to scoring on several occasions, with MacDougall, Hayes and Burke drawing within a few feet of paydirt, but the Queen Charlotte line, which has not been crossed this season held firm.

Ray Malone, Frank Callaghan, Freddie Burke played fine defensive ball for Queen Square, stopping Q.C.H.S. runners time and again with their sharp tackling. For the winners, Frankie Dow was again a stout forward, and Dave Rogers, Billy MacMillan, Donnie MacAusland and Don Kelly starred in the backfield. Rogers played a steady game at scrum-half under difficult conditions.

Dr. Frank Jelks handled the officiating duties in his usual capable manner.

# Rough Riders Retain Hope For A First Place Finish

By THE CANADIAN PRESS

Ottawa Rough Riders retained their hopes Saturday for a first-place finish in the Big Four Football finish in the hammering out a 9-4 win over the league - leading Hamilton Tiger-Cats.

The victory before about 16,000 spectators in Ottawa clinched at least a second-place finish for the Rough Riders and choice of home grounds in the Big Four sudden-death semi-final against Montreal Alouettes Nov. 13.

Alouettes, league champions for the last three years, were upset 40-27 in Toronto by the Argos. They can do no better than third place and Argos are out of the playoff picture.

**FINISH ON TOP**

London Lords blanked Kitchener-Waterloo Dutchmen 18 - 0 in Kitchener to finish in first place in the ORFU senior series.

Halfback Jim Waddell, speedy import from California's Compton Junior College, equalled a modern Canada record as Sarnia Golden Bears walloped Toronto Beaches 56-0 in the final league game.

The loss was the 12th straight for the all-Canadian Beaches who went through the schedule without a victory. They scored only 36 points and had 570 scored against them.

**SIX TOUCHDOWNS**

The Bears who finished in third place with 13 points, meet the second-place Dutchmen in a sudden-death semi - final Wednesday night. The winner meets the Lords.

Waddell, a newcomer this year to Canadian football, equalled the six-touchdown mark set by Jackie Stewart of the old Hamilton Tigers in 1948 and matched by Lorne Benson of Winnipeg Blue Bombers in 1953.

In senior intercollegiate action, University of Western Ontario Mustangs moved closer to a championship with a 21-6 victory over Queen's Golden Gaels.

University of Toronto Blues upset McGill University 21 - 8 in Montreal.

Western, unbeaten this year, has only to win next Saturday's game against McGill to sew up top honors. If they lose they will get another chance in a sudden-death playoff.

**OTTAWA HAS EDGE**

Another victory for Ottawa over Ticats in the last scheduled game next Saturday a Hamilton would have be two teams tied for first place with 16 points each. Ticats now have a two-point bulge over the Riders who are four points up on Alouettes.

However, a first-place tie would be settled in Ottawa's favor, giving Riders a bye into the Big Four two-game total points final.

This is because Riders hold a 60-47 edge in total points for and against in their four games with Hamilton.

Quarterback Tom Dimitroff gave Riders a 6-0 lead in the first quarter with a one - yard touchdown plunge after Bob Simpson recovered Bernie Faloney's fumble on the Hamilton 10.

**ANOTHER INTERCEPTION**

Gary Schreider made it 9-0 in the second quarter with a field goal from five yards out. Simpson again set up the scoring drive after a pass interception on the Hamilton 44.

Steve Oneschuk kicked his team's four points—a single and a field goal.

The last-place Argonauts mixed to perfection a razzle-dazzle display of force in the form of onside and quick-kicks, double reverses, fake kicks, statue of liberty runs and third-down passes to bewilder the Montreal defence and score their third win in 13 games.

The defeat was the Alouettes' third straight.

**FINE GAME**

Homebrew quarterback Gerry Doucette turned in another fine game as he guided Argos' attack to five touchdowns, four of which were converted, and two field goals.

Doucette tossed two touchdown passes to end Pete O'Garro. Homebrew halfback Bobby Kuntz also scored two touchdowns. Gorky Tharp burst through the centre of the Montreal line for 69 yards and Argos' other touchdown. Vic Kraspanis converted four of the touchdowns and finished up with a 10 - point total with field goals of 26 and 27 yards.

Block - busting Pat Abbruzzi scored three of the Alouettes' four touchdowns with Hal Patterson getting the other.

The Argos, who go 29 first downs to Als' 33, had a big edge along the ground but in the air it was the reverse. Argos piled up 433 yards on ground plays to break the old record of 390 for yards rushing by a team in a single game, set by Montreal in a game against Toronto in 1955. The Alouettes only got 200 yards on the ground but completed 27 of 51 passes for 420 yards against 17 of 32 for 169 yards by Argos.

# Montreal Beats Red Wings 6-3

MONTREAL (CP)—Three goals late in the third period—two by Don Marshall in 44 seconds and another by Dickie Moore—swept Montreal Canadiens to a 6-3 win Saturday night over Detroit Red Wings.

The outburst climaxed a deluge of 49 shots Canadiens poured at goalie Terry Sawchuk throughout the game and rocked the hopeful Red Wings who had staged a two-goal uprising of their own in the same period.

Bernie (Boom Boom) Geoffrion scored two of Montreal's earlier goals and Henri (Pocket Rocket) Richard one. Billy Dea, rookie Don Poile and Alex Delvecchio counted for Detroit.

**SUMMARY**

**First period:** 1. Montreal, Geoffrion (Belliveau) 10:40. Penalties: Hollingworth 2:49, Belliveau 16:36.

TORONTO (CP)—Centre Eddie Litzenberger's desperate long shot with 27 seconds left gave Chicago Black Hawks a 3-3 draw with Toronto Maple Leafs in a National Hockey League game Saturday night.

The tie, watched by 13,032 fans, was the first for Leafs this season. The split in points strengthened Hawks' third place standing by giving them a 10-point total, two more than Detroit Red Wings and Boston Bruins, tied for fourth. Leafs moved to within a point of fourth place.

The game was fast throughout but sloppy in spots. Both teams, although they each scored once on ganging attacks, got little use of the one man advantage they enjoyed when the other team was penalized.

**SUMMARY**

**First period:** 1. Chicago, Bailey (Vasko) 3:51; 2. Toronto, Barry Cullen (Brian Cullen) 15:23. Penalties: Mahovlich 23; Sloan 4:47, Mickoski 14:48, Nesterenko 15:50.

SPORT RANGERS

NEW YORK (AP) — Marcel Paille, a stubby 24-year-old goalie playing his first game in the National Hockey League, produced a shutout as New York Rangers trounced the hapless Boston Bruins 5-0 at Madison Square Garden Saturday afternoon.

A television audience saw the Bruins suffer their sixth straight defeat while the Rangers solidified their hold on second place.

Paille, recalled from Providence of the American Hockey League to replace injured Gump Worsley, was sensational in the nets as he handled 23 shots flawlessly. Worsley was sidelined.

The cool youngster showed amazing dexterity under pressure and had plenty of help from his mates, who checked closely throughout the game.
