OUR NEWS BUDGET for OUR SATURDAY SUBSCRIBERS

MONDAY

Today marks the retirement of Mr. Aubrey Brown, who for the past 34 years has occupied the position of stamp yendor at the Charlottetown Post Office, giving him the longest service of any stamp vendor in the Dominion of Canada.

Mr. Brown who is now in his 83rd year started as stamp vendor in 1900 when there was one mail in and one mail out each day and there was no rural delivery or letter carrier service. During his 54 years behind the wicket, he has found the public invariably honest and courteous.

Mr. Brown himself was a pattern for the courteous employee to follow. Working from 8 a.m. to 7 p.m. he always had a cheery smile for his customers and he never tired of answering countless questions in the course of his business during the day.

In future the position will be occupied by a civil service employee who has not been chosen, while in the meantime the work will be carried on by the present Postal Clerks. Postmaster J. J. Connolly said yesterday that the office occupied by Mr. Brown would continue to be utilized as a stamp vending office as space in the main office was at a premium and a wicket could not be arranged in this area.

AMHERST, N. S., (Special) —A beautifully uniform sample of Bliss Triumphs won for Reid Underhay of Souris R.R. the title of Maritime Potato King 1954. It was the second year in a row that a red variety won the top ribbon of the fair. Pontiacs won last year. Harold Lewis of St. Peters won the reserve grand this year with his class winning sample of Katahdins.

Island showmen took top prizes in every seed class, in addition R. L. Burge of Five Houses won the class for table stock potatoes early and intermediate varieties. The class for late variety table stock went to J. B. Kaiser of Centreville, N. S. The only other potato class won by a non-Islander was the one for junior clubs and it went to S. Huntley of Canning, N. S.

The reputation of Island bacon was maintained at the Maritime Winter Fair at Amherst on Saturday when S. C. Stewart and Son, of Dunstaffnage, took first place for export bacon in the Swift's Challenge Trophy competition and the P.E.I. competition. Reserve Grand champion was Robert Raymond, Norton, N.B.; Charles Blankhorn of Athol won for Nova Scotia.

4-H CLUBS

Island 4-H club members who were prominent in the judging were Bradley Fay of East Baltic and Sterling MacRae, Brookfield. Both these boys acquitted themselves creditably at the Rural Youth Fair in Charlottetown this fall and by placing second in their respective classes won the right to compete at the larger Fair.

Bradley Fay won first prize for poultry judging while Sterling MacRae came first in the livestock judging.

Able Seaman, Vincent Buchanan son of Mr. and Mrs. W. D. Buchanan, Eldon, died on Friday evening, one hour after admission to the Pugwash Red Cross Hospital at Pugwish, N. S., from injuries received when a truck in which he was travelling with Able Seaman Donald Livingston, Hopefield, crashed into a tree when it failed to make a sharp turn in the highway.

The two sailors were making the trip to the Island for a visit with their parents when the accident occurred about 6 p.m. Both were stationed at Halifax and it is reported that the vehicle in which they were driving belonged to Livingstone who was admitted to the same hospital where he was treated for injuries to the face and head.

Four Urbanville school children who spent a rainy night lost in the woods were found early Saturday morning by searchers deep in the woods about three-quarters of a mile from Wellington.

Although wet and cold and a bit hungry, they suffered no other ill effects from their experience, and at the time of their discovery were following the sound of the fire siren at Wellington which had been kept going to serve as a directional guide, both for the lost children, and for the men who took part in the search.

When overtaken by rain and darkness the two boys built a makeshift shelter of bows under which the four children spent the night.

They were discovered by two members of a large search party, William Arsenault and Ralph Arsenault, who provided the hungry children with sandwiches, and fired several shots signalling to the other searchers that the children had been found.

TUESDAY

AMHERST, N. S., (Special) — Prince Edward Island horses dominated the showing of standard bred horses at the Maritime Winter Fair Monday. An Island horse also topped a "half Arab" class and placed fourth in a hunter competition.

R. S. Humphrey of Kensington and George A. Callbeck of Summerside were the main winners among the standard breds Humphrey took the class for mare with foal at foot with Paglia Frisco and J. C. Clegg. Paglia Frisco is out of Monan, the great standard bred show mare that won so many times at Amherst for Mr. Humphrey before age caught up with her. She is sired by Pagliacci. The foal is sired by Abner T. Clegg. The little fellow also topped the foal class for Mr. Humphrey.

John Stewart, about 50 years of age, no fixed address, was found in an injured condition in the ditch of the St. Peters Road opposite S. R. Johnston's garage about 8.05 last night, by Bill Matheson an employee of Johnston's.

R.C.M.P. reported that the injured man told Mr. Matheson that he had been lying there for about a half an hour, after he had been hit by a passing motor vehicle. He could give no description of the car that hit him.

Police took the injured man to the Prince Edward Island Hospital where his injuries were disclosed to be a broken arm, a broken leg and a bruised shoulder Police are investigating the incident.

—Mr. J. Watson MacNaught, M. P., parliamentary assistant to the Minister of Fisheries announced yesterday morning that authority had been received to construct a new railway station at Miscouche.

Mr. MacNaught said that authorization had been received through an official of the C. N. R. and that work will commence as soon as materials now on order have been received. The Miscouche station was destroyed by fire over a year ago and a railway car has been used since that time as a temporary station.—S

—An absence of any serious acts of vandalism on Hallowe'en was reported last night by Summerside police. Several cases of windows being broken, either intentionally or otherwise, were reported but the authorities said that on the whole a quiet observance of the evening was enjoyed.

This can be attributed in a great measure to the annual party sponsored by the Kinsmen Club of Summerside and staged this year in the Curling Rink. Here, with the genial master of ceremonies, Maurice Mill acting as host, the kiddies were treated to a program which met with their wholehearted approval and at the conclusion each child was presented with a bag of treats after which they proceeded homeward in a quiet and orderly manner.

WEDNESDAY

AMHERST, N.S. (Special) — Island sheep breeders were top winners in Oxford Downs, Leicester and Cheviots at the Maritime Winter Fair today as H. Lyle Boswall of Marshfield had the grand champion female and reserve and the reserve grand champion male in Oxford Downs. He cleaned up all the top places in the females and had strong placings in the males along with one winner. Top winner in the males was W. Ballantyne of New Glasgow. In the Cheviots Almon Boswall and Winston Stewart were the top men for P. E. Island. Boswall took the male grand championship and the grand and reserve in the female in Border Cheviots. He topped just about every female class and had several of the runner up positions also in females.

AMHERST, N. S.—(Special)—Cattle shown by A. MacRae and Son of Central Royalty dominated the show in the Ayrshire ring in the Bailey Arena here Wednesday at the Maritime Winter Fair. Their Fairvue Fashion Duchess won the senior and grand female championship for the Island cattlemen. This gives the MacRae's a clean sweep of the senior and grand championships in Ayrshires here this year. Tuesday they took the senior and grand male championship with Fairview Fashion Clansman.

Wednesday they showed Clansman, Duchess and one other cow Blackaddar Miss Fashion, to win the senior get of sire almost automatically. The judge took one look at the two grand champions of the show and the other a prize cow in the class for cows five years or over dry and moved the entry to the head of the class. It was the get of Glengarry Bit o'Fashion. Another Glengarry get was in second place for S. C Oland, Linwood Farms, Bedford, N. S.

An alternative to the present Potato Marketing scheme was proposed last night by the Potato Dealers Association at a meeting held in Summerside. The suggestion was advanced in the event that the November 10 plebiscite indicated the growers did not wish continuance of the present Board.

The alternative proposes incorporation of the Potato Dealers Association and the formation of a Province-wide organization of the growers. It is further proposed that a new Potato Board for the Province be formed from the executives of both groups with the growers providing the larger number. The new Board would have power to decide who might sell and purchase in quantity lots; raise necessary funds; isue a daily market report, arrange for publicity; and other necessary functions.

The proposed alternative was outlined by Mr. R. L. Burge, president of the P.E.I. Potato Dealers Association, speaking to an audience of upwards of 100 persons at a meeting in Summerside.

AMHERST, N.S. — (Special) — George A. Callbeck of Summerside showed the grand championship platinum fox of the show at the Maritime Winter Fair and E. T. Mills of Kensington showed the reserve champion. Robert Coughlin of Summerside showed the reserve champion pearl platinum.

Veteran showmen here said the prizes were more widely distributed than at any other show in recent years with keen competition prevailing and nobody winning a major share of the prizes.

—Nominations are being called for the position of mayor and those of ward councillors in the Slemon Park PMQ Community Council at the RCAF Station Summerside. At a recent meeting the pioneer committee appointed by the commanding officer obtained approval of the organization and plans for activation of the council from representatives of the various social, religious, educational, recreational and youth organizations in PMQ's.

It was announced that Slemon Park will be divided ihto eight wards on a roughly geographic basis. These wards will be represented by a total of 11 councillors, some wards being represented by two councillors, because of their size and the number of families. Nomination slips are to be distributed on Friday evening, November 12 and all householders of married status in Slemon Park are being requested to submit a nomination for mayor, as well as one nomination each for as many councillors as are to represent their ward.

THURSDAY

AMHERST, N. S. — (Special)— Prince Edward Island swine breeders cleaned up in the hog classes at the Maritime Winter Fair.

Roland Paynter of French River took four animals to the show and took five championships and four first placings. He also had one lesser placing. Mr. Paynter won the senior and grand male championsips, the senior and grand female championsips and also took one reserve championship.

Allison and Wilfred Stewart, showing under the name of S. C Stewart and Son, had seven first ribbons, six seconds, five thirds, as many fourths, two fifths and two sixths, they won both junior male and junior female championships.

Almon Boswall and Son of Dunstaffnage won five reserve championships and both reserve grand championsip ribbons. They also had five firsts, the same number of seconds, three thirds, one fourth and four fifth placings.

AMHERST, N. S., (Special)— An outstanding victory in the Ayrshire ring by a fifteen-year old cow and an upset defeat of a Royal Winter Fair grand champion in the Jersey ring were features of the dairy show here Tuesday at the Maritime Winter Fair.

The Ayrshire veteran of the show ring is Lealands Royal Victoria, owned and shown by Keith Boswell and Son of Victoria, P. E. I. This fine old cow topped a very strong class at the close of the day and earned some very favorable comment from judge, S. Wyman MacKechnie of Wyman, Quebec. He said she was a splendid cow with a good top despite her years. She has tremendous depth, good balance and a good udder, Mr. MacKechnie observed.

The old cow, due to calve one of these days, is carrying the service of Pineview Treasurer, a son of Auchenbrain Battleflame, a Royal Winter Fair champion of two years ago.

—The hearing of two fisheries cases was continued in county magistrates court in Summerside last evening before Magistrate R. S. Hinton, Q.C., resulting in a Tignish man being fined $8 and costs for unlawfully retaining eight short lobsters out of a catch of 247. The charge was laid by fisheries officers last May 4th.

Another party from Tignish charged with a similar offence had his case adjourned until Dec. 3. Evidence given in this case revealed that 2108 lobsters were seized last June 19th by fisheries officers in a building at North Cape, of which 900 were live, 600 cooked and 608 partly cooked. It was also revealed that of several hundred lobsters measured by the officers, all were short of the legal limit.

Twenty-one fisheries cases that are pending were adjourned until Friday, Nov. 5. —S.

—A Meteor car and a tractor-trailer were in collision last evening at the corner of Water and Central Streets in Summerside resulting in slight injury to the tractor driver, Mr. Herman Pauptit of Sherbrooke. Both vehicles were proceeding east on Water Street when the Meteor car driven by Mr. Ernest Gallant of St. Eleanors collided with the rear of the trailer as the tractor-trailer attempted to turn up Central Street, jacknifing the tractor-trailer and throwing Mr. Pauptit to the street. The tractor came to a halt against an electric power pole and turned over on its top. Both front wheels of the tractor were sheared off.

Mr. Pauptit was treated for bruises and shock by Dr. Henry Moyse and then taken to his home in Sherbrooke. Mr. Gallant's car suffered some damage in front.—S.

FRIDAY

—Following vocal interruptions by Messrs William Pound of Hazel Grove and John Dawson of Albany, a disturbance which threatened the continuation of a meeting in connection with the Potato Marketing Board at Kensington last night occurred as chairman Louis O'Connor of Clinton defended himself when a young man rushed at him from the audience after Mr. O'Connor told Mr. Pound he would have to abide by the rules of order or leave the hall.

Before accepting chairmanship of the meeting Mr. O'Connor obtained the unanimous agreement of the audience of 250 people, to maintain order and not interrupt any speaker. He promised a fair hearing to anyone who wished to ask questions, take part in discussion, or speak for or against the board.

In the disturbance which occurred, order was restored through the earnest appeals of Messrs Louis O'Connor, James Saunders, Austin Pendergast, and Austin Scales.

The young man announced that he was satisfied to forget the whole thing and the remainder of the meeting was conducted in a spirit of complete order throughout.

Speaking for the Marketing Board, Messrs. Donald A. MacDonald and Leo MacIsaac outlined the policies proposed by the board, and answered questions asked from the audience.

The R.C.A.F. Station at Summerside will be a hive of activity for the next few days with visits from Air Cadet squadrons and high officials. This morning Commodore W. L. M. Brown, D.S.O. O.B.E., D.S.C., Assistant Chief of Naval Staff (Air) in the Royal Navy, will visit the station as part of his tour of naval and air establishments in Eastern Canada.
