EMULSIONS

are aqueous liquid preparations in which oily or resinous liquids are suspended by the agency of gummy or viscid substances.

In Johnson's Emulsion

the liquid is found on examination to consist of innumerable globules of Cod Liver Oil, each one completely enveloped in a thin coating of mucilage.

A perfect Emulsion has every oil globule surrounded by an adhesive envelope of mucilage, thus completely covering the taste of the oil.

That is one reason why children like our Emulsion. The taste of the oil is "not in it," but instead—the agreeable creamy taste, they know so well.

MEETING OF PRESBYTERY.

The Presbytery of Prince Edward Island met yesterday in the hall of Zion Church, and was constituted by the Moderator Mr. John Sutherland, with whom were present a goodly number of clergymen and laymen.

After routine, Mr. John Gillis was elected Moderator, and Mr. Fullerton Clerk, for the ensuing six months.

The Clerk reported that a sum sufficient to meet the eight per cent. deduction on the augmentation grants of last year had been contributed by congregations within the bounds.

The committee appointed to visit Richmond Bay, east and west, reported that Mr. Wm. McLeod had been appointed to labour in the united congregations during the winter months.

In response to an application made by Mr. John A. Lawson leave was granted to the congregation of St. James' church Charlottetown, to obtain from the "House of Assembly" specified changes in the Act of Incorporation.

The resignation of Mr. W. A. Mason of the pastoral change of Georgetown was read, and was laid on the table, the session and congregation meanwhile being cited to appear for their interests at the next adjourned meeting.

The report of Mr. Valentine, lately missionary at West Cape, etc., was read, and Mr. McDonald, late interim moderator of the session, was instructed to look after the interests of the congregation until supply could be sent.

Messrs. Sutherland and Spencer were appointed a committee to examine the session record of the Cavendish congregation.

After disposing of some matters relative to the Strathalbyn congregation, the Presbytery resolved in connection with the General Assembly's Remits as follows:—

(a) In re representation to General Assembly; that it be reduced from one-fourth to one-sixth.

(b) In re assembly meeting place: that arrangements continue as a present.

D. C. S.—Annual general meeting in St. Paul's schoolroom, this evening, at half-past seven.

A GREAT SUCCESS.—The entertainment in St. James Hall last evening was a decided success. The programme published yesterday was carried out in a splendid manner, and in addition Mr. Scott, of Montreal, gave a vocal solo in excellent voice. The literary and musical feast was thoroughly appreciated by the large audience present. We regret that we have not space today for a more extended report, and must close by congratulating all concerned in the entertainment upon the success which attended it.

PIE SOCIAL.—One evening last week the Ladies' Aid Society in connection with Annandale Baptist Church held a very enjoyable pie social at the residence of John Howlett, Esq. Members and adherents of the Church attended, nearly every family in the neighborhood being fully represented. Music, vocal and instrumental, was freely indulged in. The sale of pies was conducted by John Nichols, Esq, in his usual pleasing and energetic manner. Over $20 were realized. The ladies who had charge of this Social did their work well; all present felt at the close it was good to be there.

DIED.

At Souris, on the 1st inst, after a long illness borne with patience and resignation, George Garrett, aged 24 years. The deceased was a young man of unblemished character, a dutiful son and affectionate brother. Much sympathy is felt for his widowed mother, who has been so frequently bereaved by death the last few years.

LOCAL NOTICES.

Wanted Immediately.—A photograph of the man or woman who said we were always busy when other stores on the square were empty. We can tell him that we do not come back ourselves or bring all our clerks back when other stores are closed to cut up badly bought goods into remnants. The reasons are, 1st we mark our goods so cheap that they sell in the piece quickly 2nd we do not buy twice as much goods as we can sell; 3rd, we have not got the largest store on the Island or the largest expense, but we do the largest business; 4th, we know and mind our own business and give all our competitors a chance to do the same; 5th, we would not be mad and jealous to see our friends on the Square doing twice the business we are doing; 6th, we carry the largest, best, and cheapest assortment of hats, carpets, and clothing in the city—Prowse Bro's.
