MERCURY MONTEREY CUSTOM COUPE

MERCURY

...a smooth performer steps ahead with great new POWER FEATURES!

Beautiful Mercury—so completely powered. Drive Mercury. As each mile flows by Mercury's livelier performance, easier handling, smoother riding and safer stopping will stir your enthusiasm. You'll revel in the eager response of its smooth engine—V-8 of course! You'll admire Mercury POWER STEERING*. It frees you from the "work" of steering. MERCURY POWER BRAKES* provide twice-as-easy straight-line stopping. You'll marvel at Mercury's 4-WAY POWER SEAT*. It adjusts at a touch, to your most comfortable driving positions.

V-8 as always!

MERCURY'S great new POWER FEATURES bring new driving pleasure and safety

Mercury POWER STEERING now available on all models keeps the feet-off-the-road—you know you're safe—in full command of the car regardless of road conditions. Hydraulic "muscles" make steering 3 times easier. Lets you park in the tight spots with ease.

All-new optional POWER BRAKES require little more than accelerator pressure. The weight of your foot holds car on a hill. Straight-line stopping is up to 50% easier—faster, too. Closer pedal permits quick changing from gas pedal to brake.

Mercury POWER SEAT, now optional on all models. It adjusts four ways to provide your "just right" position. Simply press a button to move seat up or down, forward or back for the position from which you can drive the easiest.

There's no clutch—no gear shifting—Merc-O-Matic is fully automatic. To go, set lever and step on gas. It gives instant, smooth power response. There's positive, safe control on curves. Merc-O-Matic Drive is available on all models. *Optional at extra cost.

VOCATIONAL SCHOOL

The Vocational School, located in Charlottetown and operated jointly by the Federal and Provincial Governments, opens for the fall term on Tuesday, September 8 at 1:30 p. m. Students entering day courses are requested to present themselves at that time for registration.

In previous years there were two dates on which students might enter the day courses, namely: September 1 and November 1. This year however the School is endeavouring to have all day students commence their courses on September 8 and any students requiring time off to assist in harvesting operations at their homes may secure the necessary time.

Night Classes will commence on October 5.

Persons Interested in attending any of the day or night courses are invited to write the Director, Vocational School, Charlottetown for application forms and any information or assistance which may be required.
