

**By Authority.**

COUNCIL OFFICE, Tuesday, 16th November, 1847.

At a Meeting of the Council,

PRESENT:

His Excellency the **LIEUTENANT GOVERNOR**;  
 The Hon. Col. Lane, The Hon. Mr. McDonald,  
 Mr. Haviland, Mr. Hensley,  
 Mr. Attorney General, Mr. Coles,  
 Mr. Goodman, Mr. Holl.

His Excellency laid before the Board "a Memorial of several Bakers, and others, interested in the supply of food to the Inhabitants of the Island," setting forth:

"That during the last Session of the Legislature an order passed for the relinquishment of the duty on Flour for the season; which was on Colonial Flour at that time, two shillings and sixpence per barrel.

"That it has pleased Providence this season to visit the Island with a less abundant crop than the former, consequently a greater necessity exists of abandoning the present duty, when it is considered that with a greater scarcity, the duty of eight shillings and sixpence is imposed.

"Your Memorialists therefore humbly pray that your Excellency in Council will be pleased to take upon yourselves the responsibility of removing the duty of eight shillings and sixpence per barrel on Flour, or guarantee to those who may import Flour before the meeting of the Legislature, the return of the duties paid by them, after such an order in Council may have passed, when the Legislature shall have rescinded the duty in the forthcoming Session."

His Excellency also laid before the Board a guarantee subscribed by several Members of the House of Assembly, undertaking, by their individual votes, to support a grant when in Supply, for the remission of the duty upon Flour, which may be imported after the date of an Order in Council, acceding to the prayer of the foregoing Memorial.

Whereupon the Board expressed its opinion, that as the Revenue Law of the Island does not empower the Executive Government to suspend its operation in any particular, the Board regrets its inability to advise His Excellency to comply with the prayer of the Memorialists. More especially as the power which His Excellency is now called upon to exercise, has been refused, by the rejection of a Bill in the House of Assembly passed by the Legislative Council in the Session of 1846, conferring on the Lieutenant Governor in Council the power "to suspend the duties upon the importation of all Bread stuffs and provisions," in cases of urgent necessity.
