**THE RIGHTS OF WOMEN.**—At the Michigan conference of the Methodist Episcopal church held in Ann Arbor last month, the right of women to sit and speak in favor of, was granted by a vote of 145 in favor of, to 3 opposed. The assembly, in fact, in 1888, was hailed with derision. The announcement of its adoption on September 14, 1895, was received with applause. So write a correspondent.

**SHEEP DOGS AT CORNWALL.**—We learn that a number of valuable sheep owned by Mr. John Felton, of Cornwall, were last night or early this morning killed and worried by dogs. The owner followed the trails of the dogs, for some distance, but so far has been unable to locate them. It is really too bad that valuable sheep are repeatedly killed by these ferocious dogs and no effort made to exterminate them.

**A SERIOUS ACCIDENT.**—The Summerside Pioneer says: Mr. John P. Armitage, up to a few days ago a clerk in B. T. Hogman's store, met with an accident at Point Bay on Friday. He was handling a gun with the result that it burst and some of the fingers of his left hand were severed. He was brought to Dr. J. F. McElliott, who, with the assistance of Dr. McPhail, dressed the wound. The finger next to the little one had to be taken off at the second joint. The one next to it was somewhat broken but after examination the doctors thought it could be saved.

**CITY SCHOOL BOARD.**—The regular meeting of the School Board was held last evening. The reports from the various schools show the monthly enrollment to be 1,737-779 boys and 552 girls. The percentage of attendance was 92, and in Queen Square 86 and West Kent 86. Miss Lilian Robertson was appointed a teacher in West Kent Street School, the appointment to take effect on the 1st of January next. The matter of having two daily sessions in the schools, instead of one as at present, was discussed at some length, and the Board decided to make the change at an early date.

**PROVINCIALISTS RETURNING.**—The Boston correspondent of the Sun writes: Large numbers of provincialists are returning to the provinces, many of them having completed work for the season in the agricultural districts of the state. Most of the young men who have come up from the provinces and Maine within the past year or two have hired out on farms at from \$20 to \$30 per month. As it is almost impossible to get work at a trade steadily here, the majority of those who leave the farm at the end of the season return home. Outside of farm employment it is very difficult to get a paying position at other work. The young women find it easier to get employment than the men, although there is no scarcity of either female or male applicants for employment just now.

**FRATERNAL VISIT AND ENTERTAINMENT.**—The members of May's West Division paid a fraternal visit to their brothers and sisters in York on Monday evening, the 7th inst., and participated, with some of their very best talent, in a very enjoyable and highly intellectual entertainment, consisting of songs, music, readings, recitations and speeches, along with some numbers of York. After a few formal proceedings, the entertainment opened with Mr. Alfred Stewart in the chair. The programme was an exceptionally good one, and was carried out with the satisfaction and enjoyment of all present. The recitations of Messrs. Lewis, Stewart, Munro and Miss Chouven, were exceptionally well rendered and highly applauded, and the readings of Messrs. Bonner and Lewis were executed in the very best style, and listened to with rapt attention. The instrumental duets by Mr. Harry Morris and Miss Bertie Lewis, and the instrumental solo by Miss Crosby were perfectly delicious and highly entertaining to the ears of their listeners.

Miss Ben-Olie will give a Bible reading to night at 8 o'clock in the Baptist church. The subject will be the "Second Coming of Christ in reference to the Jews." To-morrow afternoon at half-past three she will address a public meeting in the school-room of the First Methodist church, her subject being "The Daughters of America."

**REMOVAL.**—Mr. John T. Mackenzie, merchant tailor, has removed his place of business to more commodious quarters, having leased the shop and premises on Queen Street lately occupied by W. B. Robertson. The entire premises have been thoroughly renovated and put in excellent shape. The main store has been fitted up with shelves and tables, with a neatly arranged and convenient office, and the painting and decorating of the interior is complete. The new place is centrally located, the cutting room is in the rear of the store and the work-room up stairs. The painting and decorating was done by Mr. A. H. Trainor, and the carpenter work by Messrs. Parkman and Crabbe. Mark Wright supplied the tables and office fittings and furniture.

**Honest Dealing!**  
**PROTECTION**  
**To the Public!**

Several of our competitors, who call themselves honest men, are again engaged in a war of prices. We are unable to see how it is right to sell goods at one price today and a much higher or lower price the next day. We believe it is a dishonest practice. We believe they are not acting honorably to the public.

Our stock is fresh, clean, new, and worth what we ask for it. It is good value. But whatever happens, we will not allow others to undersell us; and to our customers who have so generously patronized us we now give the assurance that we will meet all cut prices by other firms.

**THE WORLD OF SPORT.**

**The Wheel.**  
Williamson, of Niagara Falls, broke the 25 mile record in the French road race at Rochester, N. Y., on Friday, covering the distance in 1.06 3/4, one minute and 13 seconds better than ever made.

Halifax advices state that D. Hollis won the time prize and club championship for the third time in succession in the Ranelagh annual nine miles road race at Bedford on Saturday. Time 26 minutes 58 seconds, which is 1 minute and 32 seconds better than the record made by himself two years ago. Three other competitors broke records. G. H. Foster was second.

Some strict Connecticut Sabbatarians have for several weeks been scattering tracts early on Sunday mornings over the new bicycle path made from Meriden to North Haven, with the design of discouraging bicyclists from breaking the Sabbath by riding. In many cases washers have been flung to the tacks in order to make them stand upright and render them more certain to puncture a pneumatic tire. Every Sunday several bicyclists have had their machines disabled, as many as eight such casualties being noted in one day, and they are talking of organizing a vigilance committee.

**The Turf.**  
At Terra Haute, Ind., on Friday, five heats in the 2 1/4 mile were made in an average of 2.09 1/5, by Nightingale and Onoga. This is a world's record for five successive heats in a trotting race. W. W. P. went a mile to wagon in 2.09 1/4, which lowered the world's pacing record four and a quarter seconds.

E. LeBoi Willis is negotiating with parties in Maine to get a couple of very fast horses to come to St. John to trot an exhibition race with Special Blend. It is said that he will endeavor to get Ervin M. Auld, Silvershoe, and other fast horses.

The races at Eastport to-day and to-morrow will probably attract a large gathering. To-day there will be three minute race, purse \$175; 2.25 trot and pace, purse \$175. To-morrow, 2.25 trot and pace, purse \$200; free-for-all, purse \$350. Nelson, 2.09 will be driven an exhibition mile by his owner.

Nothing less Excellent, Please.

The public, having proved the superior properties of Wilson's Invalid Port Wine certainly do not want anything inferior to that unique article. One does not willingly go back to coal oil from electric light. Wilson's Invalid Port has made thousands of patrons by merit alone. Invalids need something to stimulate and nourish, something that will make them hopeful, and buoyant, making them feel that they are gaining strength, and that they have a lease of happy life still before them. This is exactly what Wilson's Invalid Port does. It is a fine old wine and extremely pleasant to taste, but with one taste, it does more than produce a stimulating effect. It is a blood maker. It is a renewer of strength. Sold by all dealers at \$7.50 per case of 12 quart bottles, half case \$4.00 and 75 cents per bottle. Address: Bordeaux Claret Co., 30 Hospital Street, Montreal. Oct. 8, 246.

Hot weather proves depressing to those whose blood is poor. Such people should enrich their blood with Hood's Sarsaparilla.

**THE GREAT STORM!**

The great ruthless Boreal Tornado of Cutthroat Prices has again struck our town, leaving devastation in its track and shaking the foundation of business to its very centre. The storm seems to have reached its fury in the vicinity of Market Square, where war has been declared and knives drawn, But amidst the gathering gloom the Bargain Corner sails proudly on, the colors of lowest prices flying at the mast head, riding out the gale. These colors we have never struck, and never will, while a plank of the old ship remains above water.

Our Readymade Clothing, Hats and Caps, Trunks and Valises, Underwear and Shirts cannot be undersold, and for quality, quantity and style are unsurpassed in the city. See our prices before you buy elsewhere.

**HIS COURAGE TESTED—HE HELD THE FORT.**

Sheriff Robertson has a Rough Time at Murray Harbor Road.

Sheriff Robertson and bailiffs McKinnon and Hurry had a lively time at Murray Harbor Road yesterday. It seems that three or four to that place, armed with the authority of the Queen's writ, to seize the property of one John McDonald (Susan for the amount of an execution, and it is in connection with an attempted seizure that the scrimmage arose. When the officers of the law arrived at McDonald's to use the sheriff was told by one of the women present that McDonald was not at home. But the officers did not allow this to interfere with their duty, and proceeded with the discharge of their duties, and proceeded with the seizure.

They had not gone very far, however, before they were interfered with by the women, present, viz., two sisters of John Donald's and his mother. The three, it is said, threw stones, hoes and axes at the Sheriff and his aids, and finally, so the Sheriff says, one of the sisters produced a gun which she threatened to use. McDonald's mother who sits at the head of the table—by 11:30 time appeared on the scene and took a hand in the melee.

The Sheriff and his officers were having a decidedly hot time of it, and the former pulled out his revolver and fired at the man in the moon, but without fatal results. This action, however, frightened the attacking party, and McDonald beat a retreat, intending to invoke the aid of the law. Then the Sheriff proceeded with a broken hat rim, but otherwise uninjured beyond the shock to his nervous system, to finish the execution of the writ, which had been somewhat suspended.

After the removal of the goods to the neighbor's house the Sheriff proceeded with his horse, Sheriff Robertson and his two bailiffs, McKinnon and Hurry, set out on their return to Charlottetown, where they duly arrived last night with their nervous systems fully restored. Mr. McDonald, the party against whom the execution was issued, is also in the city and is endeavoring to start the law in motion against his tormentors. He says the end is not yet.

**CHILDREN'S DAY**  
With Vernon River South Methodist Congregation

An open session of the Sunday School was held at 10.30 a. m., on Sunday, Sept. 29th ult., at which the pastor, Rev. John Goldsmith, conducted a review of the quarter's work. The scholars showed that they had had a thorough drilling upon the previous twelve lessons, and had obtained an intelligent knowledge of the meaning and scope of those portions of Scripture. Several hymns were heartily sung by the scholars, and a short address was delivered by the pastor.

At 6.30 p. m. so large a congregation assembled that many had to remain outside during the whole of the service. The service, which was varied and extensive, was rendered to the entire satisfaction of the audience. "The best children's service we have ever had," was the comment freely made as the congregation dispersed. An address by the pastor on "the duty of the congregation toward the Sunday School," was listened to with great attention throughout. Appropriate recitations were well given by the Misses D. Weatherly, Annie Lea, Maggie Furness, and Annie Weatherly, and Masters Everett, Matthew and Frank Lea, and Milton Furness, and a dialogue by Masters Everett and Matthew Lea. Several choruses were fluently rendered by the choir, a duet was effectively given by Mrs. Hayden Vanderstine and Mr. Lemuel Hayden, and solos were beautifully rendered by Mrs. Hayden and Miss Lizzie Van Idersdine, Miss May Hayden, to whose patience and skill, as shown by the choir, a duet was effectively given by Mrs. Hayden Vanderstine and Miss Lea, for one selection each.

Liberal collections were taken up in aid of the funds of the School.

Vernon River Bridge, Oct. 5.

Don't forget the races at Souris tomorrow. There are good fields of entries in each of the classes.
