Saints Set To Go

Island hockey fans will get their first look at the 1964 edition of the St. Dunstan's Varsity hockey aggregation when the John Kane coached squad envade the Charlottetown Forum for an exhibition encounter with Sandy's Royals.

The Red and White forces have been working out for approximately two weeks and Kane has got his lineup, for the coming season pretty well settled. This columnist thinks that if the Saints are ever to nail down the Maritime Intercollegiate championship that this is the year it has to be done; because we can't remember when a St. Dunstan's team was blessed with some many top notch hockey players.

The first line has Andre Gelinas at centre ice between Dennis DeCarufel and Billy MacMillan. Gelinas is a graduate from last year's junior varsity team and this will be his first year in the M.I.H.L. DeCarufel is a second year man with the Kanemen and MacMillan needs no introduction to Island hockey fans.

On the second string Mike Kelly, of baseball fame, will will be inserted at the pivot spot with Maurice Roy of Campbelton, N.B. and Charlottetown's Rex MacCarville on the wings. The third line will have George MacMillan, Bill's young brother, at centre; Gordie Whitcok on the port side and 'speedy' George Monaghan patrolling the right wing position. Charlottetown's Jack Hynes will be used as a utility forward.

All - Star Vince Mulligan and Darell Pollock, Campbelton, N.B. head up the defence corps for the Red and White team with two Shawinigan Falls lads in Arthur LeClair and Yvon St. Arnaut being the second string defence unit. Montague's Ken Hughes will be the fifth defenceman.

The only problem that Coach Kane appears to be mulling over is who will get the nod for the start between the pipes. John has three potential goaltenders, but it is believed that Summerside's George McNeill has the inside track. The Saints will get their first taste of competition tonight when they are pitted against Sandy's Royal at the Forum.

The Royals have not yet released their lineup, but they should provide some good competition for the boys from the hill. Angus 'Angie' Carroll will be back in harness for the Frizzellites and 'Angie' will be playing coach for this season. Other former Royals who will be going against the Saints tonight will likely include; Allan 'Smelt' Gillis, back from a year with the Moncton Hawks; Ralph 'Farmer' Josey, who is making a comeback after a year's layoff; Junior MacLeod, Dick Carroll, Dave Lawlor, and rookie Mike MacKinnon. Earl Wood will likely line up with Sandy's outfit for tonight's battle, and Wood should be a good shot in the arm to Sandy's defence corps.

Gereard Smith who stopped a loc of rubber for the Saints in last years intercollegiate campaign will probably get the start in the Royals net tonight. Lyman McInnis has also been working out with the club. Action gets underway at 8.30 and this should be an interesting contest. These same two teams will battle again on Saturday afternoon at the local college.

Tid Bits From Here And There

The following is a list of time and places for the major curling bonspiels to be held on the Island this year: British Consul, Charlottetown Curling Club, February 8-12; Mixed Bonspiel, Summerside, February 23-27; Canadian Legion Bonspiel, Belvedere Club, February 15-18; Senior Bonspiel, Charlottetown Club, January 28-30; Junior Bonspiel, Montague, March 4-6; Schooll Boy Championships, Belvedere, January 28-30; Central Creamerie Spiel, Alberton, March 11-13.

We read where a fellow columnist thinks that there are a lot of anti-Crozier fans around who are just waiting for the little goalie to fall to pieces so they can utter their "I told you so's" Well, we just can't conceive of any goalie, no matter how good he is, playing "Kitty bar the door" for a whole season when he hasn't got a top notch NHL team in front of him and we still maintain that we don't think Detroit is such a team. In regard to Plante's remarks on the Detroit netminder, we feel he is entitled to these as he came up the hard way himself. Jake battled everything from severe attacks of asthma to constant criticism from the fans. Plante is still fighting for his job in the NHL despite so many top notch performances and just two nights ago he turned in a remarkable performance to limit the high flying Wings to one marker and give his teammates a 2-1 victory. In the hockey wars they say a good cub wins the close ones and the Blue bounced back to top the Detroit representative 5-1 on Tuesday after having taken a 6-2 drubbing from the same team on Sunday.

Cookie Gilchrist is at it again. The Buffalo Bill put the big aggressive fullback on waivers Tuesday and he is having a banner season with all indications that he will be selected to the All-Star team in the American Football League. This will mark the fifth time in his 11 years in pro football that he has been fired from a team while having a wail of a season. Cookie seems to be having trouble obeying club training rules, but doesn't have much difficulty when it comes to crashing through a line.

The annual meeting of the Charlottetown City softball league will be held at the Main Brace tonight at 8.00 p.m. The meeting is being held for the purpose of discussing plans for next year and players or coaches who are interested are invited to attend the meeting.

Defence Must Hold Up If Hamilton Is To Win

HAMILTON (CP) — Attack may be the best defence in conventional warfare but in skirmishes on the football field it's often the reverse.

The defence has to play a big part if Hamilton Tiger - Cats want to win the Eastern Football Conference title and enter the Grey Cup game at Toronto Saturday, Nov. 28

The Ticats are down 17 points as the result of a 30-13 defeat by Ottawa Rough Riders in the first game of the two-game, total-point EFC finals.

The front defensive line, linebackers and deep men must cut Ottawa off at the pass if Hamilton hopes to overcome the deficit.

Except for two games this year, Hamilton's defensive work has been more than adequate. It fell apart in a 35-3 walloping by Montreal Alouettes in the league opener and again in the Ottawa game last Saturday.

During the season, fewer points have been scored against the Ticats than any other team. Hamilton defence has allowed only 3,667 yards, also best in the league, and the average gain a rush against Ticats was 4.9, the league's lowest

Two of the top three interceptors were Tiger - Cats, Garney Henley and Don Sutherin, each with six, tied with Ottawa's Bob O'Billovich.

"Let's not fool ourselves," says coach Ralph Sazio. "Our defence must contain Ottawa every time they get the ball. Sure we need points. But with that 17-point lead held by Riders I think the onus is on the defensive unit.

"We don't plan any startling changes in our defensive alignment or tactics. There was nothing wrong with our basic strategy Saturday, just the way it was executed."

Three AFL Clubs Claim Gilchrist

NEW YORK (AP) — Three American Football League clubs claimed fullback Cookie Gilchrist on waivers Wednesday and Buffalo Bills informed the league office it was retaining its right to wait an additional 24 hours before deciding whether to recall the waivers.

Buffalo officials said Tuesday they did not expect to recall the waivers. It was believed possible the Bills hoped to make some sort of a deal on a claiming basis.

The AFL office refused to identify the clubs but New York and Boston had indicated they planned to put in a claim.

Gilchrist can be claimed for the $100 waiver price but his salary reportedly is in the $70,000 - $35,000 level. He leads the AFL in rushing with 650 yards.

The controversial player was put on waivers Tuesday with the explanation no player was more important than his club.

In Oakland, the Raiders said they were one of the teams that claimed Gilchrist. But a Raiders spokesman said he expects the big fullback will be taken off the waiver list and then offered for sale or trade.

Toronto Downs Habs 3-1; Chicago Tops Detroit

TORONTO (CP) — Toronto Maple Leafs scored a goal in the last minute of each period Wednesday night to defeat Montreal Canadiens 3-1 and move into third place in the National Hockey League.

Bob Pulford scored two of the Toronto goals, including the winner and clincher. Andy Bathgate got the other on a fine play by Eddie Shack to tie the score 1-1 at the end of the first period.

John Ferguson shot Canadiens into a 1-0 lead at 1:28 of the opening frame.

The loss narrowed Canadiens' second - place margin over the Leafs to one point. Detroit is first.

A crowd of 14,174 roared in surprise as Toronto goalkeeper Terry Sawchuk fanned on Ferguson's 35-foot shot to set the Leafs back from the start.

But the home club battled back and held a 13-10 margin in shots in the first period. Leafs held a wide margin in the second, outshooting Canadiens 14-9. The third frame was a scrambly affair, with play at centre ice most of the time and the two teams giving the puck away repeatedly.

Shack started the play for Bathgate's goal immediately after returning to the ice from serving a holding penalty. He flattened Montreal's Dave Balon in the Toronto zone, skated into the Canadiens' end and stickhandled past three Montreal players before firing a pass to Bathgate standing beside the net.

Bathgate's hard shot beat Charlie Hodge from 10 feet.

Chicago 3, Detroit 1

CHICAGO (AP)—Bobby Hull, the National Hockey League's leading goal scorer, hit for his 12th and 13th markers of the season in the final period Wednesday night to give Chicago Black Hawks a 3-1 victory over Detroit Red Wings.

The loss, second in a row for the Wings, left them in first place, a point ahead of Montreal Canadiens, who were beaten by Toronto Wednesday night.

Chicago moved into a fourth-place tie with idle New York.

Hull broke a 1-1 tie which had prevailed since early in the first period, when he danced through the entire Detroit team to nudge the puck past Wing goalie Roger Crozier with one hand. His final marker came in the last seconds and was scored from the blue line with a vacated Detroit net, as the Wings had pulled Crozier in favor of a sixth skater.

Stan Mikita, with whom Hull now is tied for the league scoring lead, gave Chicago a 1-0 lead in the first minute of the game when he out - sped the entire Wing team and let fly at Crozier from 10 feet out. The Wing goalie got a piece of the puck but it dribbled away from him and slithered into the goal. Just inches away from his glove.

Norm Ullman knotted the score for Detroit with his 200th National Hockey League goal at the four - minute mark. He took the puck away from two Hawks in the corner behind the Chicago cage, then muscled past two more Chicago skaters to beat goalie Glen Hall from close in

Crozier kept the Wings in the game until Hull's first goal by turning back several good Chicago scoring chances. He was credited with 38 stops to 23 for Hall.

First Period — 1. Chicago, Mikita 6 (Pilote, Vasko) 0:27. 2. Detroit, Ullman 5 (A. Provost) 4:00. **Penalties** — Gadsby 5:23, 8:59, MacNeil 16:58, B. Hull 19:20.

Legionnaires Plaster Borden Nationals 12-4

SUMMERSIDE — Summerside Junior Legionnaires breezed past Borden Nationals 12-4 last night in a penalty studded Prince County Hockey League game here. The contest was played constantly with players in the penalty box.

Alan Gaudet, a fast Legionnaire forward, single handedly destroyed the short handed Nationals scoring four goals and collecting three assists. Last night's output now gives the shifty winger the league scoring lead.

Teammate Paul MacWilliams added a second period hat trick and earned two assists in the free wheeling tilt.

Defenceman Bill Noonan and Ev White shot a pair of goals for Borden. Summerside grabbed a 4-1 first period lead and led 10-3 after the middle frame.

Football Final Similiar To 1960

By JACK SULLIVAN
Canadian Press Sports Editor

If Ottawa Rough Riders make it to the Grey Cup final, it might be well if people refrained from calling them the second-best football team in the East. Many of the present-day Rider players recall with some bitterness that tag given to them in 1960

That was the year the Riders finished second behind Toronto Argonauts in the regular Eastern Conference schedule and made it to the cup against Edmonton Eskimos in a cliff-hanging EFC final series with Argos. The Eskimos also finished second in the Western Conference.

That was the setting for printed statements about the two second-best teams in the country meeting for Earl Grey's trophy.

The Rough Riders, particularly, were hot about suggestions they were the second-best team in the East. "As a matter of fact," one player said, "we resent it. We've listened to that kind of talk and we've read about it since we won the Eastern title. . . . What else have to do to prove that we're the best team to represent the East? All this talk burns us up."

GAME NEVER FINISHED

It's a matter of history that the Rough Riders, underdogs by 6½ points to the Eskimos, won the cup with a 16-6 decision in a game at Empire Stadium in Vancouver that was brought to an abrupt and unprecedented halt 41 seconds from time when hundreds of fans swarmed on to the field and a youngster stole the game ball and disappeared into the mob.

Now, the Riders with a 17-point bulge over the first-place Hamilton Tiger-Cats after the first game of their two-game total-point EFC final series, are getting set to wrap up their cup final berth after this Saturday's game at Hamilton. They finished second to the Ticats and walloped them 30-13 at Ottawa last week.

Fresh in the memory of players is the 1960 two-game total-point series against Argonauts.

Robinson Is Named MVP

BOSTON (AP) — Baltimore third baseman Brooks Robinson, main driving force behind an Oriole's pennant bid which just missed, was named Wednesday the 1964 American League's most valuable player by an overwhelming margin.

The man with the golden glove and 118 runs batted in was the lone player to be named on all 20 ballots cast by the special committee of the Baseball Writers Association of America.

Secretary Hy Hurwitz of the BBWAA announced the results. On the basis of 14 points for first, nine for second, eight for third, and so on, Robinson drew 269 of a possible 280 points with 18 first-place ballots.

Mickey Mantle, who sparked the lake New York Yankee spurt to another flag on aching legs, received the other two first-place votes and 171 points.

Combines Lose Again

The Enman Drug Combines took it on their collective chins for the second time in the game Tuesday night at the RCAF station rink. They've now lost to Borden Nationals 7-3 and to RCAF Eagles 8-3", so that would seem to promise a battle royal between Eagles and Nationals when they meet for the first time.

What's wrong with the Combines? That's the question fans are asking, and other fans — putting out their doctor's shingles — are telling them. Some say they are not yet in shape, but we won't buy that one, because none of the teams are in top shape this early in the season. Some fans say their team-work is a very sick man, that they have fast skaters dashing madly down the ice like, one fellow said, "Roosters who have just had their heads cut off". One fan told us that sloppy defensive work causes their downfall, and we agree that on several occasions Tuesday night you'd think it was an airforce convention around the Combine net, with no one home except MacGuigan in the cage.

Certainly the Combines have quite a potential. When such fellows as the playing coach Greg Deighan, Dave MacLeod, Leroy Clow, David Martin, Willie Gallant, and Allie DesRoches are on the same team, the club can't be too weak, and it seems just a question of hitting their stride. But they do seem to lack depth, and if some of those old-timers would join the team, it might make a big difference. There. You see, we've got our shingle up too.

RCAF Looks Strong

The airforce team has added a number of good boys to their line-up, but the four who seem to stand out at this time are Tony Licari, the coach, Orville "Red" Gravelle, last year referee-in-chief, a boy whose last name is Prang, and the latest addition, Jean Paul Guy. Guy lost his footing a lot in that first game but never his head as one of the other fellows was constantly doing, and this new boy kept getting more and more impressive as the game progressed. Prang has scored five goals in three games, so you have to add him to the quality group. Gravelle is the most persistent horse that ever frazzled around an enemy goal in these parts, and Licari has "Pro" written all over him as he engineers his attacks.

Gelineau; The Philosopher

Gelineau, former Boston Bruin goaltender, doesn't think much of Crozier's work in the Detroit net, but if Crozier continues to keep up anything like the pace he has set so far, he can laugh at his detractors. If we remember right, Gelineau was just a run-of-the-mill net guardian, and hardly qualifies as an expert. As for Jacques Plante, if he isn't criticizing someone, he isn't happy.
