Ramblers Play Aces Tonight

Amherst Ramblers and Summerside Aces play the fifth game of the Maritime Hockey League finals at Civic Stadium in Summerside tonight, and the game is another "must" affair for the home forces if they are to have a fighting chance to cop this Maritime Title. Their reversal of form last Tuesday evening took the Amherst boys by storm, and the visitors were widely outplayed during most of the contest. The Aces feel that the tide of battle has turned, and are determined to make the count on games 3-2 after tonight's battle.

Amherst will be just as anxious to win and make ultimate victory in the series that much nearer and surer. One or two of the Ramblers look their defeat Tuesday night with bad grace, the game tonight will be fast and perhaps a bit rough if the high feeling evident in the last game has not subsided.

A large crowd is expected to take in this game, which might be the last Maritime League contest played in Summerside this winter.

The Aces do not think so, but should Amherst win any two of tonight's game and the two week-end games in Amherst, that would end the series.

Couple From Toronto Win In World Figure Skating Meet

PARIS (CP)—Canada's Barbara Wagner and Robert Paul won the first gold medal of the 1958 world figure skating championships Thursday night when they successfully defended their title with a near-flawless performance before more than 12,000 persons in the huge Palais des Sports.

The young couple from Toronto gave the crowd a tremendous thrill with their perfectly coordinated movements and earned the only high set of markings from the nine judges. They made even the most difficult tricks seem easy and their technical perfection drew storms of applause.

Paul, a 20-year-old six-footer, lifted the tiny 19-year-old Miss Wagner high into the air and gave her a mid-air twirl before setting her gently back on the ice. From this point on they had the crowd in their hands.

The judges gave the following high rating for their outstanding showing: for execution of program—5.8, 5.7, 5.6, 5.8, 5.2, 5.6, 5.8, 5.7; for content of program—5.6, 5.7, 5.7, 5.6, 5.7, 5.4, 5.5, 5.8, 5.6. A perfect score in the judges' markings is 6.0.

Swedish Champs Blanked 13-0 By Canadian Team

STOCKHOLM (CP)—With Russian officials looking on, Canada's world hockey contenders Thursday night crushed the defending world champion Swedish team 13-0 as Jack MacKenzie led the attack with four goals.

It was the worst defeat suffered by the Swedes in years. Swedish sports writers shook their heads and one commented:

"This Canadian team has everything. Nothing can stop them from winning the championship."

The world tournament starts later this month in Oslo, Norway. Three Russian hockey officials watched the game and seemed impressed by the performance of the Canadian team from Whittby but they refused comments.

The Canadians lost no time in chalking up their fifth victory in as many European exhibition games. They took a 3-0 lead in the first period, and then swamped the stunned Swedes with five more goals in each of the last two periods.

BEST ON TOUR

MacKenzie's four-goal performance was the best offensive achievement by the Canadian side since they began their exhibition tour in Britain. A school teacher from Preston, Ont., he was picked as the outstanding player at the 1956 Olympics when he was with the unsuccessful Kitchener-Waterloo Dutchmen in the final game against Russia, which the Canadians lost 2-0.

Bob Attersley, leading scorer for the last three seasons in the Ontario Hockey Association Senior A competition, Bus Gagnon, George Gosselin each scored two goals while Jean Paul Lamarrande, Gordon Myles and Sid Smith, the player-coach, each had singletons.

Eskimos Have Signed Morris

EDMONTON (CP)—Frank Morris, 34-year-old veteran of 16 seasons, has signed for his ninth year with Edmonton Eskimos of the Western Football Conference, the club announced Thursday.

Boxing A Chore Declares Champ

CARDIFF, Wales (AP) — Joe Erskine, British empire heavyweight champion, said Thursday he "does not enjoy fighting any more."

"It's gotten to be a chore," said the 24-year-old boxer who meets Sweden's Ingemar Johansson, European champion, in a title fight in Sweden Feb. 21. "There are too many sacrifices to be made in boxing."

If Erskine wins he probably will be ranked with world champion Floyd Patterson of New York in June in London.

"That's a chance I can't afford to miss," said Erskine. "I look for at least 20,000 pounds (\$56,000) from that fight."

"But I don't plan to go on fighting for more than another two years. I'd like to set up business with a bar and restaurant."

Says Elliott To Break Mile Mark

MELBOURNE (CP) — Coach Percy Cerutti said Thursday Herb Elliott, his 19-year-old protégé, will break the world record for the mile run Saturday if conditions are right.

Elliott, who bettered four minutes twice within five days last month, left by plane Thursday for his native Perth on the west coast. He will renew his rivalry with another Australian four-minute man, Merv Lincoln, in the west Australian championships Saturday.

John Landy of Australia holds the world record of 3:58.6. England's Derek Ibbotson has gone the distance in 3:57.2 but it is not yet recognized.

"If conditions are right "I expect Herb to break Landy's Australian record and to set new world records," Cerutti said.

Woodling Expects Salary Dispute To Be Settled

CLEVELAND (AP) — Gene Woodling said Thursday he thinks his salary dispute with Cleveland Indians will be settled before March 1.

That, however, doesn't lessen the veteran outfielder's objection to a plan by general manager Frank Lane in chopping \$100 a day from the club's contract offer to any player unsigned by March 1.

"I'm still amazed at Lane's plan," Woodling said. He called it "completely unfair."

Woodling said he has no intention of bringing the matter to baseball commissioner Ford Frick. Frick said he "never heard of such a thing" as Lane proposed earlier this week.

MARCH 1 DEADLINE

"Officially, I'm not a holdout until March 1," Woodling said. "We'll see what happens when we come to that date. But, frankly, I expect no difficulty in signing a contract."

Woodling said the difference between his demand and Lane's offer is small — "about \$2,000 or \$3,000."

It has been guessed Woodling received about \$23,000 last season. Lane is reported to have offered the 35-year-old former New York Yankee outfielder a \$7,000 increase. Woodling led the club with a .321 batting average in 1957.

"I respect him (Lane) as a general manager and I know he respects me as a ballplayer," said Woodling. "I had a wonderful season and I think I'm asking a fair price. I've never been a holdout in my career and I don't intend to be one this year."

Woodling and Lane were speakers at a dinner here Wednesday night.

U. S. Hockey Team Loses

LONDON (AP)—The U.S. entry in the world hockey championships lost an exhibition match and a star defenceman Thursday night.

Eddie Kirrane of Brookline, Mass., suffered a broken right wrist during the second period of a 7-6 victory by the professional Wembley Lions over the U.S. team.

"This is a hard blow for us, with the championships only two weeks away," said U.S. Coach Calvin Marvin of Warroad, Minn. "I don't think there is time to get a replacement for Kirrane."

The loss was the Americans' second in two nights against British teams.

Golden Glover Dies After Bout

SPRINGFIELD, Ill. (AP) — A young boxer fatally injured in a Golden Gloves match died of a severed artery in the back of his head, the coroner's office said Thursday.

Melvin Young, 17-year-old Chicago fighter, was knocked out Wednesday night in the first round of his 126-pound bout with Joe Becerra, 16. He was pronounced dead on arrival at hospital.

Two hours earlier, Young fought Richard Graham and won by a knockout.

Hungarian Looks For New Records In U. S. Indoor Meets

By ED CORRIGAN

NEW YORK (AP)—Istvan Rozsavolgyi, who holds the listed world's record in three different events, never has seen an indoor track meet, has no idea how he'll do against Ron Delany, but will be out to break the world's record every time he runs in the U.S.

The crack Hungarian middle distance runner arrived Thursday and promptly went to work on Manhattan College's board track. The thermometer was in the low 20's, but it didn't bother him at all.

"Before I got on the plane in Budapest yesterday," he said, "I worked out in the snow, so why should I worry about a little cold?"

Rozsavolgyi, whose records include the 1,000 metres (2:19), 1,500 metres (3:40.6) and the 2,000 metres (5:02.2), said he heard plenty about Delany, Villanova's Olympic 1,500-metre champion, but he never had raced against him.

Delany goes after his 20th straight indoor mile victory in the Baxter Mile at the New York Athletic Club games in Madison Square Garden Saturday night. Rozsavolgyi will try to accomplish what more than a dozen other runners have failed—make a race of it.

Detroit Tigers Sign Weller

DETROIT (AP)—Detroit Tigers have signed William Weller, 18-year-old southpaw pitcher from Clyde, Ohio, for a reported \$25,000 in bonus and guaranteed salary. It was Detroit's first such move since the bonus rule was repealed in December.

Favor Kerwin Over Redl In Welterweight Scrap

NEW YORK (AP)—Stefan Redl is unbeaten in 17 fights but Gale Kerwin is favored to snap the streak tonight. The young welterweights represent a new crop of boxers moving into camera range.

It will be the first main event in Madison Square Garden for the 24-year-old Redl, Hungarian-born and raised in Germany. It will also be his most difficult test. In his brief professional career Redl has won 13 bouts by knockouts and four by decisions. He is moving up in class against Kerwin.

Garden fans haven't seen much of Kerwin, 23-year-old boxer with a good left hook and a developing right-hand punch. He was born in Ottawa and lives at Valley Stream, N.Y.

LOST TO BUSSO

Kerwin stepped up from the semi-final to sub against Johnny Busso in an October show at the Garden. He lost the decision but won the fans. In his first Garden shot on his own he whipped Jimmy Archer Dec. 20. Kerwin's record is 25 wins, five losses and one draw.

No blushing violet, Kerwin admits that in "every fight I get better. I'll beat him, probably knock him out."

Redl, who came to the United States in 1956, bristles with confidence but he doesn't talk about it. The 10-round bout gets the usual Friday NBC network coverage on radio and television. Under New York rules, two judges and a referee score by rounds, using a supplementary point system in case of even rounds.

Redl has been inactive since last June.

Neither is ranked among the top 10. Kerwin is favored at 8 to 5.

Bruins Move Into Second Place Tie With Rangers

BOSTON (AP)—Boston Bruins powered their way into a second-place tie with idle New York York Thursday night by shutting out Detroit Red Wings 5-0.

Bronco Horvath scored his 21st goal while Vic Stasiuk and Jerry Toppazzini each collected their 19th as the Bruins put together one of their best offensive displays of the National Hockey League season.

The Bruins thus moved even with the Rangers, each with 51 points. The Red Wings dropped a point behind in fourth place.

Losers to Detroit in only three of their 11 meetings, the Bruins put together two goals in the first period and three in the second and continued their blazing assault to hold off the Wings in the third.

Stasiuk and Toppazzini got the first period tallies on tip-ins after long shots by defencemen Allan Stanley and Fern Flaman, respectively.

DECISION IN SECOND

The Bruins put the game away early in the second period. Horvath sent a powerful 25-foot slap shot which grazed the near post as it sped past the surprised Terry Sawchuk. The time was 1:16. Buddy Boone got his first major league goal at 4:13, and Leo Labine finished it off at 6:07.

SUMMARY

First period: 1. Boston, Stasiuk (Stanley) 12:55; 2. Boston, Toppazzini (Mackell, Flaman) 19:24. Penalty: Flaman 15:38.

MONCTON (CP) — Yvon Durelle, Canadian and British Empire lightweight champion, will fight in Ottawa April 14, his manager, Chris Shaban, announced Thursday night. Durelle's opponent will be named later.

Shaban said he will sign today with Ottawa promoters Lloyd Kenny and Bert Lesage for a 10-round non-title bout.

Durelle, second-ranked contender for Archie Moore's world title, is to meet Tony Anthony in New York, March 14. The bout was twice postponed when each fighter became sick.

Shaban, who also manages Maritime welterweight titleholder Norman Gautreau, announced that a bout in Edmonton Feb. 20 has been called off but Gautreau will fight a 10-round main event Feb. 17 in Quebec City against Gerry Leroux.
