

C. R. MacLaggan Re-elected S' Side Trade Board President

Mr. Clyde R. MacLaggan was re-elected as president of the Summerside Board of Trade at the annual meeting held last night at Summerlea Restaurant. Mr. Amos Hubley was elected as vice president and Mr. Lloyd Gorvill as second vice president. Mr. Don MacDonald was re-elected as secretary treasurer.

Mayor W. A. Currie, one of the head table guests congratulated the president on his fine leadership of the board during the past year and also expressed his congratulations to the board on its support of the Atlantic Provinces Economic Council. Mayor Currie said that through the efforts of A. P. E. C. the time is coming when the four Atlantic Provinces can stand beside the other six provinces on an equal basis.

Mr. MacLaggan submitted his report of the year's activities. Mr. John S. Wright, past president of the board, in presiding over the acceptance of the report said that the Summerside Board was most fortunate in having its president during the past year a man with such vast experience in Board of Trade work and that it was pleasing to know that the board will have his services for another year.

GUEST SPEAKER

Guest speakers at the annual meeting were Dr. Frank MacKinnon and Mr. J. Lincoln Dewar of Charlottetown both of whom spoke on the Atlantic Provinces economic Council.

Dr. MacKinnon in his address said that A. P. E. C. is only a young institution but already it has made an impact on the economic life of the Atlantic Provinces.

Referring to the need for such a body, Dr. MacKinnon said that the time has come to look upon the Maritime Provinces with a positive attitude—a place where it is a pleasure to live—with traditions to be cherished and to be proud of.

Speaking on the advantages of life in these Maritimes he said that there are economic opportunities here if Maritime people grasp can result in great advantages for them. He outlined the steps which had been taken in the formation of A. P. E. C. which he pointed out is not a governmental body. It must, he said, stand on its own feet and be a force of its own. He pointed out, however, that although it was not a governmental body that it has the sympathetic support of all four governments in the Maritime Provinces.

Enumerating the things that the Atlantic Provinces Economic Council has accomplished since it was founded, Dr. MacKinnon

Will Plan For Trade, Economic Conference

LONDON (Reuters)—Commonwealth officials and experts will meet here next month to prepare for a full-scale trade and economic conference, informed sources said Wednesday.

The sources expect the conference, at the level of finance ministers or other government representatives, to be held later this year, possibly in the fall.

But the dates and place of the talks have not yet been fixed, the sources added.

The Commonwealth finance ministers at their meeting at Mont Tremblant, Que., last September and October decided to convene such a conference.

The finance ministers said the conference should be held at a "convenient place and time" in 1958.

They then agreed that the detailed preparatory work for the conference, including the drawing up of its agenda and other procedural matters, should be entrusted to a committee of officials.

The sources said that some questions concerning the projected economic conference might come up for discussion with Prime Minister Macmillan during his current five-week Commonwealth tour.

The last Commonwealth prime ministers' conference was held in London last July.

Burglar Makes Getaway At S' Side Store Despite Alarm

Summerside police, acting on information received by telephone, surrounded Morrison's Hardware Store about 11.30 last night in search of an intruder believed hiding in the building.

Several minutes later, a nearby resident told police the thief had been seen leaving the building carrying a box, but by this time the head start he already had on the police enabled him to escape from the area despite an extended search.

Entry to the store was made by forcing through a door at the back of the building, and merchandise stolen in the break included two electric table radios, an electric coffee maker, and electric steam iron, all of general electric trade name, and two cooney 22 caliber rifles.

This hardware store is operated by Mr. Robert L. Mollison, and is situated on the north side of Water Street, just west of the Clifton Hotel.

Temperature In Summerside Equalled Record For Jan. 8

Weather temperature in Prince County yesterday climbed to 51 degrees to equal a previous record for January 8th, according to information obtained last evening from the Meteorological Section at R.C.A.F. Station, Summerside.

This warm temperature, recorded at 11.00 a.m. yesterday, followed a night of rain when 1.34 inches of dampened snow fell which up to last evening was still free from snow. The high temperature yesterday was 10 degrees higher than that which was recorded for this date one year ago.

Last evening a strong wind subsided that had prevailed during mid afternoon, when gusts reached 70 miles an hour. Last evening temperatures had dropped sharply and were below the freezing point. However, the Summerside area remained free from snow fall that had blanketed at least parts of New Brunswick and Nova Scotia.

Alberton Board Of Trade Passes Several Resolutions

The Alberton and West Prince Board of Trade gave approval to a number of important resolutions at their regular meeting, held in the Alberton Legion Hall last night.

The provision of a snow blower to serve the area for the entire winter season and the employment of more operators in order to work a double shift was the first resolution dealt with. Regarding snow removal, a letter from the Hon. George MacKay, Minister of Highways, advised that the machines have been completely overhauled in preparation for the winters work and that a repair depot has been set up in Summerside so that equipment in need of repair does not have to be transported to Charlottetown as in the past. He also stated that an extra plow had been stationed at Bloomfield.

In view of the many power interruptions it was decided to make request for a permanent auxiliary power unit to be located in the O'Leary section of Western Prince County.

A long discussion was held on the Alberton harbour improvement project and a letter is to be forwarded to the Federal Member for Prince County, Dr. O. H. Phillips, urging the allocation of a sum of money to get the work started.

A letter from Premier Matheson acknowledged receipt of the brief on the Alberton harbour and promised to give any assistance in the power of the P.E.I. Government.

WANT MEETING

The evening came to a close by singing "God Save The Queen".

Island Delegates

(Continued from page 1)

C. Charlottetown; Morley M. Bell, Summerside; J. Brenton St. John, Souris, George Kitson Hampshire.

Benjamin Rogers of Charlottetown will head the delegation from the Prince Edward Island Liberal Association in his capacity as president; With him will be Aden Mulligan of Kings County and Jack Antrim, Lower Montague, the vice-president for Kings County.

Mrs. B. Earle Macdonald Charlottetown, President of the Provincial Women's Liberal Association heads the ladies' group. With her will be Mrs. L. H. Poole, Montague, vice-president for Kings County; Mrs. Aden Mulligan, Kinkora the vice-president for Prince and Mrs. Russel Roper, Charlottetown who is president of the Fifth District of Queens Liberal Association.

Charles Linkletter, Summerside, president of the Provincial Young Liberals Association, heads the delegation from that organization. With him will be Robert MacLeod and Ian MacLeod of Charlottetown and Neil MacLeod of Summerside.

Constituency delegates are as follows:

Prince County—Carmen MacNeill, Tyne Valley; Edison Rayner, Clermont; John A. Smith, Newton.

Queens County—James Cousins, Irlitown; P. R. Boyle, Hunter River; Harry W. MacLaudin, Stanhope; Stewart Ross, Flat River; W. R. MacNeill and Howard Douglas, Charlottetown. Alternate delegates for Queens are Robert Dawson, Crapaud, Austen Bowman, North Wilshire; Leo MacNally, Johnson's River; Milton Furness, Vernon Bridge; Wilfred Michael and Ernest Reid, Charlottetown.

Kings County—Harold Brothers, Cardigan; L. H. Poole, Montague; Aldius MacKenzie, Morell.

Names of alternate delegates were not available from Kings and Prince County.

R. C. A. F. Wing Holds Meeting

The regular monthly meeting of the Summerside Wing number 200 R.C.A.F. association was held last night in the club rooms with the president, Erroll Laughlin, presiding.

Delegates to the Maritime group convention, which will be held at Number 108 Wing Sydney, N.S., on February 14th and 15th were appointed. They are the president Erroll Laughlin, William Young and Pope McMahon. Alternates will be Dr. Gilbert Gallant and J. Leroy Gallant.

It was recommended by the meeting to the central committee that the Wing donate its receipts from the lobster carnival to the Prince County participating clubs do likewise. The matter will be finalized at the next regular meeting.

The Wing donated the sum of \$30.00 to the Summerside Athletic Club.

The treasurer's report was submitted by Bill Hickey, the sick and visiting committee report by Jack Fletcher, the Air Cadet committee by Bill Hickey and the Ladies Auxiliary by Norman Hogg.

At the conclusion of the meeting interesting slides were shown by Mr. Archie Johnstone on his trip to the United Kingdom.

Attention Poultry Farmers

Until further notice we will be receiving poultry at our eviscerating plant on Mondays and Thursdays only.

NOTICE OF ANNUAL MEETING

The annual meeting of Prince Edward Island Mutual Fire Insurance Company will be held at the Summerside Auditorium on Tuesday, the twenty-eighth day of January, 1958, at the hour of 10:30 o'clock in the forenoon.

Dated at Summerside this seventh day of January, 1958.

Concert Is Presented By St. Roch School

The St. Roch School Christmas concert took place on Friday, December 20th, at 8 p.m. before a large crowd of parents and friends.

The concert opened with a "Welcome", by Clifford DesRoches who also acted as Master of Ceremonies for the evening. The second number was a carol, "Angels We Have Heard on High", by the school chorus.

As the evening progressed, recitations were given by Henry Peters and Roy Griffin, both of Grade one. Those taking part in reciting in grade two were, Theresa Peters, Dian Blanchard, Ruby DesRoches, Bobby Waite and Armand Martin.

PLAY

This was followed by a short one-act play entitled "It's The Fashion". This play was well acted by Stewart Blanchard as Mr. Thomas and his assistant, Melvin Martin as Archie. Both boys being owners of a general store. The general customers at this store were four girls, Lorraine Waite as Mrs. Brown, Ann Marie Blanchard as Mrs. White, Florence Waite as Mrs. Miller and Ann Griffin as Mrs. Jones.

Following this play more reciting took place by Roger Chaisson, Ivan Chiasson, Doreen Chiasson, Gerard Peters and Florence Peters. Two french Christmas carols were sung by four boys and four girls.

A second play called, "All Aboard For Africa," took place with Esther DesRoches as Betty, Sylvia Blanchard as Jane, Billy Waite as Ted and Clifford DesRoches as Bill.

Other boys and girls to give recitations from varying grades were Jeannette Martin, Clifford Martin, Ernie DesRoches, Omer Martin and Walter Chiasson.

MYSTERY

The final play, "Lost a Million Dollar Wolf", was capably acted by Roger Martin and Adrian Blanchard as Mike and Jake, well known electricians who turned out to be jewel thieves Ben Peters was Bill, while Sylvia Blanchard acted as Mrs. Grover, Bill's mother and Velda Peters as Mrs. Crawford, Bill's grandmother. Ernie DesRoches and Walter Chaisson were two energetic young boys who were only interested in a present for grandmother. Esther DesRoches played the part of Sarah who was Bill's sister. Clifford DesRoches was radio announcer while Gerard Chaisson completed the cast.

The final number by the school children was a goodnight speech by Omer Martin.

Santa entered the school to distribute gifts.

Raymond Martin, Alphonse Blanchard and Peter Blanchard trustees of the school congratulated the pupils and teacher on their work and stated that improvement had been noticed since last year.

Mrs. Jerome Chiasson spoke on behalf of the women of the school district, she too, expressed her thanks and congratulations.

The evening came to a close by singing "God Save The Queen".

Industrial Survey Made By S' side Board Of Trade

In submitting the annual report of the Summerside Board of Trade at the annual meeting held last night at Summerlea Restaurant president C. R. MacLaggan said that one of the duties of the president was to review the activities of the board at the end of the year and that while these activities are covered in more detail in the individual reports furnished by the various chairmen he felt that a brief review of the many projects carried on would be of interest to the members.

Mr. MacLaggan said "the board in order to be a real asset and render efficient service to the community must have the support of all the citizens and business firms and in this connection our membership committee has endeavored to maintain and increase membership in the Board of Trade."

COMPLETE SURVEY

The industrial committee, he said, have again been active throughout the year. They have provided an industrial survey for the Atlantic Provinces Economic Council, this work having been recently completed.

At the same time a project was undertaken to provide a booklet containing up to date information on the Town of Summerside and outlying districts. This work is still in progress and it is anticipated that it will be ready for printing at an early date.

In this connection I wish to ex-

WESTERN GUARDIAN

DR. ZIELINSKI will be at Kinkora 4 to 5 p.m. today.

KENSINGTON Week of Prayer service Thursday 7.30 p.m. Anglican Church.

MR. AND MRS. ARCHIBALD MACMURDO, Kelvin Grove will be at home to their friends and neighbours Wednesday, January 15th, in the afternoon and in the evening, on the occasion of their fiftieth wedding anniversary.

SUSPECT IN COURT

A Summerside man, one of the suspects in a break at the Summerside Canadian Legion Home, New Year's morning, appeared in Police Court, Summerside Tuesday and his case was further adjourned until January 10th. Magistrate E. H. Strong, Q.C. presided. The break netted the thieves approximately \$250 in cigarettes and canteen supplies.

CASE ADJOURNED

Two Summerside men suspected of breaking into the Canadian Legion Home Summerside New Year's morning appeared in Police Court yesterday and had their cases further adjourned until Friday next. Magistrate E. H. Strong, Q.C., presided. The break netted the thieves about \$250 worth of cigarettes and canteen supplies.

end on behalf of our Board of Trade our appreciation of the wholehearted support given by the Mayor, The Council and business men of the town.

An important development in the industrial life of the town was the building of a plant to viscerate Island poultry which will mean much to island poultry farmers. This was found necessary due to the lack of demand for poultry not treated in this way and competition from the United States.

The tourist industry which is so vital to the Island economy again enjoyed a better year. Our Tourist Bureau at Read's Corner again rendered very good service although operating under difficulties due to necessary changes in that locality.

A large number of registrations were recorded and many favorable comments were expressed regarding the beauty of the Island and the friendliness of its people.

LOBSTER CARNIVAL

Under the sponsorship of the Board of Trade and the support of the service clubs and the Town of Summerside the 2nd annual Lobster Carnival was held and although financially it was not up to the previous years, nevertheless, the results were gratifying and it is the opinion of your president that this annual carnival certainly has a place in the business affairs of this community.

I am happy to report at this time that Edgar Cannon has consented to act chairman for the 1958 carnival. He will be supported by Earle Hickey as treasurer, Miss Eileen Weeks as secretary, and Charles Hogan, director. I know you will join with me in wishing this experienced group every success in 1958.

The civic affairs committee were active throughout the year keeping in close contact with municipal and provincial affairs.

The agricultural committee had been in close touch with matters effecting the rural districts. Early in the year it was hoped that an agricultural exhibition might be possible but after a good deal of work by the committee a suitable site could not be found, and this matter will come up again this year.

AGRICULTURE

The Summerside Board of Trade were requested by the Maritime Provinces Board of Trade to present a draft policy resolution on agriculture for the Maritime Provinces. This was effectively carried out under the chairmanship of Mr. T. J. Inman, receiving favorable comment.

TRANSPORTATION

The marine and transportation committee have had an active

DAYLIGHT TIME

Early last season your board endeavoured to have Daylight Saving Time put into effect throughout the Island. In this matter we were supported by the Charlottetown Board of Trade. We were most anxious to have our time coincide with that of the Mainland. The Provincial Government was not in favor of this step and after a good deal of dissent and argument it was decided the matter be dropped.

Your board is always very much concerned with transportation and looking for ways to improve facilities between the Island and the mainland. We are giving strong support to the building of the causeway.

FERRY PLANKING

Early this year we endeavoured through our Federal Member to have the rail deck of the ferry, Prince Edward Island, planked, and although not successful we now believe this matter is being dealt with and that the ferry boat will be planked and able to carry additional cars.

Your board was honored this year by the appointment of Jack Wright as vice-president from Prince Edward Island and Roy Boates as director of the Maritime Provinces Board of Trade. John Mungall was appointed vice-president on the national executive of the Canadian Chamber of Commerce and your president was appointed as director.

Matters dealt with by the board this past year were numerous, requiring considerable work by the members who gave loyal support.

In closing I wish to thank all members who gave me so much assistance. It has been a pleasure to work with you and we again look forward to a successful year, Clyde R. MacLaggan, president.

A. Y. P. A. Meets At Summerside

Prayers led by the vice-president, Carrie Thompson, opened the regular meeting of St. Mary's - St. John's A.Y.P.A. held in the parish hall Tuesday, January 7.

Roll call was answered by 22 members. Two new members were welcomed. The minutes of the last meeting were read and approved. A collection for Sunday school by Post and Radio was taken by the S.S. B.R.P. Convention, Wendell Profit. New members received their A. Y. P. A. pins. Membership cards to be given at next meeting.

The main topic for the evening was the "Organization of the A. Y. P. A." Carrie Thomson explained the different levels (by means of a diagram) and their function beginning at the local branches and expanding to the Dominion Council and its relation to the local branch. This proved very informative to all.

The program committee consisting of Bettie Barwise and Jane Fletcher led the group in a very lively program. Lunch was served by Claudia Lyle, Carrie Thomson and Jane Fletcher. Meeting closed with the Benediction.

The Scripture, St. Luke, chapter 21-23 was read by Jane Fletcher. The corresponding lesson from the Bible Reading Fellowship was read by Wendell Profit, who led in a special prayer for the B.R.F. project which is to be started next week. The hymn for the evening was "Stand Up, Stand Up for Jesus."

Beta Hi-Y Meets At Y Centre

The president, Miss Marjorie Shaw, presided at the first meeting of the New Year of the Beta Hi-Y Chapter held at the Y-Center, Summerside, January 6.

The meeting opened with the Hi-Y ritual. The theme for the devotional period led by Fay Harris was entitled "Vocations."

Minutes of the last meeting were read and approved and the treasurer gave her report. At this time the president thanked all the girls of the club for their co-operation in making the Christmas project a real success.

New ideas for weekly program were discussed. It was also decided that the next dance would be a "sock and record hop". Further plans for this dance are now underway.

After the business meeting was adjourned the individual committees assembled to discuss plans or arrangements for further activity. Following this everyone joined in singing the Hi-Y hymn.
