Change of Business!

For nearly fourteen years we have conducted business in this city in the lines of SEEDS and GROCERIES to the satisfaction of our patrons, as is evidenced by the fact that a large proportion of our present customers have dealt with us regularly from the start. For several years past we have foreseen that the development of our Seed business—now the largest in that line in the Maritime Provinces—would eventually make it advisable to give up the sale of Groceries altogether. That time has arrived, and we now RETIRE FROM THE GROCERY BUSINESS, not because of any want of success in that line or want of confidence in our ability to continue to compete for a fair share of patronage, but for the reason that we have planned the future which, properly carried out, will, apart from the Grocery business, take up all our time and employ all our capital.

We propose to further develop and extend our Seed trade, improve wherever possible the quality of the Seeds we sell, and increase our facilities for conducting this business; to enter more largely into the growing of Seeds for our own trade in such lines as this can be profitably done, and in connection with the Seed business conduct

A COMPLETE BOOK STORE, in which the sale of Agricultural Literature will be made a specialty. Our former Store in MONAGHAN'S BRICK BUILDING, on QUEEN STREET is now being completely refitted and prepared for the proper carrying out of the above named plans. This Store will be open for business as soon as possible, and due notice will be given of the date. In the meantime our orders remain where it is at present and we respectfully request prompt payment of all due and overdue accounts.

We have now to cordially tender our sincere thanks to our many friends and customers in both the city and country for their liberal patronage, and beg to inform them that we have sold out our STOCK OF GROCERIES and the good will of our Grocery business to MESSRS. BEER & GOFF of this city, and we bespeak for them the patronage of our customers in the Grocery line, and we feel confident that MESSRS. BEER & GOFF will endeavor to please all our old customers by giving them GOOD GROCERIES AT LOW PRICES and prompt attention, such as we have ever tried to do.

Referring to the above, we shall make every effort to give Messrs. Geo. Carter & Co's. former Grocery customers, who may favor us with their patronage, the attention and satisfaction which we are sure they have received in the past, and to deal with us. GEO. CARTER & CO. BEER & GOFF. Charlottetown, August 31, 1893.

HEART FAILURE, FAINTNESS, ACUTE DYSPEPSIA, Complete Nervous Prostration, Cured by Using HAWKEN'S NERVE & STOMACH TONIC.

A LADY'S EXPERIENCE. Mr. Wm. Thompson writes: My wife has suffered with Acute Dyspepsia accompanied with complete prostration of the nervous system, a condition which frequently results in a fatal issue. She became weak and nervous, lost all energy, and had a constant feeling of drowsiness. She suffered with indigestion, and the stomach refused to accept of food, which was usually followed by the most distressing vomiting. She tried a great many remedies and was treated by the best medical authorities, but obtained no relief. She became discouraged, and thought she was up all hope of ever getting better, when our patient suggested that she try HAWKEN'S NERVE & STOMACH TONIC and LIVER PILLS. She had not proceeded more than a few days when she obtained relief from the distressing vomiting, and she continued to improve until she felt able to eat as well as to sleep, and her food was no longer accompanied by any distressing symptoms. She is now well and strong, and is able to do her usual work. Sold by all druggists and general dealers. TONIC 20 cts.; PILLS 25 cts. Manufactured by the HAWKEN MEDICINE CO., Ltd. 81, John St., N.
