

**Our youth are the Island's greatest resource... That's why the fight for the Vet College is so important.**

**"Locating the Atlantic Regional Veterinary College on P.E.I. would create jobs, enlarge the market for Island goods and services, and make Charlottetown a major educational centre... Above all, in a sector vital to the Island's economy, the Vet College would expand educational opportunities for our youth."**

Tom McMillan, M.P.,  
Hillsborough
