

Coast To Coast

FROM BRITISH COLUMBIA TO PRINCE EDWARD ISLAND
by
Ruby Johnson and Mary F. Tait
(Part 1 of 2 parts)

We bought a 1941 Chevrolet Sedan in April, 1953, and from that time a debate began. . . Would we make the trip across the vast continent from Vancouver, B. C., to Charlotte-town, P. E. I.?

"The Spud Diggin' Ground"

As I motor along I've a fond look around At the bustling folk On the spud diggin' ground Not a furrow is turned, Not a plow is in sight— The combines are idle And as silent as night.

On August 27th, we started our trip had really begun and in spite of a downpour of rain our spirits certainly were not dampened.

Spokane, Wash., claimed us for our first stop. We stayed with cousins of Mary, Mr. and Mrs. Harry Kennedy, and family.

On August 31st, we left Spokane. We travelled over the beautiful Hope-Princeton Highway to Astoyos, B. C. and crossed the border into Washington.

IN MEMORIAM

In loving memory of Gordon J. Sentner, who departed this life October 20th, 1945.
A loving husband and father so good and kind,
No friend on earth like him we find,
For each of us he did his best,
May God grant him eternal rest.

Defence Seen Chief Topic Of Eisenhower Talks At Ottawa

OTTAWA, (CP) — Continental defence probably will be one of the chief topics under discussion when President Eisenhower gets together with the cabinet here Nov. 14 during his three-day state visit.

There will be no agenda for the informal meeting and Prime Minister St. Laurent has said only that "affairs of the world" will be discussed. Various state functions which the president will attend will preclude any lengthy or searching discussion of particular subjects.

But, since the Russians have reportedly succeeded in exploding a hydrogen bomb, continental defence has come more to the fore in the thinking of government officials both in Canada and the United States.

Trade Problems
Therefore, co-operation and integration of defence efforts in the two countries likely will be re-viewed and methods discussed of increasing both.

Many officials here regard trade as a more pressing problem than defence at the moment as far as relations between Canada and the U. S. are concerned. Canadian notes to Washington concerning American restrictions on Canadian imports have been getting sharper in recent months.

President Eisenhower may take the opportunity to outline briefly U. S. foreign policy in Europe and the Far East.

Apart from what may be discussed during the visit, President Eisenhower's trip in itself is regarded as a stimulus to better relations between the two countries. It will be his first visit abroad since his inauguration as chief executive.

Dreams Come True For Couple, 65

Retire on \$200 A Month for Life!

A popular Halifax grocer and his wife recently retired on \$200 a month for life. Their dreams of security and comfort have come true, thanks to a decision the grocer made in 1923. It was then he took out a Confederation Life Insurance Pension Plan which included \$20,000 insurance protection. He had just opened his home . . . and with the baby and the payments on his home, he had only so much left for retirement plans. It was a pleasant surprise when his Confederation Man told him how easily his dreams could come true—without risks or investment worries.

You'll be pleasantly surprised too at how easily you can make your dreams come true—and protect your loved ones at the same time—with a Confederation Life Pension Plan with insurance.

Dog-fight discourager
We know one bellicose dog who won't welcome the latest thing in aluminum: an electric dog-prod. Next time Towser rushes into battle, you can nonchalantly produce this two-foot aluminum rod and apply it to the handiest part of the dog's anatomy. The resulting shock is quite harmless, but they say a few "treatments" cure the pugnacity of even the toughest tyke.

Speaking of electricity, Canadians can take pride that the largest stranded electrical cable ever made for an overhead transmission line has been delivered by Alcan's Shawinigan Falls plant to the West Coast, to carry power to our new smelter now a-building at Kitimat. Aluminum Company of Canada, Ltd. (Alcan).

fluffy almond cake
RING-A-ROUND A-ROSEY
Bakes itself into Magic Pink Swirls!
It's true! This miraculous cake bakes itself into beautiful pink and white swirls. All you do is mix up the batter and add the food coloring. It's fun, it's exciting and it's oh-so-easy when you use Shirriff's White Cake Mix.
HERE'S HOW: Mix Shirriff's White Cake Mix according to package directions. To 1/4 of batter, add 1/4 tsp. Shirriff's True Almond Extract and a little red food coloring. Pour the two mixtures alternately into an 8" angel-food tin (bottom lined with wax paper). Bake at 350°. Frost with almond-flavoured fluffy pink icing.
HERE'S WHY: Shirriff's White Cake Mix is as complete as a good cake mix should be . . . finest quality egg yolks, shortening, cake flour . . . plus Shirriff's own famous flavourings. And you add the fresh, whole milk yourself for a richer, fresher, cake. Have fun with this magic recipe soon . . . but be sure you make it with Shirriff's. Remember: Only food experts can make the best mix for a cake.
