DIED. At Ten Mile House, Lot 35, on the 4th inst. of congestion of the lungs, Bernard Fitzpatrick, aged 48 years. May his soul rest in peace.

Racked with Rheumatism. Unable to Walk, owing to excruciating pain. After ten years' terrible torture, Cured by Scott's Sarsaparilla.

A. H. Christiansen, writing from the Clifton House, Niagara Falls, says: "I owe you more than I can ever pay. For ten years I suffered the tortures of the damned with rheumatism. Father had it before me, and I have been a druggist in a score of Canadian towns local doctors treated me, some giving relief, others none. I read that Sarsaparilla was a rheumatic cure, and I now a druggist I got a bottle of the best Sarsaparilla on the market." He gave me Scott's, remarking that it was an improvement on all others, and I could honestly recommend it. I have taken four bottles, and am as free from pain as a man can hope to be. I was out in a rainstorm two days ago and never felt a twinge. As I said before, to Scott's Sarsaparilla I owe more than I can ever repay.

The best remedy for rheumatism, sciatica, and neuralgic pains—all arising from the presence of poison in the blood—is Scott's Sarsaparilla, a modern concentrated medicine, prompt in its curative effects. Doses from one half to one teaspoonful. At 25c a bottle of your druggist.

Where is The Lady

Now that the hot summer days have gone and cool evenings and rainy mornings form a part of the weather probabilities the ladies with their "Rigby" wraps warm, comfortable and rain-proof, pass along the streets with an air of independence that is delightful to behold.

gone to their dealer and selected just the cloth they wanted, and ordered it "RIGBY PROOFED." The consequence is they are wearing the latest materials that are out and their wraps are perfectly waterproof, though the cloth is not changed in the slightest degree. It is as porous and soft as before. This being true where is the lady who would not prefer to have her out of door garments "RIGBY PROOFED." The men are all wearing Rigby Coats and a lady has only to inquire of her father, husband, or brother to learn of their ability.
