Business-like Murder.—Assassination is a Japanese political measure applicable not to Europeans only. We quote Mr. de Fonblanque's account of the murder of the Prince Regent or Gotairo, uncle to the young Tycoon, as he approached the gate of his own residence after a ceremonial visit to his nephew.

The morning has been very showery, a group of men in broad-brimmed straw hats and rain-coats, who may be labourers, traders, anything, halt, as if to kneel with the rest of the people, at the approach of the procession.

Suddenly, as if by word of command, they cast off their rain-coats, and, glittering in coats of mail, their bright swords brandished on high, they spring upon the Gotairo, as, unconscious of danger, he reclines in his chair. His followers, unprepared for attack, stand aghast as one of the norrimon-bearers falls to the ground, cleft from the skull to the chin. The norrimon lies a wreck—there are shouts and groans—and then a man rushes through the barrier, waving a bleeding trophy, as he cries to the astounded guardian of the gate, "Make way for the head of the Gotairo?"

The assailed, if they could not save, will avenge their chief. A furious conflict ensues; assassins are but one to five. Several lie dead; others, desperately wounded, have yet time to commit the Hari Kari; four are overpowered, and reserved for a less sudden death; only three cut their way through their enemies, and escape.

Ten minutes later, and all is quiet. The Gotairo's procession has passed into the palace; the dead and wounded have disappeared as if they had never been. A shower has washed away the blood, and men, as they pass upon their errands, do not stop to notice the fragments of a norrimon, and beneath it the bleeding fingers of a human hand. These are the only remaining traces of the Gotairo's death.

On the following day the unfortunate officer on duty at the barrier through which the murdered prince's head had been borne in triumph, who had failed to arrest the assassin, was requested to perform the Hari Kari. He was a highly respectable and respected individual, and a large party of his relations and friends assembled at his residence to witness the ceremony. Having taken leave of them, and admitted the justice of his sentence, he made a superficial crucial incision on his abdomen with a small knife worn for such emergencies, and then handing his large sword to his nearest male friend (who stands on such occasions in the same relation as the best man at an English wedding), he bared and bent his neck; the blade gleamed in the air, and the head rolled on the ground.

It may be imagined that such an event as the murder of the Prince Regent, in open day and in the public streets of the capital, must have spread like wildfire, producing amazement and consternation throughout the city; yet, strange to say, few appeared to be aware of it, and the officers about the Legation when questioned said they had heard something about a fight near the palace, but that the Gotairo was quite well.

Mr. Alcock, on his making official inquiries, was informed that it was true that the Gotairo had been attacked and slightly wounded, but on his offering his services in a surgical capacity (he had studied and practised medicine with great success in early life) met with a cold refusal.

To all his subsequent inquiries, as to those of his colleagues, the invariable reply was that the Gotairo was "neither better nor worse," which, considering that his head had not been recovered, was perfectly true; and six weeks elapsed before the representatives of foreign Powers were officially informed that the attack upon the Prince Regent had resulted in immediate death.—*Review of De Fonblanque's "Two Years in Japan."*

Barnum's Last Speculation.—The New York correspondent of the Philadelphia *Press* says the fashionable event of the season is unquestionably the affiance of Tom Thumb and his Lilliputian bride. Only a city possessing a Barnum can appreciate the stir such and elaborate burlesque is capable of creating; for there can be no doubt that it is all the work of the great showman, and one of those immense sensations which he so inimitably works up for his great profit, about once in every five years. It is already telling munificently at his museum, where the throng to see the little bride-to-be never abates from ten o'clock in the morning until the same hour at night. By the first half of this dwarf enterprise, Mr. Barnum can hardly fail to clear at least one hundred thousand dollars, and when it comes to exhibiting General Tom Thumb and his bride as a married pair, the *coup d'argent* will be complete. Last evening the happy Thumb and his intended, escorted by the equally abbreviated Commodore Nutt, were guests at the princely Fifth Avenue residence of Mrs. Auguste Belmont. Miss Warren's whole outfit of bridal apparel, revealing in miniature the entire mystery of the feminine wardrobe, ostentatiously displayed in one of the great windows of Lord & Taylor's establishment, on Broadway, attracts constant crowds of observers; her bridal jewellery is also a great attraction at Ball, Black & Co's. and a large Eastern picture, intended for presentation to the happy pair, finds profitable exhibition in another locality. The General was greatly disgusted yesterday to learn that Trinity Chapel could not be the scene of his marriage, as the admission of a congregation by tickets, and under the restriction of full dress, is directly against the rules of the Episcopal Church. Another sanctuary, however, will at once be selected, and the ceremony will be performed with all possible pomp. Upon leaving the church, the wedding party will adjourn to the Metropolitan Hotel, the whole lower or first floor of which is to be adapted to the use of a grand reception. The affair is the talk of the whole town, ridiculous as it must appear to outsiders, and seems to be a topic fraught with intense enjoyment for the old as well as the young. Barnum is fairly eclipsing himself, and can afford to be proud of this last success in the science of "money making."

Dr. La'mert on Self-preservation.

Price, with Engravings and Cases, 25 cents; by post, 30 cents.

SELF-PRESERVATION; a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of Manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence.

By Dr. La'Mert, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh;
Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of Manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The Author is the only legally qualified practitioner whose name stands on the 'Medical Register' (the sole test of medical qualification), who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple, and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter.—37 Bedford Square, London, England.

Patients residing in the colonies can be successfully treated by correspondence, and remedies can be forwarded in secrecy and safety to any address.

HUNNEWELL'S TRIPLE REMEDIES.

THIS combination, under the study of the True Anatomy of Medicine, now perfected in every department, placed at prices within reach of all, of all, and calling for special attention, are,

1st. The Universal Cough Remedy.

Which, without the slightest restraint upon its use every hour, and containing no ingredients to disturb the most delicate constitutions, becomes an enemy to all Throat and Lung Complaints, from that terror to children, Whooping Cough, for which it is a certain relief, to Old Age with its infirmities, and by a timely application will not only check that blight on the *American climate*, Consumption, but rob the *grave* of many of its early victims.

For Hoarseness so common to Public Speakers and Singers, it is without a parallel. For Sore Throat, a certain cure.

Make it your *pocket companion* by day, and your *bedside* friend by night, using it whenever you please.

2d. The Celebrated Tolu Anodyne,

Which has drawn such loud praise from thousands who have tested its true character, and found it a sure and immediate relief for Neuralgia, Gout, Rheumatism, Tooth-ache, Ear-ache, Bowel Complaints, St. Vitus Dance, Bleeding at Lungs or Stomach, Distress in Chest after eating, and for all Nervous Complaints, to that chief of all causes of Disease, Depression of Spirits, and Insanity, the

"LOSS OF SLEEP."

For Common Headache, Nervous or Chronic Headache, and Violent Sick Headache, it has no equal, to which I can give the most undoubted references, and to which special attention is asked.

For the Monthly Sufferings of Females, a perfect relief, while nature's after work is undisturbed. By its use, many a wreck to the nervous system and Chronic Female Complaints will be prevented.

3d. Hunnewell's Eclectic Pills.

Designed as the Great Mercurial Substitute, and assistant to the work of the Tolu Anodyne, and Universal Cough Remedy, when cases to which they are adapted are aggravated by indigestion, Biliousness, &c., producing all the requirements of a gentle and thorough Family Physic, and coming in contact with the too common error of making a Pill Box of the Stomach, and producing by the number required for a dose such extremes, that the Stomach loses its balance entirely.

A single Pill at night, or one at night and morning, will in all cases produce a gentle and thorough cathartic. By taking a single pill every second or third night, and *following it regularly*, living on good and easily digested food, Indigestion, Dyspepsia, Biliousness, Loss of Appetite, Liver Complaints, &c., are permanently cured.

For Worms they are a safe, speedy and permanent cure.

HEALTH AND CHEERFULNESS!

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS.

The Exciting Cause of Sickness.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve, and integument. The stomach is its manufactory, the arteries and veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating both the secretions and the excretions.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable and dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.

Sick Headache, with Loss of Appetite.

A certain cure for headache, loss of appetite and low spirits. These Pills may be taken without danger from wet or cold, and require no restraint from business or pleasure. They strengthen the stomach, and promote a healthy action of the liver, purifying the blood, cleansing the skin, bracing the nerves, and invigorating the system.

A Word to Females.

The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Dropsical Swellings and Turn of Life.

This is the most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedy for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

Diseases of the Head and Heart.

Why are these diseases so fatal? The answer is self-evident—because the first disordered action is neglected, or the means for its rectification are misapplied. Neither need be the case at the present day, when these excellent Pills can be purchased everywhere, at a price which places them within the reach of everybody. No misapplication can occur if the printed directions are properly attended to, as they invariably address themselves to the seat of the affliction, without deranging those organs which are already acting healthily.

Holloway's Pills are the best purifiers, and therefore the surest preventives of serious maladies; of which, if they be already established, they then become the most unremitting extirpators.

Nervous Disorders.

Any derangement of these delicate organs affects disastrously both the body and the mind. To the nervous invalid Holloway's Pills are an article of vital necessity. They impart tone and vigour to the internal organs, and consequently to the nervous system, which pervades and connects them. Hence their marvellous cures of hysteria, low spirits, spasms, fits, headache, nervous twitchings, and other kindred complaints, which are all radically removed by the use of these invaluable Pills.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Female Irregularities	Scrofula, or King's Evil
Asthma	Fevers of all kinds	Sore Throats
Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Second'ry Symptoms

A LIVING DEATH,

And restore him to his friends in a sound, and healthy condition.

Before presenting this wonderful cleansing remedy to the North American public, Dr. Radway was determined to test its medicinal powers for the cure of the class of diseases for which it is prescribed in the South American Provinces, as it is a fact well known to all physiologists that

SCROFULA, LEPROSY, SYPHILIS,

and its horrible train of concomitants, prevail in the tropical regions of the South, to a much greater and more malignant degree than in the North. In fact there is scarcely a family in any of the South American Provinces that is free from Scrofula, or its kindred diseases. It runs in the blood of all its people, and has become established as a constitutional infirmity, and has baffled the skill of their best physicians. With knowledge of these facts, Dr. Radway was determined to test the accuracy of

RADWAY'S RENOVATING RESOLVENT,

which was prepared expressly to meet the exigencies of the diseases as developed in the tropics. Large supplies were sent to Brazil, Bueno-Ayres, Chili, Peru, Equador, Venezuela, Bolivia, New Grenada, and to several islands of the Spanish main, and was thoroughly tested by Physicians and the Priesthood, and is now the official remedy used by the Physicians, under the name of "Sclutivo Renovador de Radway," (the Spanish for Radway's Renovating Resolvent,) in the treatment of Scrofula, Syphilis, Ulcers, Tumors, Prolapsus Uteri, Elephantiasis, Erysipelas, Saint Anthony's Fire, St. Vitus' Dance, Fever Sores, all diseases of the Skin, humors in the Blood, white swellings, Nodes, Cankers, sores in the mouth, deafness, discharges from the eyes, ears, and nose, glandular swellings, dropsy and constitutional diseases. Such has been the unparalleled success of this remedy in curing these horrible diseases in the tropics, that we do not hesitate to promise all the sufferers with Scrofula and eruptive diseases among our own people, with speedy restoration to sound and permanent health.

It is superior to all known remedies in popular use as a cleansing syrup for

PURIFYING THE BLOOD,

and removing from the skin Pimples, Blotches, Tetter, Rash and other offensive marks, and will in a few days give a pure, clear and roseate hue of health and beauty to the face and nails, and brilliancy to the eyes.

It is a pure and innocent preparation, all-powerful to do good, but never does injury.

IMPORTANT TO PARENTS.

There is no medicine in the known world, or physician, that has ever claimed the skill of eradicating from the system diseases inherited, by transmission, from parent to child. This great power we claim for Radway's Renovating Resolvent; and we religiously declare, that if Radway's Renovating Resolvent is given when the symptoms of any inherited disease are first exhibited, it will eradicate the same from the system. In the early stages of Pthisis or Consumption, Fits, Scrofula, and in cases of sore head, Ulcers, Tumors, Hacking Cough, Bronchitis, the use of Radway's Renovating Resolvent will exterminate the transmitted disease from the system, and make (what the parents neglected) a sound and healthy body.

CHRONIC DISEASE.

Another class of diseases that no other medicines or the most skilful physicians have succeeded in achieving, more than in merely palliating the sufferings of the patient, which Radway's Resolvent will positively eradicate, is that of Chronic Diseases that have infested the system for years, such as Chronic Rheumatism, Gout, Scrofula, Dyspepsia, Syphilis, and diseases induced by the injudicious use of Calomel, Mercury, Quinine; diseases of the Liver, Spleen, Gall, Bladder, Kidneys, Spine, &c., all of which diseases Radway's Renovating Resolvent will eradicate, and secure to the patient a new lease of life.

The price of Radway's Renovating Resolvent is $1.00 per bottle, Dose, a tea-spoon, twice full, half an hour after each meal. Sold by druggists and merchants everywhere.

A SPEEDY PURGATIVE.

DR. RADWAY'S PILLS

Are superior to all purgative or cathartic Pills, powders, mineral and seidlitz waters, in the treatment and cure of:

Costiveness,	Depression of Spirits,
Liver Complaint,	Indigestion,
Biliousness,	Dyspepsia,
Inflammation of the Bowels,	Sick Headache,
Nervousness,	Melancholy.

IN SIX HOURS.

A dose of from six to eight of Radway's Regulating Pills, will, in the most distressing cases of Constipation or Costiveness, Derangement of the Liver, or other glands, secure a healthy evacuation from the bowels. Persons troubled with costiveness, indigestion, liver complaint, dyspepsia, will derive immediate benefit by taking a dose of these pills. After thoroughly cleansing the bowels of its retained humors, by a free purge, two to four per day, for a week or ten days, will restore the liver, bowels, pancreas, kidneys and all other organs of the system, to the healthy performance of their duties.

DR. RADWAY'S PILLS
AS A SCIENTIFIC PURGATIVE.

We have the medicinal properties of the most efficient plants, roots, herbs, gums and balsams in the vegetable kingdom. In each of these little pills lies a mysterious power, for in each pill is combined the elements of health, regeneration, strength and life. Persons who suffer with dyspepsia, liver complaint, enlargement of the spleen, jaundice, kidney complaints, palpitation of the heart, and the evil effects induced by the excessive use of calomel, mercury, quinine, corosive sublimate, opium, tobacco, local stimulants, and exposure to paint, lead, &c., will find in Radway's Regulating Pills a permanent cure.

RADWAY'S REGULATING PILLS

Are the only vegetable substitute for calomel, mercury, quinine, and their kindred drugs, that have ever been discovered, and the only pills in use that will secure to the patient the beneficial effects in the liver and other glands of the system that physicians hope to obtain from the use of these drugs.

RADWAY'S REGULATING PILLS

Are as pure and innocent as bread, are entirely vegetable, and coated with a medicinal gum—free from taste or smell; occasion no nausea or sickness, nor will they interfere with the usual avocations of the patient.

RADWAY'S PILLS

Not only purify the blood, and extract from it all impurities, but they equalize its circulation. They regulate each and every organ to a healthy and equal action, and correct derangements of the liver, heart, stomach and bowels.

RADWAY'S REGULATING PILLS

Will quickly cure the patient of the following complaints, viz:—

As also all COMPLAINTS OF WOMEN, such as Hysteria, Leucorrhœa or Whites, weakening discharges, chlorosis, irregularities, suppression of the menses, inflammation of the womb or bladder, difficult menstruation, and all other Diseases or Complaints, produced by excessive discharges or suppression of the Menses.

Ladies who desire to avoid the sufferings and inconveniences of these irregularities, or organic derangements, should not omit to regulate their systems by means of one or two of RADWAY'S PILLS once or twice a week, and thus be free from the many and great inconveniences to which ladies are generally subject.

MARRIED LADIES.

Every married lady, when pregnant, should regulate her system with RADWAY'S PILLS. A dose of these Pills, taken once or twice each week, during this period, will cure that distressing malady known as "Ladies' Morning sickness," and will give strength, vigor and purity to the whole system; and in all cases where there is any constitutional debility, these Pills will ensure a strong and vigorous offspring.

BILIOUS COMPLAINTS.

Letter from Dr. Salmon Skinner.

New York, January, 1860.

Dr. Radway & Co.;

I have, during the past four years, used your remedies, and have recommended them to others for Billious Complaints, indigestion, dyspepsia, &c. I consider the Ready Relief and Regulating Pills unequalled. The Regulating Pills are mild in their operations and thoroughly effective.

The first dose should be large enough to purge—say four or five, and each successive dose be diminished one pill, until reduced to one, and then repeated every day, for a week or ten days. A permanent cure will surely follow.

Yours, &c.
DR. S. SKINNER.

Radway's Regulating Pills are sold for Twenty-five cents per box, (each box contains thirty pills,) by Druggists, Merchants and Storekeepers.

A QUESTION OF THE MILLION ANSWERED.

HOW IS IT THAT
RADWAY'S READY RELIEF

Possesses such wonderful remedial powers as to cure so many diseases of apparently opposite phenomena?

We reply that Radway's Ready Relief chief and most important remedial efficacy, is evinced in the immediate arrest of pain, and its potency in the treatment of such diseases and maladies, where pain is a concomitant of the disease.

Disease, like the storm, gives unmistakeable signs of its approach. At first the threatened patient experiences a slight discomfort, this followed with pain to a greater or less extent, and other symptoms follow in rapid succession. It is in this condition of the system where Radway's Ready Relief will be found all-potent. Its administration, either internally or externally, as the seat of pain indicates, will arrest the progress of the threatened disease, and quickly relieve the patient from all pain or discomfort.

If people, on the first indication of uneasiness or pain, either slight or severe, would take a dose of Radway's Ready Relief, not one in a thousand would ever be troubled with sickness.

WHEN THREATENED WITH

Croup, Diptheria, Influenza, Sore Throat, Scarlet Fever, Typhoid Fever, Pneumonia, Bilious Fever, Small Pox, Measles, Fever and Ague, Chills and Fever, Headache, Bilious Cholic, Diarhœa, Dysentery, Cholera, Cramps and Spasms,—let Radway's Ready Relief be freely used, and, in a short time, all pain and uneasiness will cease, and the threatened disease expelled from the system.

IF SEIZED

With either of the above diseases, the use of RADWAY'S READY RELIEF will ensure a speedy cure.

"IT CURES SO MANY DISEASES,

"And therefore I'll have none of it," says the skeptic; now we appeal to the common sense of any reasonable being who has had the least experience in medicine taking, or business relations with Physicians, if this is sound reasoning.

RADWAY'S READY RELIEF

Is not recommended by us, nor prescribed for so many varieties of disease as every physician in the practice of medicine, prescribes Calomel, Mercury, Quinine, Morphine, Opium and other favorite hobbys of the profession. It is a well known fact that in ninety cases out of one hundred, no matter what may be the name of the disease or the condition of the patient, Calomel forms the important and the most active agent of the prescription: and if the symptoms of the disease are such as to leave any doubt in the mind of the physician as to arriving at a decided conclusion what to give, he gives Calomel. This is an ancient landmark of the profession, which no innovation has ever been suffered to alter.

WEIGH FACTS.

When we tell the public that the use of Radway's Ready Relief will cure the sick of certain diseases; that it will stop pain in a few minutes after its application; that it will protect the system against attacks of all malarious, contagious and infectious diseases, we have the facts to establish the truth of our statements, acknowledged by thousands who have proved its unfailing powers on their own persons. Go where you will, speak of Radway's Ready Relief in any assemblage of persons, some one or more will bear witness of deriving benefit from its use.

IN MILITARY CAMPS.

There is no place so well calculated to test the usefulness of a specific medicine as a military camp. Radway's Ready Relief has been used in almost every camp throughout the Grand Army of the Union with the happiest success. Letters from Brigade and Regimental surgeons, officers, and privates assure us that Radway's Ready Relief has contributed more to the protection of the troops against disease, and to the use and comfort of the sick than all other medicines used or means suggested by the medical authorities.

RADWAY'S READY RELIEF

Will stop pain and restore the sufferer to ease and comfort in a few minutes after its use.
It never fails to afford relief to the patient

IN CASES OF

Rheumatism, Neuralgia, Lumbago, Tic Doloreux, Gout, Toothache, Sciatica, Face Ache, Ear Ache, Numbness, Swollen Joints, Sprains, Lameness, Strains, Pain in the Kidneys, Wounds, Pain in the Bladder, Asthma, Difficult Breathing, Pleurisy, Pain in the Side, Small of the Back, Shoulders, Spine, Its use will, in a few minutes, relieve you of pain, and its continued use cure you of the complaint.

CHRONIC RHEUMATISM, ASTHMA,

SLEEPLESS NIGHTS.

Let those who cannot enjoy an hour's calm sleep, make a trial of it. Wm. Sydney Myers, Esq., of the Havana (Cuba) Press, well known to the New York, New Orleans and London (England) Press, says that for twenty years he had been a sufferer from ACUTE CHRONIC RHEUMATISM, and for one week had not slept an hour at any one time. He applied Radway's Ready Relief, and felt immediately relieved, and slept soundly, and awoke in the morning free from pain. Its continued use cured him.

General Jose Villamil, Commander-in-Chief of the army of Ecuador, S. A., had been afflicted with ASTHMA for TWENTY YEARS, could not lay down in his bed without subjecting himself to violent paroxysms of coughing. The first application of the Ready Relief gave him the first calm, undisturbed sleep he had enjoyed for twenty years. Thousands of other cases could be adduced, if necessary, but the best evidence to those poor disturbed sleepless sufferers, is to try it, and enjoy a night of ease and comfort.

PAIN.—PAIN.—PAIN.

It is entitled to public confidence on the ground that in all cases when it is used where pain exists, it will afford speedy relief, and never fail to mitigate the sufferings of the patient, *be the disease what it may*. If it does not accomplish a perfect cure it will restore ease to the afflicted, nor will its use, under any circumstances, interfere with other treatment, or fasten new difficulties upon the patient.

RADWAY'S READY RELIEF

Is sold by Druggists and Merchants everywhere, for 25 cents, 50 cents and $1 00 per bottle. See that the label of each bottle bears the signature of Radway & Co.

The peculiar taint or infection which we call Scrofula lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Ayer's American Almanac, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of Ayer's Sarsaparilla, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla*, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

THE NEW FRENCH REMEDY.

By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculte de France.

THERAPION:—or CURE OF CURES. This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of *taste, odour,* and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion. Each package contains full instructions for every case.

THERAPION, No 1, in three days only removes gonorrhœa, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.

THERAPION, No. 2, for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots, blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears; and the skin assumes the pleasing softness of infancy.

THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s. are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

Her Majesty's Hon. Commissioner have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions; and any infringement of which they will prosecute with the utmost severity.

Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

PREMATURE DECAY OF THE SYSTEM, and its perfect restoration, whether arising from youthful imprudence or the excesses of adult life, infection, climate, &c. Observations on marriage, the prevention and removal of certain disqualifications. Rules and numerous prescriptions for self-treatment. Sufferers who are prevented from matrimony by the consequences of imprudence should read this work, as pointing out the sure way to restoration of health. THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr W De Roos, M. D., M. R. C. S., L. S. A., &c., *of the Ecole de Medicine, Paris, Graduate in Medicine, Surgery and Midwifery; Licentiate of the Royal Society of Apothecaries, &c.*

REVIEWS AND NOTICES.

"To be your own counsel or your own doctor, entails risks that have become proverbial to a degree that prevents much good resolution from taking any benefit or advantage when reasonably offered. Suspicion begets irresolution, and where there is no confidence good results seldom follow. Medical books are a field for the faculty alone, and the public act wisely in refraining from their study. 'Drink deep or taste not the Pierian spring,' is good advice where the uninformed mind, listening to its own apprehensions is oftener ready to imagine than use its cool judgment. There is one class of medical lore, however, that stands in a position somewhat exceptional to our remark, and which treats on disorders and irregularities in which morality is offended. For this reason the patient too often suffers in secret, or pursues in ignorance practices that daily bring him into a more hopeless condition for want of friendly advice. To such we recommend a perusal of the 'Medical Adviser' of Walter De Roos, M. D., of London, an established Physician, graduate and licentiate of all the regular institutions of London and Paris; and who has made nervous disorders and their baneful origin his particular study, and obtained such a practice in this branch of therapeutics, as qualifies him to be a safe and competent adviser.—*County Chronicle, May 7th, 1861.*

"The MEDICAL ADVISER, by Walter De Roos, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience."—*Derby Telegraph, June 29th, 1861.*

To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late.—Cure is certain in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated. Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.

Foreign Residents can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR. DE ROOS' GUTTÆ VITÆ OR LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c,* have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s. 6d., 11s, and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

"I have taken your Pills and always derive great benefit from them."—*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. H., Cork.* "Your Pills do me great good, I feel better this last twelve months than for years before."—*F. G., Wareham, Ashford.* "Your Pills did me more good than anything I have taken."—*M. CAUTION.—There being highly injurious imitations of the above, sufferers should guard against the recommendation of other medicines by dishonest vendors, who thus obtain a larger profit. To protect the Public against fraud, Her Majesty's Hon. Commissioners *have directed that the words* "Walter De Roos, London," *be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*
