

"FIRE BY FIRE."

Hon. George Brown on the National Policy.

In 1865, during the debate on confederation, Hon. George Brown, as reported on page 105 of the official report, said:—

"I say one of the best features of this union is, that if, in our commercial relations with the United States we are compelled by them to MEET FIRE BY FIRE—it will enable us to stop this improvidence and turn the current of our own trade into our own waters. Far be it from me to say I am an advocate of a coercive commercial policy—on the contrary, entire freedom of trade, in my opinion, is what we in this country strive for. Without hesitation, I would, to-morrow, throw open the whole of our trade and the whole of our waters to the United States if they did the same to us. [Just like Sir John Macdonald!] But, if they tell us, in the face of all the advantages they get by Reciprocity, that they are determined to put a stop to it, and if this is done through a hostile feeling to us—deeply as I should regret that this should be the first use made by the Northern States of their new found liberty—then, I say we have a policy and a good one of our own to fall back upon." [And now we're going to fall back upon it.—EDITOR EXAMINER.]

DR. TUPPER'S opponent in Cumberland is nothing but a meek-sham.

How can GASS sell Boots and Shoes so cheap? Call and he will tell you.

THE Patriot has not yet attempted a reply to the telling articles in the last issue of the Argus.

WHEN any of the numerous scandals which have marked the history of the present do nothing Grit Government are brought to the notice of the public, the apologists of the Administration in this Province say, "It was only an error of judgment."

ONE of the leading articles in to-day's Patriot commences: "The fight goes bravely on." These words are precisely the same made use of by George Brown in his now historic "Big Push" letter to Senator Simpson. Was the editor of the Patriot, when he commenced this article, thinking it necessary to advise his friends to COME TOWN HANDSOMELY!

NEW ST. JAMES' CHURCH.—This edifice is fast approaching to completion. The painters are engaged upon the interior, and the minor appointments of the building are being provided. It is expected that the entire work will be finished on the 1st October next. The Church will be opened for public worship on either the 13th or 20th ult. Full particulars as to the services on the occasion, and pew arrangements, will be made known shortly. The church is an ornament to the town, and reflects credit upon the enterprise of the congregation and upon the taste of the architects—Messrs. Sterling and Harris.

THE Patriot says: "We may say with reference to what Mr. D. Davies said in the Athenaeum that the Examiner has grossly misrepresented him. Mr. Davies said that when a man talked in the House * * * on subjects of which they are utterly ignorant, he was sure to be found out. You could not bring up a subject on which some one or other was not well informed, and if the speaker talked without a knowledge of his subject and exposed his ignorance, he would be skinned."

Therefore, Sinclair, Davies, McIntyre, Yeo and Perry didn't speak. Just so! Then, where does the "gross misrepresentation" of the EXAMINER come in!

An Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 19 cents to try. Three doses will relieve the worst case. Positively sold by all druggists on the Western Continent.

Is Canada for Sale to the States?

(Special despatch to the Examiner.)

September 13.

A PERSON named Forsyth has been detected at Washington seeking funds to keep McKenzie in power.

This Forsyth was sent to Canada by the victims of the Copper Mine Swindle to investigate it. He was bought up by Huntington with an office in the Money Order Branch of the Postal Department.

MEETING AT FIFTEEN POINT.

Solid for Hackett and Howatt.

(Special Despatch to Examiner.)

WELLINGTON, Lot 16, Sept. 13.

A large and influential meeting was held at Fifteen Point last evening. Arseneault addressed the electors in French. Hodgson and Kelly followed, reviewing the issues of the contest. Perry next spoke, amid continued interruption. Hodgson replied in a telling speech; and Perry withdrew from the meeting. Hodgson's allusion to Arseneault's refusal to join the Davies Government was received with repeated cheers. The meeting closed with great enthusiasm, voting unanimously for Howatt and Hackett—who are sure of a solid vote at Fifteen Point and Egmont Bay.

Cheering News from Quebec Province.

MONTREAL, Sept. 10, 1878.

The nominations throughout the Province indicate that the calculations I have sent you heretofore will be fully realized, and that the Opposition will carry 40 to 45 of the 65 seats in this Province. In the City of Montreal the result is not doubtful. The only fear was complication arising out of new nominations. This has passed away. The fight will be a square one in three divisions,—Gough vs. Darling in the West, Ryan vs. Devlin in the centre, and Coursol vs. Archambeault in the East. The first named is the Opposition, and will be all returned. In Quebec West McGreevy, the old Conservative, has been elected by acclamation. In the Centre, J. G. Ross, a wealthy and influential merchant, opposes Malouin with every prospect of success; while Mr. Laurier has to fight for his seat against Mr. Malliere, a prominent Conservative. Sherbrooke and Laval return their old Conservative members—Mr. Brooks and Mr. Oumet—by acclamation. In a number of Counties the Government candidates are put up to make a show of fight.

Telegrams from Cardwell give assurance of the return of Mr. Thos. White, of the Montreal Gazette, by a large majority.

The outlook to-day is more promising than has been known since the campaign opened, and you may count with certainty on the old Province of Canada giving the Opposition 25 to 30 of a majority. If you do half your duty in the Maritime Provinces, there will be a clean sweep of the incapables on the 17th.

Boston, Sept. 14.

The latest returns from Maine show that the House of Representatives will have a majority of at least one in opposition to the Republicans, and the names of Garcelon and Smith will be sent to the Senate, which being Democratic will elect the latter. The standing on the joint ballot which elects State officials has not been determined.

NEW YORK, Sept. 11.

The yellow fever interments in Memphis yesterday reached 99, and the physicians were too busy to report the number of new cases. Eighty deaths occurred in New Orleans, and 200 new cases are reported. The mortality at Vicksburg is increasing, 90 deaths occurring during the last two days. There have been 38 deaths at Canton and 283 cases reported since the epidemic appeared. Thirty cases exist at Senatobia, and fever is on the increase at various other points in Mississippi.

A New Orleans despatch reports that a cool N. W. wind sprung up last evening, with deadly effect upon the sick. The changing weather has given a new impetus to the fever.

Meeting at Murray Harbor South.

A large and influential meeting of the electors of Murray Harbor South and vicinity was held at the Hall, Murray Harbor South, on Wednesday evening, and was addressed by Messrs. McDonald, Muttart, McIntyre and McFayden, D. Ferguson, Esq., and others. The meeting continued until a late hour. No division was called by either party. The Grits are certainly at a discount when the dare not face a division in their reputed strongholds. The downfall of Gritism in King's County is now a foregone conclusion.

TWO-THIRDS IN FAVOR OF POPE AND BRECKEN—A SUCCESS FOR POPE AND BRECKEN LAST NIGHT.

Messrs. Brecken, Jas. Currie, McKenzie (of McKenzie and Stumbles), and Alex. C. Shaw, made stirring addresses, showing that Sinclair and McGill support the Party who increased our taxes, and are guilty of extravagance and mismanagement. Alex. McRae, Fishery Warden, exhibited his want of knowledge as indicated in his statement that Hon. Alex. Kenzie purchased steel rails at 7½ dollars per ton, but he was most effectively skinned for his mis-statements. Fully two-thirds were in favor of Pope and Brecken.

SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coals as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of the cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
