Mr. Park Fraser Has Top Trout At Montague

Opening day has come and gone, and as in other years some anglers were disappointed, but there were a great many who brought home excellent catches, despite the very poor weather, rain and cold. The Mabon Drug Co. at Montague had many contenders for the \$5.00 opening day prize. Some very fine trout were brought in and there was keen excitement and interest among the fishermen to see who would finally be the lucky one. There was disappointment too as some anxious angler saw his trout being beaten by a few ounces. At closing time last night, the winner was a lovely trout brought in by Mr. Park Fraser of Montague which he had taken early in the morning at Dewar's pond at Brudenell. Mr. Fraser's trout was taken with bait. The weight, 2 pounds, 2 1/2 ounces. Length, 15 1/2 inches, girth, 11 inches. And that leaves the anglers with something to shoot at for the rest of the season. If a bigger one is not brought in, Mr. Fraser also qualifies for the other \$10.00 season prize offered by Mabon Drug Co.

Last year the winning trout for opening day and the season, was one caught at Seal River by Mr. Stan McCabe of Charlottetown, which weighed 3 lb. 15 oz.; 20 inches long and 12 1/4 inches in girth.

SOUSA'S CAREER MAKES SUPERB MUSICAL HIT

A pulse-stirring motion picture, "Stars and Stripes Forever" opens to-day at the Prince Edward Theatre and richly deserves the plaudits it received from the enthusiastic audience that greeted it's "premiere" presentation several weeks ago. This story of John Philip Sousa is replete with pageantry, lulling band music, catchy singing, lively dancing and two warm love stories. Clifton Webb's portrayal of Sousa is excellent and gives a clear insight of the man everyone remembers as the greatest band leader and composer of march music in American history.
