## Montreal Stocks

MONTREAL (CP) - Delinquent ranging to more than two points were boarded as industrial securities wilted at the close of a moderate session on the stock market Friday. There was a partial recovery in the final hour. However, losses maintained more than a three-to-one margin over gains at the final bell.

Recent cuts in the price of copper seemed to unsettle the base metal section and price retreats were posted in the majority of issues. International Nickel fell 3/4 points. Other weak spots include Aluminum and Hudson Bay. 2 points at 23, led the utilities to softer territory while Walker, off a point, paced a fractionally easier beverage section. Steels moved lower. Western oils were shaded in quiet dealings.
