NEW YORK

NEW YORK (AP) — The stock market made a half-hearted attempt to rally Friday but got nowhere. Some high - priced glamor stocks were beaten down badly.

Technical strength was expected before the weekend but what there was of it disappeared quickly. In its place came the same weakness which has put the market down for three straight weeks in the current declining phase.

The Dow Jones industrial average fell 5.29 to 744.32, the lowest since Nov. 27, 1963, when the average closed at 741.0.

President Johnson's plans for a trip to the Far East and his announced plans to boost U.S. trade with the Communist-bloc nations were heeded by Wall Street, but most analysts saw little connection between them and the lates decline in socks.

Standard and Poor's 500-stock index fell .85 to 73.20.

The Associated Press average of 60 stocks fell 2.2 to 69.4, its lowest close since Aug. 2, 1963, when it was 268.8. Industrials fell 2.5 and rails 1.7, both lows for the year, while utilities dropped 1.4.

ONE HIGH RECORDED

Of 1,341 issues traded, 280 rose and 918 fell. New lows for the year totalled 460. The single new high was Bristol-Myers.

Sperry Rand was the most active stock for the third straight session, falling 1¼ to 21⅛ on 181,000 shares.

Eleven of the 15 most active stocks declined and four advanced. Heavy losers included Xerox, off 10⅝, SCM Corp., off 4⅜, KLM Airlines, off 6⅛ and Control Data, off 3. 2

Boeing, 15th most active stock, advanced 1⅞ to 47½.

Losses of one or more points were taken by many blue chips.

Among Canadian issues, Hudson Bay Mining slipped 1, International Nickel ⅝, Canadian Pacific ¼. Dome Mines rose ½, Alcan ¼, Granby Mining ⅛.

Prices declined on the American exchange.

Among Canadian issues, Scurry Rainbow Oil lost ¾, Marconi and Canadian Javelin advanced ⅛, Fargo Oil 1-16.

MONTREAL

MONTREAL (CP) — Brinco dominated trading Friday on the Montreal Stock Exchange, rising ⅞ to 5⅝ on a turnover of 297,525 shares. It also caused trading delays which officials said were unprecedented at the exchange.

Interest in the stock was sparked by Premier Daniel Johnson's announcement Thursday night that the Quebec government will buy power from the company.

The announcement removed a major hurdle blocking development of the vast potential of the Churchill River in Labrador.

Brinco, which also was the centre of interest in Thursday's session, climbed briefly to 6¼, then dipped to 5⅝ near the close.

Trading in the stock was delayed until 12:27 p.m. because of the flood of orders on the floor.

There were orders of all sizes and types on hand and officials struggled under thick piles of paper.

PACE HELD TO END

Trading was resumed again at 2:45 p.m. and continued at a fast pace until the close.

Many brokers predicted Brinco would maintain its hectic pace Tuesday when the exchange re - opens after the Thanksgiving Day holiday.

Charles B. Neapole, president of the Montreal Stock Exchange said Friday's activity was "the biggest thing the people around here can remember."

"People came in here with baskets of orders. You should have seen them—stacked this high."

Most of the transactions were in blocks of 1,000 although one sale of 9,000 shares was reported.

LOWER TREND HOLDS

Elsewhere, most stocks were fractionally lower, continuing the trend evident for the last eight days.

On the Montreal and the Canadian Stock exchanges declines outnumbered advances 91-48.

CPR dropped ⅜ to 52 and Bell Telephone ¼ to 45¾.

Among the banks, Montreal fell ½ to 52¼ and Imperial Commerce ¼ to 54.

Consolidated Paper posted the best gain of the session, rising 1½ points to 34½. Price Bros. was off ⅜ at 12½.

On index, industrials fell .17 to 136.20 and utilities .24 to 124.15. Papers were up .30 at 102.79 and banks .10 at 104.46. The composite index fell .15 to a new low of 130.89.

Industrial volume was 421,100 and mines and oils 493.700, compared to 227,000 and 459,000 Thursday.

TORONTO

TORONTO (CP)—The Toronto stock market drifted into another low Friday after it had been up for most of the session.

The industrial index eased .14 to 136.98, lowest since Dec. 31, 1963.

The market followed the trend on the New York Exchange where prices also faltered in the late trading. Analysts said the morning spurt was due to investors covering their short positions.

A total of 73 issues dropped to lows as declines again outnumbered gains 214 to 138 with 244 unchanged.

TRADING WAS LIGHT

Volume was light with only 2,001,000 shares changing hands compared with 2,410,000 Thursday.

Among issues that dropped to lows were Inco down 1 to 79 and Bell Telephone ⅜ to 45⅝.

Scurry - Rainbow paced the western oil group lower, falling 1⅛ to a low of 16. Canadian Superior declined ⅜ to 22¼ and Banff ¼ to 11⅝.

On the speculative side, Frobex jumped 26 cents to 2.24 and Area 14 cents to 2.19.

Golds rose .90 on index to 160.29. Base metals were down .18 to 84.99, western oils .51 to 103.58 and the TSE .14 to 131.43.

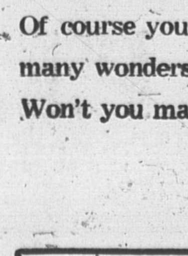
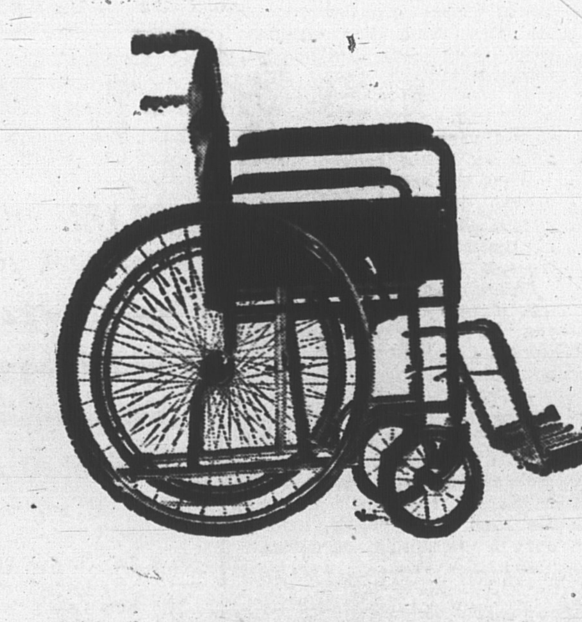
Show your thanks
for your blessings
by pledging your
"fair share"

This Thanksgiving when you're enjoying good food and good friends, pause for a moment and think of those less fortunate. Of course you want to help . . . and the one gift that works many wonders is your "fair share" pledge to The United Fund. Won't you make your contribution today?



THE PIN YOU WEAR
TO SHOW
YOU CARE



**If your firm has
Blue Shield-Blue Cross "E.H.B."
you won't be worried about
the heavy cost of
prolonged illness or accident.**

...costs like private duty nursing, prescription drugs and hospital private room. These and other essential services are *not* covered by basic hospital and medical plans.

To fill this gap, Blue Shield-Blue Cross now provides an additional protection plan called Extended Health Benefits (E.H.B.). It is specially designed to dovetail with your basic health coverage and provide the extra protection you need—in or out of hospital.

"E.H.B." is a Blue Shield-Blue Cross "company group" plan, available to firms with 10 or more employees. Monthly membership rates are surprisingly low.

For full information on this and other Blue Shield-Blue Cross protection plans for groups or individuals, contact.

Blue Shield-Blue Cross
P.O. Box 220, Moncton, N.B.
Branches: Halifax, Saint John, Fredericton, Charlottetown, St. John's, Nfld.

Blue Shield-Blue Cross is a non-profit organization. It is sponsored by physicians and hospitals and serves more people in the Atlantic provinces than any other plan.
