A PRINTER'S ILLS.
A Bradford Compositor has Diabetes—He
weighs 10 pounds in weight in a short
time—How he was cured.
BRANTFORD, Oct. 15.—Thomas Hazel-
hurst, a compositor in the Courier office in
this city, has seen some ups and downs
in health within the past few months.
Last spring he found himself suffering
from diabetes in a very severe form. In a
few weeks, he lost forty pounds in weight.
His system kept on running down and Mr.
Hazelhurst was very naturally alarmed.
After trying many remedies without bene-
fit, he began using Dodd's Kidney Pills.
Three boxes made a big change in his con-
dition, and six bottles worked a complete
cure. Mr. Hazelhurst is today a letter
than he has been for years. Add one
more to the list of diabetes cases cured by
Dodd's Kidney Pills.

"Why did you not marry Gaudule? It
would have been a splendid match, any-
how."
"Nonsense! she was ugly and old! be-
sides she jilted me, you know."

Some surprising effects have been re-
corded from the use of Miller's Emulsion
of Cod Liver Oil in the most desperate
cases of consumption. Miller's Emulsion
is the kind that cures colds, coughs,
bronchitis and lung diseases generally.
Every bottle warranted. No oily taste like
others. In big bottles, 50c. and \$1.00, at
druggists.

A small landed proprietor was taking a
drive with his daughter and his intended
son-in-law, for the purpose of showing the
latter around the estate. The coachman
drove at a smart pace. "Johann," whis-
pered his master in his ear, "don't drive
so fast, else the estate will look so small!"

Gents Evening Wear.
The latest fashion notes state that gents
vests are provided with two pockets for
handkerchiefs; this is very convenient in
these days when "cold in the head" is so
prevalent. But better still is to cure that
disagreeable cold in the head by the use
of Hawker's Catarrh cure. It is safe,
sure and effective and its application pleas-
ant and agreeable. Only 25c. per bottle, at
all druggists.

Fat men can congratulate themselves in
one way. None of them are prize
fighters.
Pond's Extract for veterinary purposes.

roads, and prominent stables. Address

Just—I was taken for 25 to-day and I
am only 15.
Julia—What will you be taken for when
you are 25?
Josie—For butter or worse, I hope.

Have you ever stopped to think how per-
fectly needless it is that one out of a hun-
dred of those who now die in early life as a
result of Lung troubles, should do so? If,
when first threatened with weak Lungs,
a few bottles of POTT'S EXTRACT OF
COD LIVER OIL WITH PANCREATINE AND
HYPOPHOSPHITES OF LIME AND SODA, were
judiciously administered to the invalid, in
nine cases of ten, an early and permanent
restoration to health and vigor would re-
sult.

Consider how much more you often
suffer from your anger and grief than from
those very things for which you are angry
and grieved.

Not Crude Material.
Scott's Emulsion is Cod Liver Oil per-
fected and is prepared upon the principal
of its digestion and assimilation in the
human system; hence it is given without
disturbing the stomach.

are to be had from the better class of dealers throughout Canada. For beauty,
texture and enduring quality, they are unequalled. Man-
ufactured as they are in pure wool, and in silk and wool inter-
weaves, these goods are a soft richness which is a perfect
delight to a lady's taste.
Priestley's goods are mostly in black, and in black

A gown in Priestley's fabrics retains its style and beauty
as long as there is anything of it left, hence they are the most
economical for all classes.

CASTORIA
Castoria is an excellent medicine for chil-
dren. Mothers have repeatedly told me of its
good effect upon their children.
Dr. G. C. Osipov,
Lowell, Mass.
"Castoria is the best remedy for children of
which I am acquainted. I hope the day is not
far distant when mothers will cease to read
instead of their children, and use Castoria in-
stead of the various quack nostrums which are
destroying their loved ones, by forcing opium,
morphine, soothing syrup and other harmful
agents down their throats, thereby sending
them to premature graves."

"Castoria is so well adapted to children that
I recommend it as superior to any prescription

"Our physicians in the children's depart-
ment have spoken highly of their experi-
ence in their outside practice with Castoria,
and although we only have among our
medical supplies what is known as regular
products, yet we are free to confess that the
merits of Castoria has won us to look with
favor upon it."
