Local and Other Items.

WHERE is the watering cart?

I. O. O. F.—St. Lawrence Lodge meets at 8 o'clock to-night.

TO RIFLEMEN.—Snider ammunition can now be had at J. J. Prowse's, foot of Grafton Street, near the rifle range.

THE WARMEST YET.—The thermometer registered 80 degrees in the shade yesterday,—the highest this season.

SLIGHT FIRE.—A slight fire amongst the grass and underbrush created some little excitement at Victoria Park yesterday afternoon.

TO BE INSPECTED.—The Princess of Wales will be inspected to-morrow. Consequently, there will be no steamer to Pictou.

NEW PREMISES.—We are informed that the Merchant's Bank of P. E. Island will move into their new premises on Great George Street, on Wednesday next.

BAPTIST CHURCH.—The Baptist church building committee are requested to meet this evening, at 8 o'clock. Place of meeting, Dr. McLeod's office. Full attendance requested.

AUCTION SALE.—The house and premises of Mr. James McMurrar, on Grafton Street, were sold at auction by A. McNeill at noon to-day, and purchased by Mr. James H. Reddin for $850.

ARRIVAL OF THE EREMA.—The barkentine Erema, Capt. Ledwell, arrived at this port from Liverpool yesterday morning, after being forty days out. She carried a general cargo, part of which consisted of 318 bags patent manure (about 21 tons), for Hon. D. Ferguson, and 10 tons for Geo. Carter & Co. She will sail again in about a fortnight.

CHURCH PARADE.—The members of No's. 1 and 2 Batteries Garrison Artillery, with their band, and the Engineer Corps, under command of Major Moore, paraded to the Methodist (Brick) Church yesterday morning. The church was well filled. Rev. Mr. Read's discourse was appropriate to the occasion, and was much appreciated.

HEAVY CATTLE.—We inadvertantly omitted noting on Saturday that the steamer Heather Belle brought a number of heavy cattle from Crapaud, for Messrs. Saunders & Newsom. They were fed by Messrs. Matthew Smith, Henry Farrow, George Lowther, Bowley Howatt, Neil McFadyen, and are intended for the retail trade.

A HANDSOME PRESENT.—Mr. David Burke, Canadian manager of the New York Life Insurance Company, was presented by the officers of the company, on the 14th inst., on the occasion of the opening of the company's new building at Montreal, with a solid silver tea service and a large box of beautiful knives and forks, which cost over $600. Mr. Burke is an Island boy.

A NOTE OF WARNING.—At High Mass in St. Dunstan's Cathedral, yesterday, Rev. P. A. McElmeel spoke very strongly in reference to the great increase in the number of those dens of iniquity, known as "hop-beer saloons," and the consequent increase in drunkenness. He urged his hearers to arise in their might and take active steps for the wiping out of this evil.

SALE.—Brighton Tannery, with its wheel-pits, vats, leaches, splitting machines, emery-wheel, stugging machines, boiler, engine, machinery and other plant will positively be sold without reserve. One of those rare opportunities, which seldom occur, and never more than once, in the lifetime of an invividual to obtain a great bargain will be presented next Thursday.

PAINFUL ACCIDENT.—We learn from the *Pioneer* that Mr. James Carruthers, of North Bedeque, met with a very painful accident last Friday afternoon. It appears that he was loading potatoes from the cellar of his house into a cart with a horse and block and tackle, when the middle finger of his right hand got caught in the block and the first joint was pulled off. Dr. Carruthers dressed the wound.

"LIGHT IN THE DARKNESS."—Mrs. E. H. Norton sang a beautiful and touching solo at the service in Zion Church last evening. It was entitled, "Light in the Darkness," and was, we understand, composed by a Mr. McKinlay who died at North River a few years ago. It was set to music by Frederick Cowan, a celebrated English musician, and was first sung by Madame Stirling. Mrs. Norton's rendition of the beautiful lines is highly spoken of.

INSURANCE RATES.—We understand that a meeting of prominent merchants was held in this city this forenoon, to consider how far the Board of Insurance Underwriters have acted in accordance with their promises given some four or five years ago, in view of the introduction of water. The concensus of opinion appeared to be that they had not carried out their promises in reference to the amount of reduction and the time it should be made. A committee of five was appointed to confer with the Underwriters to see if a satisfactory arrangement could not be made.

ONE THOUSAND MEN WANTED.—Mr. Donkin, the engineer in charge of the Cape Breton railway, complains of a scarcity of men and teams. He informs the North Sydney *Herald* that 1,000 men are wanted on the road between Boisdale, Sydney and North Sydney, as well as a large number of teams. The department is anxious to have the road finished by autumn. Mr. Donkin is in hopes, however, that all the labor and teams necessary for the vigorous carrying on of the work will be available next month, as farmers will then have completed the putting in of their crops.

AN ISLANDER KILLED.—Edward Owen, son of Mr. John Owen, of Malpeque, we are pained to relate, met with an accident out from Portland, Me., on Wednesday, the 8th inst., which caused his death. The deceased became paralyzed a few years ago and, although he recovered, was always afterwards weak from its effects. He was on a visit home last fall, but returned to the States before winter set in. On the day he met his death he was going on the train and had crossed the track, but fell just as he was over, and the train rushing by struck him on the head. He only lived about two and a half hours after the accident. Deceased was married to a daughter of Mr. Benjamin Cole, of Centreville. We sympathise with the friends in their grief. — *Ioneer.*

While Henry Rochefort, accompanied by friends, was walking Regent Street Saturday, he met Palotel and angry words were exchanged, and Palotel threatened to strike Rochefort unless he assented to a duel. Policemen arrested the two men and took them to the station, where Palotel charged Rochfort with assault. The revolver was fully charged. Rochefort was bailed.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes **a radical change in the system.** The process, in some cases, may not be quite so rapid as in others; but, with persistence, **the result is certain.** Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.
