

# UPEI DAY ON CAMPUS

UPEI Day is set for Saturday, September 23 when all Islanders are invited to visit campus. Visiting hours are from 2:00 p.m. to 4:30 p.m. and guests will tour especially the Robertson Library, the Kelley Building, Dalton Hall, the Dr. Steele Music Building and the Chaplaincy Centre. Students extend an invitation to campus guests to see their newly-renovated Student Union Building - The Barn. Besides new offices and a refurbished Panther Lounge, streamlined cafeteria facilities are now located on the third floor. Invitations have been sent to parents of freshmen to visit the University on UPEI Day affording them an opportunity to meet with faculty and students, and visit the campus facilities.

Residences will be open to view: the apartment style Blanchard Hall, and the double room accommodations of Bernadine Hall and Marian Hall.

At 1:30 p.m. the Atlantic Inter-collegiate Soccer Game is scheduled between the UPEI Panthers and the Universite de Moncton Blues.

At 2:45 p.m. graduate pictures of the former institutions Prince of Wales College and St. Dunstan's University, will be turned over

officially to the Robertson Library on permanent loan. At 3 o'clock a public concert will be presented in the Dr. Steele Recital Hall. Light refreshments will be served in the Robertson Library, where visitors will be invited to take out Library Cards.

A highlight of UPEI DAY will be the official presentation of a collection of graduation pictures from Prince of Wales College and St. Dunstan's University. The presentation will place the framed photographs on a permanent loan basis in the University's Robertson Library.

The concept came about through consultations with the

Prince of Wales Alumni Association, the St. Dunstan's Board of Governors and the University Librarian Merritt Crockett.

The presentation will be made on Saturday afternoon at 2:45 by Dr. Kent Ellis, President of the P.W.C. Alumni Association, and Charles Campbell, Chairman of the St. Dunstan's Board of Governors. Receiving the collections on behalf of the University will be University President Dr. Peter Meincke and Merritt Crockett.

Although the St. Dunstan's pictures remain in good condition, the Prince of Wales collection showed signs of aging. Painstaking restoration was carried

out through the generosity of the P.W.C. Alumni and today the pictures are in mint condition.

The display will hang in the Robertson Library Lecture Theatre on Saturday. Due to the size of the display (101 pictures) it is not possible to have them on permanent exhibit. UPEI DAY visitors and graduates of the former institutions are invited to view the photographs. Anyone knowing who might have copies of the graduating class pictures from P.W.C. for the years 1940 or 1962 is asked to contact the University Librarian. Photocopies could be made of these originals in order to complete the P.W.C. collection. -TOPICS-

## WELL KNOWN CHARLOTTETOWN DOCTOR HEADS BOARD

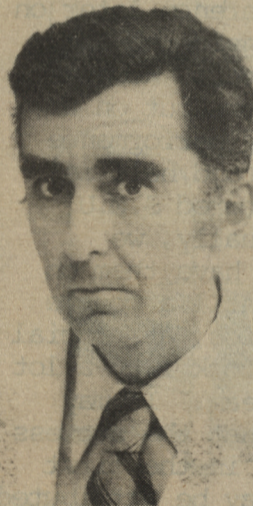

Dr. Kenneth C. Grant has been named the second chairman of the University of Prince Edward Island Board of Governors. At a meeting of the Board on Monday, Sept. 18, the members elected the Charlottetown surgeon as successor to the late Justice Trainor.

Dr. Grant, who is presently Chief of Staff at the Charlottetown Hospital, has been a member of the Board since its inception in 1969. During that time he has worked on numerous committees and was most

recently the chairman of the Staff and

as chairman of the Board.

Dr. Grant's selection comes as no surprise although no details were released about his appointment. Dr. Grant was one of only two members that have sat on the Board since 1969. The other, Wilbert McInnis, is chairman of the Finance Committee.

Organization Committee prior to his appointment

Our congratulations to Dr. Grant and we hope that he can continue to bring honor and respect to the position which Justice Trainor held so honorably.

## GIVE THE GIFT OF LIFE

The first Blood Donor Clinic of the year will be held next Tuesday, Sept. 26 at the U.P.E.I. Alumni Gynasium. The hours of the clinic are from 1:30 to 4:30 in the afternoon and from 7:00 to 8:00 that evening.

A number of businesses are contributing prizes or gift certificated to help encourage more people to attend these life saving clinics.

The university administration has agreed to donate a half credit course. The draw for this prize will be made

following the conclusion of the clinic.

Student Union has agreed to donate a number of cases of "beverages" toward a residence party for the residence that has the highest percentage of

its tenants turn out for the clinic.

Gift certificates from A and W and MacDonalds will be given out to each donor as well as a number of spot prizes will be drawn for. These spot

prizes will be donated by the U.P.E.I. Bookstore.

A meeting will be held at 3:00 P.M. on Thursday Sept. 21st and on Monday, September 25 at 6:00 p.m. at the medical centre in Marion Hall for people interested in working during the clinic. A lot of help is needed, so if you cannot make these meetings PLEASE try and show up at the gym at 1:00 p.m. on Tuesday to help set-up.

The goal for this year's clinic is 250 donors. It is hoped that we can beat last year's record of 214.
