

Cadets Not Considered For Reappointment

WASHINGTON, Nov. 28—(AP)—None of the 90 West Point Cadets dismissed for cribbing last August will be considered for reappointment under a policy laid down by the United States De-

partment of the Army. This was disclosed today after at least three members of Congress renominated boys who had been ousted for violating the West Point code of honor by accepting or giving help to aid in passing examinations. The Adjutant-General's office said the boys would not be considered for reappointment.

An army spokesman told a reporter today that a flat policy has been adopted under which any cadet separated from the Academy because of an honor violation will not be reappointed even if renominated by a member of Congress. Most of the dismissed men were members of army's football team.

THERAPISTS NEEDED

HALIFAX — (CP) — More physical and occupational therapists are needed in Nova Scotia, said Dr. W. D. Stevenson, chief neurosurgeon of the Victoria Hospital, in an address here. He said the whole of Canada has to be supplied with trained therapists from McGill University and the University of Toronto.

Let's Talk It Over

A Prince County Viewpoint by "d"

The Potato: Peasant in 1850, Aristocrat in 1951

All Islanders, no matter what their means of livelihood, should be happy in the knowledge that Island farmers are getting a handsome price for their potatoes this fall. Of course, there are a lot of farmers who took the advice last spring to cut their acreages drastically, and they will not benefit from the favorable market as will those who "stood pat" and planted their usual acreage. The advice was honestly given, and good, insofar as anyone could see future market developments at that time. Indeed it was partly due to reduced acreage that such a satisfactory price is now being offered to growers.

Place Your Bets, Gentlemen

Growing and marketing potatoes is a gamble, like so many other of life's activities. You make your choice, and the roulette wheel of the unforeseeable future stops at your number, or it doesn't, according to your luck. Although Lady Luck does play a leading role in the fortunes of men, it is still true that perseverance, and industry, courage and patience are qualities which make for success.

Middle-Man Spread

Would you believe it that when a package of cigarettes costs 42 cents, the tobacco grower who makes the most important contribution to the finished product gets only 3 cents? The Government dips down and comes up with 25 cents for Finance Minister Abbott's hope chest, and perhaps no one will seriously quarrel with that. But what happens the other 14 cents? Somebody, or a succession of somebodies, takes away almost five times as much as the producer. We hear so much about investigating price spreads but nothing ever seems to come of it.

ALMA & VICINITY

The Prince County Y.P.U. held a rally in West Devon on Wednesday, November 21st. Mr. James Donald and Mr. Donald Hardy attended.

Mr. and Mrs. David Matthews, Mr. and Mrs. John Wallace and George Murray attended the C. C. F. convention held in Kensington Hall on Tuesday, Nov. 20th.

The Misses Rae, Isabelle and Jean Donald of Charlottetown were visitors over the past weekend at the home of their parents Mr. and Mrs. Wallace Donald.

Mrs. Frank Kinch of Alma returned to her home on Saturday, November 24, after spending three weeks visiting her sisters and other relatives in Boston and other American cities.

Mr. and Mrs. W. B. MacLellan arrived home on Friday, Nov. 23rd after spending the past month in Providence, Boston, and Montreal with members of their family. They also visited other relatives and neighbors from this community who are settled in those cities.

The Alma district meeting of the Federation of Agriculture was held in the school house on Friday, November 23rd. A large number attended and were very interested in discussing the questions set forth by the Federation of Agriculture. John P. Wallace and Isaac Dunbar were appointed delegates to attend the meeting to be held in Summerside on Tuesday, November 27th.

The teachers of Elmsdale and surrounding districts met in Elmsdale school on Friday, Nov. 23rd for a study group. Discussions on different topics were led by Mr. Merritt Callaghan, inspector of schools. The following teachers were present: Mrs. Frank Dupin, Mrs. Sterling Matthews, Elmsdale; Mr. James Currie, Bloomfield; Mrs. Laughlin Horne, Rosebank; and Miss Catherine Wallace, Alma.

First Anniversary Of Borden United Church

On Sunday, November 25th, the congregation of Borden United Church celebrated its first anniversary. Members, adherents and friends from far and near were present to join in prayerful celebration and thanksgiving for the many blessings experienced since the opening of the church in 1950. The minister, Rev. W. Burton Crowe, Bedeque, of which pastoral charge Borden is a part, conducted the service, introducing the speaker for the occasion, Rev. A. S. Weir, Moderator of the Maritime Conference of the United Church of Canada.

Rev. Mr. Weir then dedicated several gifts to the church, as follows: Communion cups and tray from Mr. and Mrs. Frank Guigley; Communion table linen from Mr. and Mrs. George Burch; choir anthem books from Mrs. Murray Chute; pulpit and lectern drapes from former Trail Ranger members.

The choir of the church, assisted by Miss Mary Muttart as soloist, led the congregation in the service of praise, wholly dedicated to the glory of God.

Rev. Mr. Weir preached an appealing and helpful sermon from the text "Man cannot live by bread alone", and the construction of this beautiful little church in Borden perfectly illustrated man's need of higher and better things.

The service was recorded by Station C.J.R.W. and will be heard over that station on Sunday, December 2nd at 4 p.m.

Church officials stated there is much to be done yet to pay off the debt, and carry on with current expenses, but with God's help and the continuing efforts of all, Borden Church will and has become an influence toward a better life in the town and countryside.

Retired Minister of United Church Dies

OAKVILLE, Ont., Nov. 28 — (CP)—Rev. Charles Hackett, 78, a retired United Church minister, died Monday of a heart attack after shovelling the snow off his front walk.

Mr. Hackett was graduated from McGill University and took up his first charge at the Methodist Church in St. John's, Nfld. Besides his widow he leaves two sons.

TIRED FEET

Soothe them with **MINARD'S LINIMENT** 35¢
Rub on freely, and soon quick relief. No strong odor. Large economical size 55¢.

O'Leary and Vicinity

The O'Leary Women's Institute had to postpone their annual auction and sale due to the storm, and the meeting of the Bloomfield United Church Young People's Union was also cancelled.

The new O'Leary School is heated by a furnace whose circulating fans are run by electricity. When the power failed, two of the rooms in the school were comfortable and two were very cold, as the electric circulating fans were not working, so for many of the O'Leary children it was a half holiday.

On Tuesday, Nov. 27th, O'Leary experienced very heavy winds with snow squalls. It made driving very hazardous and dangerous due to the icy roads. A large section of the village of O'Leary had no electric power from early in the morning until 4 p.m., and many householders with electric water pumps were compelled to haul water from their more fortunate neighbors who were not dependent upon the electricity.

Next Tuesday, Dec. 4th, the first public meeting of the ratepayers of O'Leary, since the community was formally incorporated as a village, following a plebiscite of the people, will be held. A budget will be presented for approval and other business transacted. The Commissioners who govern O'Leary are as follows: Ralph Adams, Alton Rayner and Bernard Shea.
