SPORT ECHOES

Victory At Last

Well, you can't keep a good man down, as the whale found out when he swallowed Jonah, and it's equally true you can't keep a good team down indefinitely. Inman Plumbing seems to be a pretty good team, but they lost fourteen straight games before they came up with a victory. It was their two good men, John McLaren and Jim Jenkins who had fingers in the victory pie. McLaren hit two home runs, batting in four of their five runs, and he scored the other one himself. Outfielder Jenkins, often a hero in batting roles, made the defensive play of the game pegging to third base to get Doug White who had come all the way from first on a hit to centre field.

Mention should also be made of Gord Montford who contributed two singles, and of Jack Grabowski who pitched his team to their first triumph. This win may give the Plumbers more confidence, and they may be harder to down from now on. Should they happen to beat all opposition in the play-offs, and win the Prince County League crown, they'd be the top Cinderella team of the past decade. And don't think it isn't possible.

Big Day Is Looming

We're on the verge of the big track and field meet at Summerside, and doubtless sports fans who have specialized in watching baseball or softball or harness racing, and haven't had much interest in track and field activities, will be out to the new complex at Hillcrest for this Eastern Canadian show, which is a first for P.E.I. and indeed, we believe, for the Maritimes. We are in Wolfville now, but we're going to make a valiant effort to see this meet — if work does not interfere.

A Day Of Golf

We had an enjoyable game of golf at Ken-Wo recently with Dr. Gerald Power of Saint Francis Xavier University. Father Power, a very fine gentleman and sportsman, has only a slight edge on yours truly in the golfing game, so he won't be challenging Palmer of Nicklaus for a while yet, but he is the best finder of golf balls we've ever seen. Almost every time we hit a ball off the tee, it took off for the nearest woods like a wild turkey's egg looking for its mother. Father Power managed to find them all and the rough on this golf course is really rough. We were looking too, of course, but in vain.

LAST WEEK'S BOUQUET

Fourteen losses in a row for Inman Plumbing!
Such a string to one's morale is rather numbing.
Of victories they were barren,
Till that slugger, John McLaren
Gave them one, so cheers for John, he's got it coming.
