## Bessborough Trophy To Be Used New Way

OTTAWA, (CP)—The Dominion Drama Festival has announced a new purpose for the Bessborough trophy—until this year the top award in annual Dominion competition.

The festival executive has decided the trophy, which was given by former governor-general Lord Bessborough, will be awarded for "outstanding achievement" in the presentation of a classical play in the 13 regional drama festivals preceding the Dominion final.

The decision was made on the recommendation of a special committee under the chairmanship of Robertson Davies of Peterborough, Ont., well-known Canadian playwright and editor of the Peterborough Examiner.

The Bessborough trophy's place as prize for the best play in the Dominion final has been taken by the Calvert trophy, which is accompanied by a \$1,000 cash award.

The announcement said a classical play shall be considered as a play of "recognized value" at least 50 years old. The decision on its award will be made by the adjudicator who judges the 13 regional festivals.
