Trust Companies Planning Merger

LINDSAY, Ont. (CP)—A shareholders' meeting of Victoria and Grey Trust Company voted unanimously Tuesday to ratify a merger agreement with British Mortgage and Trust Company.

H. J. McLaughlin, chairman of the board of Victoria and Grey, told the 81 shareholders present that the merger was in reality a takeover of British Mortgage, which fell into financial difficulties after the bankruptcy of Atlantic Acceptance Corp.

Mr. McLaughlin said the board of Victoria and Grey had no fear in endorsing the takeover even though its studies had shown that British Mortgage had lost \$5,500,000 through its Atlantic holdings.

After the merger, he said, Victoria and Grey shareholders would have 96 per cent of the shares of the new company. British Mortgage shareholders would realize only \$2.50 a share for stock that sold a year ago for more than \$40.

The 81 shareholders present represented 79.4 per cent of the 1,350,000 total outstanding shares of Victoria and Grey in person or by proxy.
