JOHN McNEILL, C. H. A.

A BILL to be intituled "An Act in further addition to and amendment of the Act to incorporate the Town of Charlottetown."

WHEREAS the late disastrous fire in the City of Charlottetown has clearly manifested the im-

perative necessity of providing for the preservation of the lives and properties of the Citizens, a copious supply of water in all parts of the city, as well as a duly organized fire brigade. And whereas also, the Streets, Squares and Side-walks of the City require, in order to put them in a proper and efficient state of repairs, that a considerable outlay of money should be appropriated for that purpose. And whereas there are various other improvements which the increasing population and commerce of the city demand should be attended to, for the health, comfort, and convenience of the citizens. And whereas for the accomplishment of these necessary and desirable objects, the present revenue of the city is altogether inadequate: For remedy whereof, **BE IT ENACTED** by the Lieutenant Governor, Council and Assembly, as follows: The city Council of the city of Charlottetown may, by a bye-law duly enacted and assented to, levy an assessment upon the Proprietors and owners of real and personal estate in the said city, which assessment shall not exceed in the case of real estate, pence in the pound upon the rental of such real estate according to the valuation of the same in the books of the assessors, which said assessment shall be in addition to, and over and above the sum of one shilling in the pound upon the rental as now levied upon and paid by the occupants of real estate in the said city. And in the case of personal estate, the said assessment shall be at the rate of upon every hundred pounds value of such personal estate, according to a valuation to be made by the said assessors, which said assessments shall be duly paid by the respective proprietors, and owners of real and personal estate, after due notice thereof, subject however to be appealed from, in the way and manner prescribed in the Act of Incorporation and the bye-laws of the said city.

Personal property for the purpose of assessment, shall consist of Household Furniture, Goods, Wares and Merchandize.

The household furniture of Officers in the Army doing duty in garrison; that of the Consuls of foreign nations, and that of those persons where the value in the assessment books shall be less than pounds, shall be exempted from assessment.

Persons appealing from the assessment on personal estate may tender, on the hearing of the appeal, an affidavit in writing, to the following effect :

I of the City of Charlottetown, whose personal property has been valued at £— according to the notice hereto annexed, do swear that the schedule following is a just and true account, according to the best of my knowledge and belief, of the personal estate owned by me, and liable to assessment, viz: Household Furniture, £—: Goods, Wares and Merchandize, £— :

Sworn, &c.

Such valuation by the owner, under oath, shall be conclusive as to the valuation of the property to be assessed. Provided always, that should it appear to the City Council, that the said valuation has been fraudulently underrated, the party making and tendering such affidavit, may be prosecuted in the Supreme Court for fraud and perjury.

The City Council may pass a bye-law or bye-laws, regulating the sale by License of Spirituous Liquors within the limits of the said City, and the licensing
