In Memoriam

In Loving Memory of our dear Aunt, Edith Pearl Stewart, New Argyle who passed away July 25, 1954.

She never failed to do her best. Her heart was true and tender. She worked so hard for those she loved.

And left us to remember. Thoughts of her come drifting back. Within our dreams to stay. To know that she is resting. When twilight ends the day.

Sadly missed by her niece and nephew, Ellie and Watson.

STEWART — In loving memory of a dear sister and aunt, Edith Pearl Stewart, who passed away at New Argyle on July 25, 1954.

No hand like yours so willing. No heart like yours so true. No one ever more faithful. No one more kind than you.

Gone from us but leaving memories. Death can never take away. Memories that will always linger. While upon this earth we stay.

Sadly missed by Flora Belle Johnny and family.

ENGLAND — In loving memory of our dear daughter, Jean MacLean England, who passed away July 25, 1944.

In a graveyard softly sleeping. Lies beside a country road. Lies the one we loved so dearly. Gone from us to her abode.

Sometimes its hard to understand. Why some things have to be. But in His wisdom God has planned. Beyond our powers to see.

Always remembered by mother, father, Ronnie and Ernestine.

CARDS OF THANKS

Mrs. William Jones had family Pownall, wish to express their appreciation to their neighbours and friends who so kindly helped in many ways during the illness and death of our dear one.

I wish to sincerely thank the crews of the M.V. Abegweit and S.S. P.E.I., also the men on the docks and other friends who contributed towards the purchase of money which was presented me on my retirement from the ferry and send best wishes to all.

John R. Williams.

Sails To Arctic

MONTREAL (CP)—The Canadian icebreaker Iqaluit left here Monday to begin a 13,000-mile voyage through northern waters on Canada's greatest summer supply mission yet to the Arctic.

It is the vessel's fourth trip to the North. She is one of two key ships in an 11-vessel fleet which will cover the North during the next three months.

The Iqaluit and the government supply ship C. D. Howe will lead a group of six freighters, a tanker, a government service vessel and the icebreaker N. B. McLean on service missions to the Canadian north.
