How Mr. W. D. Weitz, of Geneva, N. Y., was cured of the severest form of dyspepsia? He says everything he ate seemed like pouring melted lead into his stomach.

The highest praise has been won by Hood's Pills for their easy, yet efficient action. It is stated by the attendants at the zoological gardens that no ape will sleep flat on his back, as adult man often does.

LET every enfeebled woman know it! There's a medicine that'll cure her, and the proof's positive! Here's the proof if it doesn't do you good—try it a reasonable time, report the fact to its maker and get your money back without a word—but you won't do it!

The remedy is Dr. Pierce's Favorite Prescription and it has proved itself the right remedy in nearly every case of female weakness. It is not a miracle. It won't cure everything—but it has done more to build up tired, enfeebled and broken-down women than any other medicine known.

Where's the woman who's not ready for it? All that we've to do is to get the news to her. The medicine will do the rest. Wanted—Women! First to know it. Second to use it. Third to be cured by it. The one comes of the other.

The seat of sick headache is not in the brain. Regulate the stomach and you cure it. Dr. Pierce's Pellets are the Little Regulators. Only 25 cents a vial.

The postmaster at North Lansing, N. Y., was appointed in 1828, when but 19 years old, and has held the office ever since.

MARGAREE, C. B., July 9, 1894. I hereby certify that the "Opeleka" Lintment, made and sold by James H. Pullen, Waverly, N. S., is a good Lintment for all it takes credit for. I cheerfully recommend it to all suffering from rheumatic attacks, as I found almost instant relief on all occasions from its use.

J. P. McFARLANE. Last year 22,080 patents were issued in the United States, nearly twice as many as were granted during the first fifty years of the present office.

"Had your vacation?" No "We don't forget to take along Johnson's Anodyne Lintment." A judge in Charlottetown, South Carolina, has decided that the sale of soap by a druggist on Sunday is lawful, because cleanliness is next to godliness.

EVERY testimony regarding Hood's Sarsaparilla is an honest, un-purchased statement of what this medicine has actually done. About 20 per cent of the coffee sold in this country is spurious. Thirteen million dollars are paid for roasted beans, peas, etc., called coffee.

SCOTT'S EMERALD, the Great German Skin Cure, and Great Cosmetic made. Removes Blemishes, Redness, Eruptions, etc., as if by magic. 50c. tubes in elegant cartons 50c.

All the chickens in the western part of French Guinea are perfectly white. It is impossible to find one with a colored feather. SCOTT'S DISCOVERY, the Great German-American Remedy for Coughs, Nerves, Liver, Kidneys, Blood. Guaranteed to cure with every bottle. Pay only for the good you receive.

P. E. I. RAILWAY. Sa'urday Excursion Tickets.

UNTIL FURTHER NOTICE Return Tickets at one single first-class fare will be issued from all Stations on this Railway to Souris, St. Peter's, Morel, Georgetown, Charlottetown, Hunt River, Cape Traverse, Kensington, Summerside, Alberton and Tignish, good going by any passenger train on Saturday and for return by any passenger train on Monday.
