Charles, who is well and favorably known by almost everyone in Summerside where he has been a prominent figure in sport and social life, is also highly esteemed by hundreds of school children who have taken part in the Schurman School Parade in which, for the past three years, Charles has pleasingly acted as master-of-ceremonies.—S.

**Ministerial Association Meets**  
 —The West Prince Ministerial Association held its regular monthly meeting on Thanksgiving Day at Alberton in the Presbyterian Manse and the Ministers were the guests of Rev. George and Mrs. Cunningham.  
 The president, Rev. C. O. Howlett, O'Leary, presided. The secretary, Mr. Owen F. Underwood, read the minutes which were approved as read. A fine devotional was conducted by Rev. John M. Sheen of Elmisdale. In connection with this a Circle of Prayer was held. It was decided that Rev. C. O. Howlett should give a paper at the annual meeting of the P. E. I. Ministerial Association in Summerside in November 3rd and the secretary, Mr. Underwood, would give a short report on the activities of the Ministerial Association.  
 A fine address was given by Rev. George Cunningham of Alberton on "The Holy Bible," who suggested ways and means of getting more people to read the Bible and a fine discussion followed.  
 Regret was expressed at the coming departure of Rev. W. G. Dickson of O'Leary who is leaving for Osgoode, Ont. and he was presented with a gift from the members of the Association. He has been an active member for the past five years and secretary of the group for three years.  
 Mention was made of the probable departure of Rev. George Cunningham of Alberton for a new charge in Scotsburn, Pictou County, N. S. The call has been approved by the Pictou Presbytery and will shortly be considered by the P. E. I. Presbytery. Should Rev. Mr. Cunningham leave, the West Prince Ministerial Association will lose a valuable active member and one who has served as its President.  
 Delicious refreshments were served by Mrs. Cunningham and this delightful afternoon concluded by the benediction. Present were: Rev. Austin Staples, Greenmount; Rev. G. B. Cunningham and Rev. J. R. MacMahon, both of Alberton; Rev. J. M. Sheen, Elmisdale; Rev. C. O. Howlett, Rev. W. G. Dickson and Mr. Owen F. Underwood, all of O'Leary; Rev. W. H. Forsythe of West Cape; Mr. Williamson of Tyne Valley.  
 The next meeting, which will be the annual meeting will be held at the home of Rev. Austin Staples, Kildare. An address will be given by Mr. Williamson of Tyne Valley.—A.Z.

**Let's Talk It Over**  
 by "G"  
 Familiarity may not always breed contempt, but it definitely does breed indifference. A stranger who recently came to our shores said she had never seen the glory of the autumn leaves before, and was definitely verging on the ecstatic because of this magic transformation every autumn, pictures which even Turner, the great landscape artist, could scarcely match, and we take it pretty much for granted that we had just come from the Garden of Eden, and any lesser glories bored us.  
 Falling to dim lights when meeting another car is perhaps the most common violation of traffic regulations which we see. It is treated as not a very serious breach of road etiquette, apparently, and yet it can be the cause of fatal accidents. The Province of New Brunswick attempted to deal with the problem two years ago and we never did hear whether it increased or decreased the number of accidents. The Province or not, it shouldn't be any more difficult to deal with this fraction of rules, than it is to cope with speedsters. Yet those who drive over the speed limits are picked up every day, while the drivers with the glaring lights seem always to get away with it. How about a drive to combat this menace?  
 We recently had a visit from the well-known Wilf Carter, and according to him, much was learned a few months ago, the genial Wilf is a man of considerable means. Looks as if there's gold in them thar hill-billies.

 A letter of appreciation was read from Mr. M. L. Frank MacKenzie for a basket of flowers from the town on the occasion of the opening of his newly decorated and enlarged store.  
 A letter was read from Flicker and Meteor Taxis requesting that the town support their suggestion of increasing the town tax rates from 25 to 35 cents for one passenger and to 25 cents each for two or more.  
 It was the opinion of some councillors that the town could not set rates, but it was moved by Councillor Driscoll that the letter be handed to the town recorder for his opinion.  
 A motion by Councillor Driscoll was approved that \$200,000 be put in bond from back overdrift accruing from permanent works in 1951.  
 A motion by Councillor Jenkins was approved that the regular grant of \$600 be paid to Prince County Hospital in respect to charity patients from the town.

**Special Service At Dundas**  
 A special service of thanksgiving was held Sunday evening, October 12th in the Dundas Baptist Church. The ladies of the church had previously decorated the auditorium with flowers, fruits and vegetables. The appearance of the church auditorium was greatly enhanced by the tastefully arranged products of the farms and gardens.  
 The service was conducted by Rev. E. J. Barras of Summerside who preached from the theme "We will give thanks," the text being Psalm 136, 1, "O, Give Thanks Unto The Lord, For He Is Good". Appropriate musical selections were rendered with Mrs. Fred Matheson at the organ. The special guest soloist was Mr. Harry Craswell of Charlottetown, who sang two selections with great acceptance, "Amen," and "The Beautiful Garden of Prayer."  
 A fine representative congregation was present at the service.—S.
