RE: Income Tax Deductions

1. EDUCATION DEDUCTION CERTIFICATE (T2202A)

Full time students are eligible to deduct \$50 for each month of full-time attendance during the 1982 taxation year, provided the deduction is verified by the university.

Students who do not need the deduction for their own tax return should sign the approved form so that a parent, or spouse, may have the benefit of the deduction.

These forms are available in the Registrar's Office and should be picked up as soon as possible.

2. TUITION DEDUCTION

Full-time and part-time students may claim the amount of tuition paid provided the deduction is verified by the university on an approved form. Tuition deductions may not be claimed by anyone other than the student.

Income Tax Receipts for tuition paid may be picked up at the university Business Office.

Students who are unable to pick up these forms should contact the appropriate offices to have the forms mailed out.
