GRAIN

WINNIPEG, Sept. 9 - (CP) - Prices generally displayed a firm tone today on the Winnipeg Grain Exchange. Flax was lower. Further aggressive demand from shippers and exporters appeared in oats and barley. Trade reports indicated two cargoes of Canadian barley had been sold, with Belgium and Germany named as possible destinations. About 250,000 bushels of oats also was reported worked for export.

Offerings were light in the near-by contracts but fairly liberal in the deferred months. However, these were well taken. Rye moved up for good gains at one stage on shipper buying but these advances were not all held. Offerings were light. Flax trade was light and generally local. The odd processor purchase was noted. Prices, however, dropped sharply.

Export loadings of Canadian wheat included 835,000 bushels to the United Kingdom, 350,000 to the Republic of Ireland, 480,000 to Ger-many, 360,000 to Yugoslavia and 350,000 to Chile. Prices for class two wheat advanced 1 1/2 cents. I.W.A. prices dropped one-eighth. Closing prices: Oats - Oct. 86; Dec. 83 1/4; May 84 1/4. Barley - Oct. 1.35 1/4; Dec. 1.26 1/4; May 1.24 1/4. Rye - Oct. 1.77 1/4; Dec. 1.79 1/4; May 1.85 1/4-1 1/2. Flax - Oct. 3.85B; Dec. 3.82 1/4-1/2; May 3.86 1/4 A.
