ritory such as Prince Edward Island. Every pledge that is made, must be made with the reservation that the keeping it will involve no attempt at impossibility nor violation of the rules of prudence or dictates of common sense. As we premised, every representative merges his individuality of representation into that of the whole. However determined any of the members elect might have been to support the present administration, each must have found it impossible to carry that determination into effect, upon seeing the returns made. Coles, the head of the party, who was carried in at the last election with such triumph, is rejected by his own constituents; Pope, who was the life and soul of it, has voluntarily abdicated. Hensley, the Attorney General, failed in the attempt to be elected for Georgetown.

There is but one man who has any pretensions to call himself the Head of a Department among the returned members—Warburton,—and no one would, we imagine, be so absurd as to think of him as the leader of a Government. The voice of the people—the good sense of the people—the honor, honesty and integrity of the people—have at last triumphed, and we look forward with trust and confidence to the formation of a system of real and true responsible government, adapted to the peculiar circumstances and exigencies of the Colony.

FIRE.—A fire broke out on the night of the 19th instant, at Mr GURNEY's Cloth Mill, *Cove Head*, which burnt down the Fulling Mill. We regret to learn, that two fullers were consumed, together with other valuable machinery. The fire originated from a stove-pipe, placed in a horizontal position, which, as is supposed, had separated at the joints by the jar of the two Fulling Mills then at work.

All the cloths was removed to a place of comparative safety before the arrival of the neighbours, by whose extraordinary exertions, the progress of the fire was arrested, then rapidly spreading towards the dressing mill and press room. The latter suffered only a slight injury.—*Isl.*

We were visited last night by one of the most terrific storms of wind and rain, from the S. E., that has ever been experienced in this town. We fear that we shall hear of much damage being done throughout the country. The roof on the North side of the Episcopal Church of St. Paul, in Charlottetown, was completely torn off and thrown to the ground; the wind having got under the eaves, and from thence along the roof. The interior of the Church has suffered no great injury, and a large body of workmen are engaged in repairing the damage to the roof and in preparing the Church for the services of the morrow. Several chimneys have been blown down, and fences prostrated.

We are requested to state, that the injury done to the roof of St. Paul's Church, in this town, by the gale last night, will not prevent the performance of Divine Service therein as usual, to-morrow, the 25th instant.

We are requested to remind the public that the Meeting of the CHARLOTTETOWN TOTAL ABSTINENCE SOCIETY, held their first meeting on Tuesday, the 27th inst.

FREE CHURCH.—The Rev. Mr. SUTHERLAND will preach in the *Temperance Hall*, on Sabbath first, at 11 o'clock, at 3 and half-past six in the evening.

The Steamer with the English Mail, arrived at Halifax on Thursday morning last, the 22d instant. It may be expected here by the Cape, on Monday night next.

ERRATA.—In Gazette of 30th Nov., 1st Page; 1st Article; the last sum mentioned in the 15th, 16th, and 27th Paragraphs, require to be altered to 116,449; 36,693; and 78,338.
