Ramsay & Walsh To Meet

Sir,—Prince Edward Islands biggest punching party since the good old days, when pier six brawls were the rule rather than the exception, will bring together Kid Walsh of McAdam, N.B. and battling Bud Ramsay of Alberton at the Civic Stadium in Summerside Sept. 20.

The bout is billed for the Welterweight Championship of P.E. I. and N.B. The winner has been promised a crack at Maritime Champion Norm Gautreau of Moncton.

This trip out Ramsay finds himself heavily backed to gain the nod. Reports from N.B. have it that Ramsay can expect a hot argument, as Walsh has been punching the bag with a fury which he has seldom shown in other training chores.

However we feel that we will string along with the majority and pick Ramsay as the eventual winner.

In the six round semi - final will bring together, Leo Steele of Charlottetown and Walter Arsenault of jsummerside. Although there will be plenty of boxing in evidence if there should be any lack of the boxing science, it will be more than made up for in the willingness of the pair to fight all the way. Both have shown a tremendous degree of improvement in recent scraps, and while the majority will be inclined to support the heavy-hitting Arsenault there will be many who believe that Steele has the boxing ability to miss the heavy artillery aimed at him.

Arsenault is probably the most improved boxer in the province and one who not only can take everything thrown at him without complaint and still shake it off, but come back with some of the most devastating punches seen in an Island ring. He is the same fighter who only lately beat supposedly unbeatable Buzzy Urquhart of Dartmouth, N.S. In that fight Urquhart hit with everything he had, and still Arsenault simply shrugged off the blows to go on to win easily Few Island fighters can shrug off the hard pounding lefts and rights that Urquhart throws. Steele is clever, but perhaps a bit too wide open for a rugged opponent, Arsenault will probably be installed as favorite in the bout.

The six round special has the boxing fans talking. Promoter Hogan has brought back the popular Wendall Oliver the Alberton whirlwind to meet Urban Rogers of Indian River. In other bouts on the card young Arsenault takes on Elmer Gussie Gallant. Opening the card will be young "Peanuts" Arsenault and Elmer Grady.

In this card Promoter Hogan has come up with the unique feat of having 10 maritimer's sons round out the card.

George Ross the former West Bay Road, Cape Breton boy is continuing his winning ways in boxing in New Zealand. Early last week George tangled with Johnny Castles of New Zealand and pounded out a ten round decision.

Sept. 12 at Revere, Mass Tony Veranin won his 21st in 22 fights by stopping Eugene Lopes of wareham. In another bout on the card, Buddy Cochrane, who chilled Bud Ramsay at Summerside several weeks ago, lost on a T.K.O. to Dick Diorsay in the sixth round. Dr. Samuel Sandler ordered the fight stopped because of a cut on Cochrane's nose. Lem Moore, Cochrane's second, complained bitterly that the cut was not serious, it did not require stitches.

$700,000 Or Better Expected From Title Bout

NEW YORK (AP)—An International Boxing Club official said Monday he is confident the Sugar Ray Robinson - Carmen Basilio middleweight title fight will gross $700,000 or better.

"We've got $300,000 in now," said Harry Markson, managing director, "and the sale is going very well."

Robinson defends his middleweight crown against the welterweight king at Yankee Stadium Monday.

Markson and James D. Norris, president of the IBC, originally predicted the battle would at least equal the gate for the Robinson-Randy Turpin return bout, which drew 61,370 fans and $767,626, Sept. 12, 1951.

How Many Games Can Braves Lose?

MILWAUKEE (AP) — The magic number game, popular in the land of the Braves since the local heroes started their great August drive into the National League lead, has taken on a new twist:

If the Braves with a 2½ game bulge now, lose all of their remaining games, how many must St. Louis win to tie for first place in the final standings?

The answer is: Two out of 11. And there are variations. if St. Louis wins all 11 remaining games, the Braves will have to win 10 of their 12. This, in view of the fact that the Braves at the moment have won three of 11 games since Labor Day, and the Cards have won 10 of their last 12.

To compound the improbable with the impossible, it should be noted that the two teams play each other three games down the stretch, so if the Cards win 11, the Braves won't win 10.

This is still considered the darkest possible view hereabouts, but

SPORT OF KING'S

Morell Became Champs

In a game that had a little of everything Morell became the King's County Champions. This gives them the right to meet Tignish in the Island Finals, with the first game at Tignish, next Sunday.

Although everybody had a hand in winning, laurels of the game must go to Louis MacGuire and Eldershaw. It was MacGuire's terrific relief pitching coupled with Eldershaw's daring base running that led to Morell victory.

Although loosely played at times, both sides came up with some fine plays. MacGuire made a nice stop in the fifth while E. Smith had the only double play of the game in the first.

Coach Wallie Coffin of Morell stated that while little or nothing is known of the Tignish entry, his team will endeavour to win the opening game at the Tignish diamond on Sunday. Morell and Tignish clashed for the Island title a few years back with Morell winning.

The second, and third, if necessary, games will be played at Morell the following Sunday. This should be an exciting seric

If it's half as exciting as the Morell-Peakes series then it will be a whopper.

One of the largest crowds er to witness a ball game in Morell were present. The total figures estimated was around the two thousand mark.

Note to Bowlers in Souris and vicinity. The bowling alleys open on September 22nd while play in both the Men's and Women's leagues will get underway during the first week in October.

Remember When

Bobby Riggs and Alice Marble completed their sweep of the Wimbledon and United States singles tennis championships at Forest Hills, N.Y., 18 years ago today. Riggs defeated Welby Van Horn in straight sets to succeed Don Budge as the U.S. men's champion, while Miss Marble defeated former champion Helen Jacobs 6-0, 8-10, 6-4.

Milwaukeeans are facing up to it. Lou Chapman of The Morning Sentinel described the Braves' clubhouse after Sunday's 3-2 loss to Philadelphia as the site of a wake.

Mays, Mantle Still Behind

NEW YORK (AP)—Willie Mays of the New York Giants has moved to within three points of Stan Musial in the National League batting race.

With Ted Williams' return to the Boston lineup indefinite, the National League competition has taken the play away from the American League derby in which Mickey Mantle will have to make up a seven-point deficit with two weeks remaining in the regular season.

Here's the way the contenders stood with none among them scheduled to play Monday:

	AB	H	Pct.
Musial, Cards	477	163	.342
Mays, Giants	552	187	.339
Williams, Red Sox	402	151	.376
Mantle, Yankees	461	170	.369

Mays, a strong finisher, gained five points in last week's games with nine hits in 19 tries. Musial returned to action Sunday after resting a shoulder injury. The St. Louis star had three hits in six trips in the doubleheader against Pittsburgh.

Musial will have to at least hold his ground if he's to win his seventh championship.

Williams, plagued by a chest cold, has not played since Sept. 1. Mantle got back into action Friday and has had five hits in 14 at bats since. His average did not change.

In the other important batting departments, Roy Sievers of Washington virtually clinched the American League home run crown. He slammed three last week, giving him 39 for the year. Mantle is second with 34. Sievers would be the first Senators player ever to lead in circuit blows.

Vic Wrtz of Cleveland is challenging Sievers for the runs batted in lead. The Indians' slugger drove in 12 runs last week. This gave him 98. Sievers has 106.

In the National League, Ernie Banks of Chicago hit six home runs to tie Milwaukee's Hank Aaron for the top spot. Each has 40. Aaron remained comfortably ahead in RBIs with 120

Memramcook Will Meet St. Stephen Today

ST. STEPHEN (CP)— Memramcook Rovers, one game away from capturing the New Brunswick Intermediate "A" baseball crown, which they won last year, will meet St. Stephen St. Croix here today in the fourth game of the Provincial finals. Game time is 5 o'clock.

The Rovers captured the first two games, by respective 7-2 and 6-2 counts, but lost a chance to wrap up the series in three straight by losing Sunday's fixture at Memramcook 7-1.

St. Stephen coach will probably go along with right hander Roddie MacMillan or Dick Canavan, who tamed the Rovers Sunday. MacMillan lost Saturday's 6-2 game. Gene Boudreau has either lefty Bob Fougere Eddie Belliveau to throw against the pesky St. Croix club.

If a fifth and deciding game is necessary it will be played at Memramcook on either Thursday or Saturday.

French Champ Floors Scot

PARIS (AP)—Alphonse Haliml, France's world bantamweight boxing champion, Monday night knocked out Scotland's Chic Brogan in two minutes of second round of their 10-round non-title fight. Halimi weighed 119½, Brogan 118¼.

Halimi had Brogan on the floor three times in the second round.

He floored Brogan with a left to the body and a right to the head after one minute in the second round but the Scotsman pulled himself to his feet at the count of nine. About 15 seconds later Brogan went down under a flurry of lefts and rights from the baby-faced little Frenchman. He got up this time at the count of seven.

The third time he went down he plopped flat on his back and was still unable to move when the referee reached the 10 count.

Only 3 Pitchers Likely In Majors 20-Game Ranks

NEW YORK (AP)—Only three pitchers—six fewer than last season—likely will enter the ranks of the major league 20-game winners this year.

They are, in order of their next probable start, Billy Pierce of Chicago White Sox, Warren Spahn of Milwaukee and Jim Bunning of Detroit. Each has won 19 games.

Pierce already has had one shot at his 20th triumph. But he blew it when New York Yankees' handed him his 11th setback last Friday.

With a little more luck, Spahn might have had No. 20 [illegible] the bag. He picked up his 19th on Sept. 7 and [illegible] two—by 2-1 to Pittsburgh and 3-2 to Philadelphia. The veteran lefthander had produced 20 victories seven times.

Bunning has won his last four while running up a string of 23 innings without an earned run. He has taken over the American league earned run lead from the Yankees' Bob Turley. Jim has a 2.37 era and Turley's is 2.44.

Patterson Takes Big Four Lead

TORONTO (CP)—Hal Patterson, 23-year-old 60 - minute man with Montreal Alouettes has taken over sole possession at the top of the Big Four football scoring race with a clear six - point margin over Ottawa's Tommy Lewis.

Statistics compiled by The Canadian Press show Patterson galloping at a touchdown- a -game pace with 30 points on five touchdowns. He piled up two in last Saturday's 43-1 rout over the winless Toronto Argonauts.

Lewis scored one as the Rough Riders lost a tough 18-14 decision to the Tiger - Cats at Hamilton. Steve Oneschuk is in third place with 21 points on one touchdown, nine converts and two field goals.

Gary Schreider, young back with Rough Riders who led the scoring race a week ago, dropped to fourth place with 20 points. He picked up only one point Saturday on a convert.

Five players are tied for fifth place with 18 points on three touchdowns each. They are Geoge Bancato and Bobby Simpson, both of Riders, Art Powell of Argonauts, Cookie Gilchrist of Tiger-Cats and Pat Abbruzzi, the 156 scoring champion with a record 20 touchdowns, from Montreal Alouettes.

Series Fever In St. Louis

ST. LOUIS (AP) — St. Louis baseball fans, their fingers crossed, began running a world series fever Monday.

The Redbirds in the last two weeks already had cut Milwaukee's 8½-game lead in the National League pennant chase to just 2½ games.

If the Cardinal fans hadn't become excited before, Sunday's double victory over Pittsburgh was enough to do it. It was enough for the Cardinal front office, too.

Frank Lane, the Cardinals' rugged general manager, decided to put off no longer the expense of having world series tickets printed. And, he wasted no time in dispatching two scouts to keep track of the New York Yankees.

"I feel the pennant race is going down to the last three days, our final series with the Cubs here and Milwaukee's with Cincinnati," Lane said. "Every game is a big one now, but at least we've got a chance and, believe, a pretty good one."

The Cardinals' field manager, Fred Hutchinson, is a tough baseball realist, sometimes called the "big bear." But even he began to talk pennant for the first time.

He emphasized the importance of every game the rest of the way, particularly the ones with Brooklyn here Tuesday and Wednesday nights.

Braves Win; Dodgers Lose

MILWAUKEE (AP) — Smashing out of their batting slump, Milwaukee Braves Monday night hammered out 14 hits, including a home run by Del Rice, as they defeated Philadelphia Phillies, 5-1, and stretched their National League lead to three games.

The Braves produced the victory, only their fourth in 12 games, after manager Fred Haney delivered what he called a "wee bit of a pep talk" in a pre-game meeting. The triumph added half a game to the Milwaukee lead over the idle second-place St. Louis Cardinals. It also broke a three-game Braves' losing streak.

The victory went to fastball righthander Bob Buhl who scattered eight hits in making his second start since returning to the lineup after shoulder trouble forced him out of action on Aug. 18. It was his 17th victory against six losses, and fifth triumph over the Phillies this season.

The big righthander struck out six, and walked five. A pair of walks and an error on an inning-ending double play ball staked the Phillies to their only run.

CINCINNATI (AP) — Reliefer Ed Roebuck walked rookie Joe Taylor with the bases loaded in the 10th inning Monday night to give Cincinnati Redlegs a 3-2 victory over Brooklyn Dodgers, further shrinking the Dodgers' pennant possibilities. Taylor had accounted for the Reds other runs fith two homers.

Canadiens Open Training Camp

MONTREAL (CP) — Montreal Canadiens opened their hockey training camp at the Forum Monday and the 58 players who reported were sent through only skating drills.

Coach Toe Blake said "we haven't much time for light practices and we'll get right down to scrimmaging, twice a day."

Two of the regulars remained unsigned. They are Doug Harvey and Bernie (Boom Boom) Geoffrion. Both conferred with managing director Frank Selke late Monday and will see him again today.

Bert Olmstead and Tom Johnson signed their new contracts Monday. Maurice (Rocket) Richard has not signed but has indicated he is satisfied with the terms offered.

Monday's 58 included regulars of last season, hopeful rookies and others from Canadiens farm clubs.

A second contingent of 38 will report next week and 20 more the following week.

Canadiens have players who will wind up with Montreal Royals and Shawinigan Falls Cataracts of the Quebec Hockey League, Rochester Americans of the American Hockey League, Cincinnati Mohawks of the International League and with the junior Canadiens.

Blake said he is satisfied with the condition of his regulars; "very few" looked overweight. He was particularly pleased with the condition of Jean Beliveau and Geoffrion.

Larger Fruit Crop Predicted
