

Our Panthers Are Panting

Things don't appear to be working out too well for the Varsity teams this winter. The hockey team has been having it's share of troubles as they are playing inconsistant hockey. One time they defeat a team that is rated highly and then turn around and blow a game to a team that lost ten games in a row. How do you explain the inconsistency? On paper, the team look good, it has two experienced goaltenders, an experienced defence corps, and an inexperienced forward unit. One reason is the inability for one of their top defenceman, Donnie Murnaghan, to make the road trips.

At home, spirit is at a maximum, but on the road something is lacking. This team may not be good enough to beat St. Mary's but they have the capability to finish in the top four.

However, if they don't get off their butts, and work together as a team,

not as a group of individuals, they will find themselves pulling up the rear. This weekend the Panthers have a chance to redeem themselves as they play the UNB Red Devils in Fredricton. They will be hard pressed, however, as the Red Devils outplayed them completely the last time they met. So let's go Panthers, let's win one just for the hell of it.

The basketball Panthers seem to be completely hopeless. The Panthers have lost five of their six games, most of these by wide margins. There will be no hope for the Panthers this year. Lack of height and inconsistency seems to be bugging the Panthers. A tall center and a consistent outside shooter would greatly improve the Panthers offense, as it stands now the Panthers must concentrate on the inside and with the lack of an outside threat, the opposing team is able to shut

them off. Bill Robertson, has to be classed as the outside shooter. When he is on, he is one of the best in the league but he seems to be inconsistant. Maybe the Panthers can put it all together and pull out a couple of games this weekend as they host ST.F. X. and Dalhousie.

The team that wins most for UPEI is the team that gets the least attention. Yes, the Lady Panthers *do win*. But, they fail to draw the crowds. Barb Mullaly has put together a good girl's team, that provide excellant

entertainment and just think "IT'S ALL FREE". It costs no money to go and how can you beat that. They deserve as much support as the guys and I for one feel they should get it. So if you are thinking of something to do this weekend, get yourself in gear, and come to the gym as the girls play two games Friday and Saturday at 6:30.

THEY MAY NOT BE THE BEST IN THE LEAGUE BUT THEY ARE THE BEST WE HAVE, SO LET'S SHOW OUR SUPPORT, THEY DESERVE IT.
