Merited Appointment

It is with great pleasure that we carry, in today's news columns, the announcement of the appointment of Mr. H. E. Macquarrie...

His special knowledge and ability in this field have long been recognized, but since we already have an able Island cabinet representative...

A Worlthy Campaign

In his travels in Europe General Eisenhower has been airing some ideas which are not altogether new...

Speaking as a guest of honor at a luncheon attended by many of his wartime British colleagues in London...

EDITORIAL NOTES

Many motorists seem intent on seeing how late into the night they can drive without turning on their lights...

The opposition of the Halifax Canadian League to having a wreath to "former enemies" (the Japanese victims of the Hiroshima blast) placed at a war memorial is understandable...

PUBLIC FORUM

This column is open to the discussion by correspondents of questions of current interest. It is not intended as a platform for the expression of views...

FINE ACHIEVEMENT

Great deal of pride in the outstanding achievements of the boys of the Grade X and XII of Montserrat Regional High School...

...of the General concluded, "one of the big missiles that we throw around the world costs more than it would take to run the school for one year."

It is to General Eisenhower's credit that he should be campaigning in this manner. Certainly there is no question as to the need for attacking world problems at the educational level...

The Next Move

There is speculation now that Premier Khrushchev will come to New York for the opening of next month's session of the United Nations General Assembly...

The double comonaut flight has taken the headlines on the anniversary of "the wall," but it remains obvious to the world which side of the wall offers the most attractive living...

Even Walter Ulbricht, Moscow's puppet leader in East Berlin, conceded in Pravda that before the wall "it cost us more than 30,000 million marks (\$1,700 million) just to prepare a labor force, which was then recruited by West Germany."

DUAL CONTROLS

DETECTIVES ARE BAFFLED

Whodun On Parliament Hill

Bruce Hutchison in the Winnipeg Free Press. Listening with an experienced ear, Mr. Maurice Westerman writes in this newspaper from the press gallery that Ottawa was sunk of late into a profound and awesome silence...

Take-Over In New Guinea

By Harold Morrison, Canadian Press Staff Writer. The non-aligned Indonesian regime, with its friendly links to Moscow, has scored a major triumph over a NATO member in trouble - loaded Southeast Asia.

Just as another NATO ally, Portugal, found reason to be pleased with the role of the United States in the loss of tiny Timor to Indonesia...

How Russians Get Ulcers

New York Herald Tribune. The great dream of every colonial family, one which is proved false, is to be a slave of the conqueror of outer space...

SV40 Described Public Enemy

By Dr. Theodore R. Van Dellen. MOST of us are so interested in the news that we don't wait for the microscopic world of germs...

SV40 may not be as glamorous as the Telstar satellite or the space shuttle, but it is one of our top laboratory scientists pick up their ears. SV40 is a virus that causes cancer...

It was found in extracts of monkey kidney tissues in which polio and certain respiratory viruses are grown. Serous prepared from these batches contained a virus that causes cancer...

NOTES BY THE WAY

Neighbors always show a big interest in you when something happens that you don't want them to know. When Brandon Sun. Of course, autos have had a bad effect on the younger generation...

Canada is a land of lakes and the motorboat enthusiasts seem to have found every one. The most difficult part of getting to the top of the ladder is getting through the crowd at the bottom. Niagara Falls Review.

"I have made a will leaving my brains to the hospital and just got an acknowledgment from the authorities. 'Where are they pleased?' They wrote that every little thing helps." Montreal Star.

Yugoslavia recently sent 40 skilled workers to the Hannover Industrial Fair in West Germany. Exactly half of them sought political asylum. People under Communist rule are being recruited by any means, foul or fair - Kitchener - Waterloo Record.

STUDIES ENGLISH

LONDON (Reuters) - Lt. Col. David Popovici, pilot of Russia's Vostok IV space ship is studying English and physics in his spare time in space, says the Soviet news agency Tass. Tass, describing the working day of the two astronauts (astronauts Maj. Andriy Nikolayev and Popovich, said Popovich rationed bread for breakfast. "Now I am studying English. Popovich I wish I study physics."
