

Capitals Edge Amherst; Beavers-Moncton Play Tie

AMHERST (CP) — Frederick Capitals upset the league leading Amherst Ramblers 5-4 Wednesday in an Atlantic Coast Senior Hockey League game.

Larry Blackburn sparked Capitals' attack, scoring two goals, while Hugh Campbell, Buck Whitlock and Bernie McDonald added the others.

Capitals did all their scoring in the second period. Amherst took an early lead in the first session when Dave Kiley scored on a play with Hank Therrien.

Amherst came back in the third session with three goals but time ran out before they could fire the equalizer.

Faster Company Didn't Faze Some Local Players

The 900 fans that sat in on the Montreal Canadiens Junior — P.E. I. All-Stars game Tuesday night were given a first hand glimpse of the team picked by a great number of sports viewers to walk off with the Memorial Cup this year.

The Montrealers were not playing at their best. Possibly due to their well filled Maritime playing schedule they were a little lethargic at times and as a result were not skating at top speed nor displaying their best form as they would in a more vital contest.

Nevertheless they were a good bit better than the Island squad that plainly showed a lack of conditioning. No one expected the All-Stars to win even with the additional help from the Canadiens and so few were disappointed when the Canadiens came out on top 11-1.

Despite their lack of conditioning a few of the Island players showed up surprisingly well against the fast Montreal team. Don Simmons the All-Star goalie, fought off the Canadiens practically single-handed in the first period and his courageous "Horatio-Al-The-Bridge" stand won a loud round of cheers from the fans.

He held off the Canadiens for almost 25 minutes and when they finally scored the young Charlottetown netminder couldn't in any conceivable way be blamed for it. He didn't stand a ghost of a chance either of the two goals he allowed.

We thought Billy Hughes didn't look out of place in the fast company either. Billy is a fast skater himself and he kept pace with the Canadiens for the best part of the game. If they were to play a return game two months hence we think Billy could more than hold his own against them.

Aces Looking Forward To Practice Sessions

Bowling still continues to dominate the sporting scene in Summerside, but this rather passive state of affairs will not continue much longer.

Laysh Schurman's Aces are looking forward to hockey practices to get into shape for the Island League which opens November 26 at the Sports Arena in Charlottetown.

The defence of the Ace hockey team should be formidable this year with Syl Bernard, A.P.C. star rearguard; Ron MacArthur, who also saw a lot of service in Nova Scotia hockey; Gord Cliffe, one of the best defencemen to come out of the rural areas.

Ed Dalton and a fellow by the name of Read will also be trying out for the blue line assignments. Newcomers to the forward line will include Paul Schurman, Vance Harris, and a young fellow by name of LaRed Groom who played some hockey in mainland high school circles.

Grey Cup Fever Begins To Foam On West Coast

VANCOUVER (CP) — Grey Cup fever, a malady usually confined east of the Rockies, is beginning to foam up on the west coast with all the color and confusions of a circus midway.

While it has been known since last spring that the Canadian football spectacle would be played here Nov. 26, west coast fans are only now being swept up in a wave of enthusiasm unparalleled for any Canadian sports event.

TEA FOR THE ESKS Dowagers in the lobby of the staid, ivy-clad Empress hotel in Victoria — where a loud hiccup was once grounds for ejection — are officiating at the tea urn for muscular members of the Edmonton Eskimos, who will defend their championship against Montreal Alouettes.

People who hadn't seen a Canadian football game before two years ago are loud in their protests over how the tickets are being allocated.

Mayor Fred Hume, long associated with hockey and lacrosse, issued an appeal to all downtown Vancouver merchants to keep all the lights possible burning in their stores Thursday, Friday and Saturday nights to add additional lustre to Canada's brightest lighted city.

Everyone on Montreal west is having a crack at forecasting the weather for "G-day."

Appointed To Lead Boxing Commission ELIZABETH N. J. (AP) — State Athletic Commissioner Joseph Walker disclosed Wednesday his appointment as chairman of the National Boxing Association's special committee to investigate alleged crime and corruption in the sport.

Walker, who also heads the Elizabeth department of athletics, said he was advised of his appointment by telegram from NBA President Louis Razzendy Tuesday night. NBA headquarters is in Chicago.

First step in the inquiry, he said, will be to get the views of boxing commissioners in other states.

City Juvenile League Formed Last evening after a lively session, at the Sports Arena, participated in by 45 young hockeyists, a city juvenile hockey league was formed consisting of 3 teams — Abbies, Royals and Vics. Developed Passing Arm Acclaimed for his shifty running style and ball handling, Parker this season has developed into a fine passer, too.

This week coach Frank (Pop) Ivy has had him practicing field-goal kicking and Parker has shown talent.

Ivy so far has given no indication whether Parker's placement kicking has anything to do with the fact that the Eskimos must cut two American imports for the big game.

Nomads Issue Challenge To Glace Bay Caledonias

In an effort to settle the irksome McCurdy Cup question once and for all the Charlottetown Nomads have issued a challenge to the Glace Bay Caledonias to meet them at Glace Bay this coming Saturday to play a sudden-death contest following which the Cup would either remain in the Bay or be taken to Charlottetown.

Taking Mr. Donald MacInnis, self-appointed custodian of the cup — at his word Nomad manager George Scantlebury wired Mr. MacInnis earlier in the week asking if he were ready to play Saturday.

Mr. MacInnis has stated time and again that the club that wants the cup will have to play Caledonias to get it. So the Nomads wired him thusly: "Are you prepared to play the Nomad football club next Saturday?"

As yet no answer has been received by club officials, but one is expected momentarily, either negative or affirmative.

In making the challenge the Nomads have set down four provisions that they want Mr. Mac-

Third period: 3. New York, Prentice (Howell, Bathgate) 11:26; 4. New York, Prentice (Irwin, Evans) 19:38. Penalties: Flaman 15:37, Armstrong, Costello, Horvath and Howell majors 15:55; Fontinato 17:50.

side Student Voted Top Rookie HALIFAX (CP) — Don Nicholson, of Summerside, P. E. I., 21-year-old medical student at Dalhousie University, has been voted outstanding rookie in the Nova Scotia Senior Canadian Football League this season.

Nicholson, half-back with Dalhousie Tigers, scored 51 out of a possible 75 points in a poll of sport writers and league officials.

The Dal star finished 22 points ahead of Moe Johnson of Greenwood Bombers. Johnson played with Ottawa Tech before joining the air force in 1953.

Y.C. Practice There will be a hockey practice for the B. Y. C. team this evening at the Sports Arena at 8 p.m.

GUARANTEE IMPOSSIBLE MacInnis, who has been associated with Caledonia teams for 19 years, said "it would be impossible to make any financial guarantee this late in the year."

Charlottetown also asked for a guarantee. "I can't get over that request

on a grass-covered field of regulation size. It is felt that these requirements are only fair to all concerned.

The Nomads have remained in training this week and are confident that if their challenge is accepted, they can whip any aggregation Mr. MacInnis or the Caledonia Club can put on the field.

GLACE BAY, N. S. (CP) — Glace Bay Caledonias will not meet Charlottetown Nomads for the McCurdy Cup this Saturday "for this year for that matter" under conditions proposed by Charlottetown Wednesday.

The McCurdy Cup is emblematic of the Maritime English Rugby championship.

Don MacInnis, Caledonia manager, termed conditions put forth in a Charlottetown challenge "ridiculous" but added the Glace Bay club would be glad to meet Nomads "say next May 24."

"Everybody knows we have little or no grass here. Our field is and has always been a skin field. But maybe we could spread a few carpets," he said in a telephone interview with The Canadian Press.

Charlottetown asked for a grass-covered field.

"As for conditions, well, they will have to play the 15-man game. McCurdy Cup rules call for union 15-ma, not Rugby League rules, which allow 13 players," he said.
